DIGEST

Appel (SB 175)

Present law provides for the requirements upon termination of a dealer licensee.

<u>Present law</u> requires the repurchase of all new motor vehicles, recreational products, and speciality vehicles of the current and last prior model year delivered to the licensee and parts on hand that have not been damaged or substantially altered to the prejudice of the manufacturer while in the possession of the licensee.

<u>Present law</u> requires repurchase at fair market value of all special tools and automotive service equipment owned by the dealer which were recommended in writing and designated as special tools and equipment and purchased from or purchased at the request of the manufacturer, converter, distributor, or representative, if the tools and equipment are in

usable and good condition except for reasonable wear and tear. Fair market value shall be no less than cost of acquisition of special tools and automotive service equipment by the dealer.

<u>Proposed law</u> provides that the items to be repurchased were purchased in the ordinary course of business.

<u>Present law</u> requires the manufacturer or converter to make the required repurchase after the dealer terminates his franchise and within 30 days for motor and speciality vehicle dealers and 60 days for recreational products dealers of the submission to it, by certified mail, return receipt requested, or commercial delivery service with verification of receipt, of a final inventory of motor vehicles and parts.

<u>Proposed law</u> changes to <u>present law</u> to require the manufacturer or converter to make the required repurchase after the dealer terminates his franchise as follows:

- 1. Within 30 days for motor and specialty vehicle dealers and 60 days for recreational products dealers of the submission to it, by certified mail, return receipt requested, or commercial delivery service with verification of receipt, of a final inventory of motor vehicles, and parts, special tools, and automotive service equipment on hand.
- 2. For motor vehicle dealers, after tender of the parts and special tools and automotive service equipment to the manufacturer.

<u>Present law</u> provides for unauthorized actions of a manufacturer, distributor, wholesaler, distributor branch, factory branch, or converter of motor vehicles, or officer, agent, or other representative thereof.

<u>Proposed law</u> retains <u>present law</u> and prohibits a manufacturer, distributor, wholesaler, distributor branch, factory branch, or converter of motor vehicles, or officer, agent, or other representative thereof from charging back, denying vehicle allocation, withholding payments, or taking any other adverse actions against a motor vehicle dealer because of a sale of a new motor vehicle that is exported from the United States, unless it is shown that the dealer knew or reasonably should have known on the date of the sale that the new motor vehicle was to be exported. A motor vehicle dealer shall be rebuttably presumed to have no knowledge of the export if the motor vehicle is sold by the dealer to a resident of the United States.

Effective August 1, 2012.

(Amends R.S. 32:1268(A)(1)(a)(intro para) and (c), (2) and (B); adds R.S. 32:1261(1)(x))

Summary of Amendments Adopted by Senate

<u>Committee Amendments Proposed by Senate Committee on Commerce, Consumer</u> <u>Protection, and International Affairs to the original bill.</u>

- 1. Specifies that for repurchase, new motor vehicles, recreational products, specialty vehicles, tools and automotive service equipment owned by the dealer were purchased in the ordinary course of business.
