26 produced within the state of Louisiana for milling, seed or other commercial  
27 purposes.

28 §3562. Purpose

29          The purpose of this Chapter is to promote the growth and development

1 of the rice industry in Louisiana by expanding research and promotion of rice,  
2 thereby promoting the general welfare of the people of this state.

3 §3563. Creation and Organization

4 A. The Louisiana Rice Promotion and Research Board is hereby created  
5 with its domicile in Baton Rouge, Louisiana.

6 B. The Board shall be composed of ten members, nine of whom shall be  
7 appointed by the governor, and the commissioner of agriculture or his designee.  
8 Each member shall be subject to Senate confirmation, except the commissioner  
9 or his designee. Members shall serve for four-year terms which shall begin on  
10 August 15, 2016, and each four years thereafter. The board shall be composed  
11 of the following members:

12 (1) Two members appointed from a list of four persons who are practical  
13 rice producers, nominated by the member affiliates of the USA Rice Federation.

14 (2) Two members appointed from a list of four persons who are practical  
15 rice producers, nominated by the member affiliates of the US Rice Producers  
16 Association.

17 (3) One person, who is involved in lending to the rice industry, from a list  
18 of two persons, nominated by the Louisiana Bankers Association.

19 (4) One member, who is a non-farmer engaged in an agri-business  
20 service involved in the rice industry, appointed from a list of three persons,  
21 nominated by the Louisiana Farm Bureau Federation, Inc.

22 (5) Three members at-large, appointed by the governor.

23 (6) The commissioner of agriculture or his designee.

24 C. Not less than thirty days prior to August 15, 2016, and every four  
25 years thereafter, the member affiliates of the USA Rice Federation, the member  
26 affiliates of the US Rice Producers Association, the Louisiana Bankers  
27 Association, and the Louisiana Farm Bureau Federation shall each submit the  
28 names of their nominees to the governor, who shall appoint the required  
29 number of board members from each set of nominees. In the event the governor

1 fails to appoint the members of the board in accordance with this Section, the  
2 current members shall continue to serve until their successors are appointed.

3 D. Any vacancy on the board by reason of death, removal, resignation,  
4 or disqualification of a member or for any other cause shall be filled by  
5 appointment of the governor for the remainder of the term.

6 E. The members of the board shall meet and organize immediately after  
7 their appointment and quarterly thereafter and shall elect a chairman, vice  
8 chairman, and secretary-treasurer from the membership of the board. The  
9 duties of the officers shall be those customarily exercised by such officers or  
10 specifically designated by the board. The board shall employ a director and  
11 assistant director who shall be in the unclassified service. The board may  
12 establish rules and regulations for the administration of the affairs of the board  
13 and shall have the additional duties, functions, and authorizations:

14 (1) To make recommendations and to advise the commissioner  
15 concerning rules and regulations relating to the administration of the collection  
16 of the assessments.

17 (2) To enter into contracts for rice promotion and rice research with rice  
18 promotion and research organizations and other organizations relating to the  
19 research, production, handling, marketing, and utilization of rice, which rice  
20 promotion and research organizations may include nonprofit organizations of  
21 which members of the board are members.

22 (3) To keep minutes, books, and records which will clearly reflect all of  
23 its meetings, acts, and transactions. The minutes, books, and records at all times  
24 shall be subject to examination by any rice producer on whom an assessment  
25 has been collected.

26 (4) To publicize the actions of the board in the news media serving the  
27 rice areas of Louisiana.

28 (5) To investigate and cause prosecution to be instituted for violation of  
29 the provisions of this Chapter.

1        §3564. Levy of assessment; collection, and enforcement; records; refunds;  
2                    transfer of funds

3                    A. Levy of assessment.

4                    (1) There is hereby levied an assessment at the rate of three cents per  
5                    hundredweight, or the equivalent thereof, of dry rough "paddy" rice produced  
6                    in this state and a rate of two and seventy one-hundredths cents per  
7                    hundredweight, or the equivalent thereof, on rice produced in this state and sold  
8                    on a "green weight" basis.

9                    (2) The obligation to pay the assessment shall apply to the producer for  
10                   all rice marketed by him. To facilitate collection, this assessment shall be  
11                   deducted by each miller or handler from the amount paid the producer at the  
12                   first point of sale only, whether within or outside the state.

