DIGEST

Long (SB 436)

Present law authorizes the Sabine River Authority to enter into contracts which provide for the sale, utilization, distribution, or consumption of water outside the boundaries of the state and requires the written consent of the governor for such contracts.

Proposed law retains present law but also requires the written concurrence by the Senate Committee on Natural Resources and the House Committee on Natural Resources and Environment for any contracts and other agreements which provide for the sale, utilization, distribution, or consumption, outside of the boundaries of the state of Louisiana, of the waters over which the Sabine River Authority has jurisdiction or control.

Effective August 1, 2012.