13                   (3) Rice which was purchased by a handler on a "green weight" basis for  
14                   resale and on which the assessment has been collected from producers must be  
15                   accompanied by a certificate showing the amount of assessments deducted when  
16                   resale is made to a miller by the handler.

17                   (4) Assessments on seed rice shall be due at the time such rice is  
18                   marketed as seed and shall be collected from the handler performing the  
19                   cleaning. Such handler shall add such assessment to any amount charged to the  
20                   producer or other person for whom such cleaning service is performed.

21                   (5) Assessments on rice put under loan to the Commodity Credit  
22                   Corporation or purchased by the Commodity Credit Corporation and delivered  
23                   to it shall be payable when such rice is placed under loan or is purchased.

24                   (6) The Commodity Credit Corporation may require deduction and  
25                   payment of the assessment from the loan proceeds or from the purchase price  
26                   on behalf of the producer.

27                   (7) Assessments on rice put under loan to the Commodity Credit  
28                   Corporation and redeemed by the producer prior to the takeover date, if  
29                   already paid by having been deducted from the loan proceeds, shall not be

1 deducted by each miller or handler from the amount paid the producer at the  
2 first point of sale as provided in this Section; otherwise, the assessment shall be  
3 deducted.

4 B. Collection and enforcement. The assessment levied by this Chapter  
5 shall be collected by the commissioner. On rice sold by the producer, collection  
6 shall be from the buyer of the rice at the first point of sale only. On rice put  
7 under loan or purchased by the Commodity Credit Corporation and delivered  
8 to the Commodity Credit Corporation, collection shall be from the producer,  
9 or from the Commodity Credit Corporation on the producer's behalf. On seed  
10 rice, collection shall be from the handler performing the cleaning.

11 C. Records. Every buyer shall keep a complete and accurate record of  
12 all rice purchased by him. Such records shall be in such form and contain such  
13 other information as the board shall by rule or regulation prescribe. The  
14 records shall be preserved by the buyer for a period of two years and shall be  
15 offered for inspection at any time upon oral or written demand by the  
16 commissioner or his duly authorized representative or agent thereof. Every  
17 buyer, at such time or times as the commissioner may require, shall submit  
18 reports or other documentary information deemed necessary for the efficient  
19 and equitable collection of the assessment levied in this Chapter. The  
20 commissioner shall have the power to cause any duly authorized agent or  
21 representative to enter upon the premises of any buyer of rice from which  
22 assessments were collected or to be collected and examine or cause to be  
23 examined by such agent any books, papers and records which deal in any way  
24 with respect to the payment of the assessment or enforcement of the provisions  
25 of this Chapter.

26 D. Refunds.

27 (1) Any rice producer may request and receive a refund of the amount  
28 deducted from his share of the proceeds from the sale of his rice provided he  
29 makes a written application with the commissioner within thirty days from the

1 date of sale supported by copies of sales slips signed by the producer and  
2 provided further that the application is filed before the annual accounting is  
3 made and the funds paid to the board.

4 (2) The refund shall be paid to the producer no later than sixty days after  
5 the commissioner receives the producer's application for a refund.

6 (3) Any repeal of the refund provided in this Subsection shall require  
7 two-thirds vote of the legislature.

8 E. Transfer of funds.

9 (1) The commissioner of agriculture shall monthly pay over to the  
10 Louisiana Rice Promotion and Research Board the funds collected less the  
11 actual cost of administering and collecting the assessment levied herein up to  
12 but not to exceed two percent of the gross amount collected.

13 (2) The annual settlement to the Louisiana Rice Promotion and Research  
14 Board shall be made as of the first day of July of each year and shall be  
15 accompanied by a complete audit of all funds collected and disbursed, and costs  
16 actually incurred in the collection and administration of the assessment.

17 §3565. Levy of assessment; collection; enforcement; transfer of funds

18 A. Levy of assessment.

19 (1) There is imposed and levied an assessment at the rate of three cents  
20 per hundredweight, or the equivalent thereof, of dry rough "paddy" rice  
21 produced in this state.

22 (2) For rice sold on a "green weight" basis, a reduction of ten percent  
23 will be allowed for weight loss in computing the assessment.

24 (3) The obligation to pay the assessment shall apply to the producer for  
25 all rice marketed by him. To facilitate collection, this assessment is to be  
26 deducted by each miller or handler from the amount paid the producer at the  
27 first point of sale only, whether within or outside the state.

28 (4) Rice which was purchased by a handler on a "green weight" basis for  
29 resale and on which the assessment has been collected from producers must be

1 accompanied by a certificate showing the amount of assessments deducted when  
2 resale is made to a miller by the handler.

3 (5) Assessments on seed rice shall be due at the time such rice is  
4 marketed as seed and shall be collected from the handler performing the  
5 cleaning. Such handler shall add such assessment to any amount charged to the  
6 producer or other person for whom such cleaning service is performed.

7 (6) Assessments on rice put under loan to the Commodity Credit  
8 Corporation or purchased by the Commodity Credit Corporation and delivered  
9 to it shall be payable when such rice is placed under loan or is purchased.

10 (7) The Commodity Credit Corporation may require deduction and  
11 payment of the assessment from the loan proceeds or from the purchase price  
12 on behalf of the producer.

13 (8) Assessments on rice put under loan to the Commodity Credit  
14 Corporation and redeemed by the producer prior to the takeover date, if  
15 already paid by having been deducted from the loan proceeds, shall not be  
16 deducted by each miller or handler from the amount paid the producer at the  
17 first point of sale as provided in this Section; otherwise, the assessment shall be  
18 deducted.

19 (9) The assessment imposed by this Subsection shall be effective for a  
20 period of five crop years.

21 B. Collection and Enforcement. The assessment imposed and levied by  
22 this Chapter shall be collected by the commissioner. On rice sold by the  
23 producer, collection shall be from the buyer of the rice at the first point of sale  
24 only. On rice put under loan and delivered to the Commodity Credit  
25 Corporation, collection shall be from the producer, or from the Commodity  
26 Credit Corporation on the producer's behalf. On seed rice, collection shall be  
27 from the handler performing the cleaning.

28 C. Records. Every buyer, miller, or handler shall keep a complete and  
29 accurate record of all rice purchased, milled, or handled by him. Such records

1 shall be in such form and contain such other information as the board shall, by  
2 rule or regulation, prescribe. The records shall be preserved by said buyer for  
3 a period of two years and shall be offered for inspection at any time upon oral  
4 or written demand by the commissioner or his duly authorized representative  
5 or agent thereof. Every buyer, miller, or handler, at such time or times as the  
6 commissioner may require, shall submit reports or other documentary  
7 information deemed necessary for the efficient and equitable collection of the  
8 assessment imposed in this Chapter. The commissioner shall have the power to  
9 cause any duly authorized agent or representative to enter upon the premises  
10 of any buyer, miller, or handler of rice from which assessments were collected  
11 or to be collected and examine or cause to be examined by such agent any  
12 books, papers, and records which deal in any way with the payment of the  
13 assessment or enforcement of the provision of this Chapter.

14 D. Refunds.

15 (1) Any rice producer may request and receive a refund of the amount  
16 deducted from his share of the proceeds from the sale of his rice provided he  
17 makes a written application with the commissioner within thirty days from the  
18 date of sale supported by copies of weight or settlement sheets by the buyer and  
19 provided further that the application is filed before the annual accounting is  
20 made and the funds paid to the board.

21 (2) The refund shall be paid to the producer no later than sixty days after  
22 the commissioner receives the producer's application for a refund.

23 (3) Any repeal of the refund provided in this Subsection shall require a  
24 two-thirds vote of the legislature.

25 E. Transfer of funds.

26 (1) The proceeds of the assessment collected by the commissioner shall  
27 be deposited with the state treasurer in a special fund to be established by the  
28 state treasurer for the Louisiana Rice Promotion and Research Board, to the  
29 credit of the Louisiana Rice Promotion and Research Board.

1                   **(2) The commissioner shall join with the secretary-treasurer of the board**  
2                   **in signing a warrant to have the net proceeds from the assessment paid to the**  
3                   **board.**

4                   **(3) The commissioner of agriculture shall monthly pay over to the**  
5                   **Louisiana Rice Promotion and Research Board the funds collected less the**  
6                   **actual cost of administering and collecting the assessment levied pursuant to**  
7                   **this Section up to but not to exceed two percent of the gross amount collected.**

8                   **(4) The annual settlement to the Louisiana Rice Promotion and Research**  
9                   **Board shall be accompanied by a complete audit of all funds collected and**  
10                  **disbursed, and costs actually incurred in the collection and administration of**  
11                  **the assessment.**

12                   **F. Additional assessments.**

13                  **(1) In addition to all other assessments levied pursuant to this Section**  
14                  **there is hereby levied an assessment at a rate of two cents per hundredweight,**  
15                  **or the equivalent thereof, on dry rough "paddy" rice produced in this state.**

16                  **(2) The assessment shall be reduced ten percent for rice sold on a "green**  
17                  **weight" basis.**

18                  **(3) Each producer shall pay the assessment on all rice marketed by the**  
19                  **producer.**

20                  **(4) This assessment shall be deducted and collected in the same manner**  
21                  **as the other assessments provided for in this Section.**

22                  **§3566. Failure to pay assessment; penalty**

23                  **A. Any buyer who fails to file a report or to pay any assessment within**  
24                  **the required time by the commissioner shall forfeit to the commissioner the**  
25                  **amount of the assessment plus a penalty of five percent of the assessment**  
26                  **determined to be due, plus one percent of such amount for each month of delay**  
27                  **or fraction thereof after the first month after such report was required to be**  
28                  **filed or such assessment became due. The penalty shall be paid to the**  
29                  **commissioner and shall be disposed of by him in the same manner as funds**

1 derived from the payment of the assessment imposed herein.

2 B. The commissioner shall collect the penalties levied herein, together  
3 with the delinquent assessments, by any of the following methods:

4 (1) By voluntary payment by the person liable;

5 (2) By legal proceedings instituted in a court of competent jurisdiction;

6 (3) By injunctive relief to enjoin any buyer owing such assessment and/or  
7 penalties from operating his business or engaging in business as a buyer of rice  
8 until the delinquent assessment and/or penalties are paid.

9 C. Any person required to pay the assessments provided for in this  
10 Chapter who refuses to allow full inspection of the premises, or any books,  
11 records, or other documents relating to the liability of such person for the  
12 assessment herein imposed, or who shall hinder or in any way delay or prevent  
13 such inspection, shall be guilty of a misdemeanor and, upon conviction, shall be  
14 punished by a fine not exceeding one thousand dollars or by imprisonment not  
15 to exceed six months, or both.

16 D. Whoever violates any provisions of this Chapter or any rule or  
17 regulation of the board pursuant to the provisions of this Chapter shall be guilty  
18 of a misdemeanor and upon conviction thereof shall be punished by a fine not  
19 to exceed one hundred dollars or by imprisonment not to exceed thirty days, or  
20 both.

21 §3567. Limitation of liability of members of the board

22 The members and alternate members of the board shall not be  
23 responsible individually in any way whatsoever to any producer or any other  
24 person for errors in judgment, mistakes, or other acts, either of commission or  
25 omission, except for their own individual acts of dishonesty or crime. No such  
26 person shall be held responsible individually for any act or omission of any  
27 other member of the board. The liability of the board shall be several and not  
28 joint and no member or alternate member shall be liable for the default of any  
29 other member or alternate member.

1           **§3568. Use of funds**

2                   **A. After deduction from the proceeds of the assessment, the expenses of**  
3                   **collection and administration, the board shall dedicate the balance to rice**  
4                   **promotion and research. The board shall have the discretion as to what**  
5                   **organizations and agencies to expend monies for such purposes. Use of these**  
6                   **funds may be applied within or outside of the state of Louisiana, including**  
7                   **regional, national, and international applications.**

8                   **B. Board members, and any committees of the board on which they**  
9                   **serve, may be reimbursed for allowable expenses necessarily incurred by them**  
10                   **in the performance of their duties, but no member shall receive a salary or per**  
11                   **diem for the performance of his duties.**

12           **§3569. National and international policy**

13                   **A. The Louisiana Legislature hereby finds and declares that the factors**  
14                   **which affect the ability of Louisiana rice farmers to market their crop are**  
15                   **established by national and international forces in the world market. The**  
16                   **Louisiana Legislature further finds and declares that the expenditure of funds**  
17                   **by the board for the purpose of influencing the development and**  
18                   **implementation of national and international policy affecting the marketing of**  
19                   **rice produced by Louisiana farmers is the expenditure of funds for a public**  
20                   **purpose.**

21                   **B. The board is hereby authorized to expend a portion of the funds**  
22                   **received and administered by the board for the purpose of influencing the**  
23                   **development and implementation of national and international policy affecting**  
24                   **the marketing of rice produced by Louisiana farmers.**

25                   **C. The amount of funds expended by the board in each fiscal year for the**  
26                   **purposes authorized in this Section shall not exceed five percent of the budget**  
27                   **of the board for that fiscal year.**

28                   **D. The board shall not expend any funds for the purpose of influencing**  
29                   **any legislative action on the state level.**

1 Section 2. Chapter 21-B of Title 3 of the Louisiana Revised Statutes of 1950,  
2 comprised of R.S. 3:3531 through 3538, and Chapter 21-C of Title 3 of the Louisiana  
3 Revised Statutes of 1950, comprised of R.S. 3:3541 through 3548, are hereby repealed in  
4 their entirety.

5 Section 3. The assessments currently levied as provided in R.S. 3:3534 and R.S.  
6 3:3544 shall continued to be assessed pursuant to R.S. 3:3564 and R.S. 3:3565.

DIGEST

SB 437 Original

2016 Regular Session

Morrish

Present law creates and provides for the powers, duties, and functions of the Louisiana Rice Research Board and the Louisiana Rice Promotion Board.

Proposed law repeals present law and transfers the powers, duties, and functions of the abolished boards to a newly created board.

Proposed law creates the Louisiana Rice Promotion and Research Board composed of ten members, nine of whom are appointed by the governor, and the commissioner of agriculture or his designee as follows:

- (1) Two members appointed from a list of four persons who are practical rice producers nominated by the member affiliates of the USA Rice Federation.
- (2) Two members appointed from a list of four persons who are practical rice producers nominated by the member affiliates of the US Rice Producers Association.
- (3) One person from a list of two persons nominated by the Louisiana Bankers Association who is involved in lending to the rice industry.
- (4) One member appointed from a list of three persons nominated by the Louisiana Farm Bureau Federation, Inc. who is a non-farmer engaged in an agri-business service involved in the rice industry.
- (5) Three members at-large appointed by the governor.
- (6) The commissioner of agriculture or his designee.

Proposed law requires members to serve for four-year terms which shall begin on August 15, 2016 and each four years thereafter.

Proposed law requires that not less than 30 days prior to August 15, 2016 and every four years thereafter, the member affiliates of the USA Rice Federation, the member affiliates of the US Rice Producers Association, the Louisiana Bankers Association, and the Louisiana Farm Bureau Federation each submit the names of their nominees to the governor, who shall appoint the required number of board members from each set of nominees.

Proposed law provides for meeting requirements, vacancies, election and duties of officers, and requires the employment of a director and assistant director in the unclassified service.

Proposed law authorizes the board to establish rules and regulations and provides for the following duties, functions, and authorizations:

- (1) To make recommendations and to advise the commissioner concerning rules and regulations relating to the administration of the collection of the assessments.
- (2) To enter into contracts for rice promotion and rice research with rice promotion and research organizations and other organizations relating to the research, production, handling, marketing, and utilization of rice, which rice promotion and research organizations may include nonprofit organizations of which members of the board are members.
- (3) To keep minutes, books, and records which will clearly reflect all of its meetings, acts, and transactions. The minutes, books, and records at all times shall be subject to examination by any rice producer on whom an assessment has been collected.
- (4) To publicize the actions of the board in the news media serving the rice areas of Louisiana.
- (5) To investigate and cause prosecution to be instituted for violation of the provisions of proposed law.

Proposed law provides for definitions.

Present law levies an assessment at the rate of three cents per hundredweight, or the equivalent thereof, of dry rough "paddy" rice produced in this state.
