6 Section 2. The provisions of R.S. 11:403(5) and 701(5) as amended by this Act shall
7 not cause the average compensation of any member retiring on or after the effective date of
8 this Act to be less than such member's average compensation as it existed before the
9 effective date of this Act.

10 Section 3. R.S. 11:403 as amended by this Act shall not apply to a judge during the
11 term of office he is serving on June 30, 2012. After that term, R.S. 11:403 as amended by
12 this Act shall apply to a member holding that office.

13 Section 4. (A) On June 30, 2012, this Act shall become applicable to members of
14 the Louisiana State Employees' Retirement System and the Teachers' Retirement System of
15 Louisiana who are not eligible for retirement on or before September 30, 2012.

16 (B) On October 1, 2012, the provisions of this Act shall become applicable to other
17 members of the Louisiana State Employees' Retirement System and the Teachers' Retirement
18 System of Louisiana.

19 Section 5. (A) As soon as practicable after the effective date of this Act, the Public
20 Retirement Systems' Actuarial Committee shall meet to adopt a revised valuation for each
21 system prepared as provided in R.S. 11:102. This valuation shall include a revised employer
22 contribution rate for each plan within the system to be utilized in the fiscal year which begins
23 on July 1, 2012. This valuation shall incorporate all changes enacted by the legislature in the
24 2012 Regular Session.

25 (B) The Public Retirement Systems' Actuarial Committee is hereby authorized to
26 adopt an actuarial valuation or revised employer contribution rate to be utilized in the fiscal
27 year which begins on July 1, 2012, calculated in accordance with R.S. 11:102, which has
28 been prepared on behalf of the division of administration by a member of the American
29 Academy of Actuaries who meets the qualification requirements of the academy to issue a

1 particular statement of actuarial opinion.

2 Section 6. Because the legislature finds and declares that questions of law may be
3 raised by some persons with respect to the constitutionality of some of the provisions of this
4 Act, the public welfare requires that such questions of law be resolved with expedition prior
5 to such time as its provisions take effect in order to avoid disruption of the orderly
6 implementation of its provisions. Therefore, the legislature finds that an expedited hearing
7 schedule for actions filed relative to the constitutionality of any provision of this Act should
8 be immediately made available in order to avoid confusion by the public. Therefore, any
9 domiciliary of this state may institute an action in the Nineteenth Judicial District Court
10 seeking a declaratory judgment to determine the constitutionality of the provisions of this
11 Act. The attorney general and the governor shall be served with a copy of the proceeding and
12 shall be entitled to be heard. In the interest of further expediting this procedure, the
13 Nineteenth Judicial District Court, First Circuit Court of Appeal, and Louisiana Supreme
14 Court are urged to minimize all unnecessary delays in order to resolve any questions of law
15 no later than thirty days prior to the prefiling deadline for retirement legislation for the 2013
16 regular legislative session, and the courts may suspend all applicable rules of court for this
17 limited purpose.

18 Section 7. If a final judgment declares any of the provisions of this Act
19 unconstitutional or unconstitutional as applied to a particular class of employees, the other
20 provisions of this Act shall remain in effect and also shall be applicable to all other classes
21 of employees unrelated to the judgment.

22 Section 8. The provisions of this Act shall become effective on June 30, 2012; if
23 vetoed by the governor and subsequently approved by the legislature, this Act shall become
24 effective on June 30, 2012, or on the day following such approval by the legislature,
25 whichever is later.

DIGEST

Guillory (SB 47)

Proposed law provides that it is the legislative intent of proposed law to attain and maintain the actuarial soundness of state and statewide retirement systems as required by present constitution (Art. X, §29).

Present law generally provides for a benefit calculation formula for members of each state system including the Louisiana State Employees' Retirement System (LASERS) and the Teachers' Retirement System of Louisiana (TRSL), typically consisting of:

(years of service) x (accrual rate) x (final average compensation (FAC))

Present law (R.S. 11:403(5) and 701(5)), relative to LASERS and TRSL, provides varying periods of FAC for members of those systems ranging from three to five years. FAC periods for LASERS and TRSL are as follows:

1. LASERS: Rank-and-file members hired on or before June 30, 2006, have a three-year FAC. Rank-and-file members hired after such date have a five-year FAC.
2. LASERS: Special groups such as the governor, lieutenant governor, and legislators, hired on or before Dec. 31, 2010, have a three-year FAC. Such members elected on or after Jan. 1, 2011, have a five-year FAC.
3. LASERS: Certain hazardous duty groups hired on or before Dec. 31, 2010, have a three-year FAC. Such members hired on or after Jan. 1, 2011, have a five-year FAC.
4. TRSL: Members hired on or before Dec. 31, 2010, have a three-year FAC. Members hired on or after Jan. 1, 2011, have a five-year FAC.

Proposed law provides that all members of LASERS who are in "hazardous duty" jobs and hired prior to June 30, 2006, shall retain the three-year FAC. For purposes of proposed law, "hazardous duty" jobs are:

1. Public safety services employees referred to as "member" or "members" in R.S. 11:601(B); peace officers employed by the Dept. of Public Safety and Corrections, office of state police, other than state troopers, as provided in R.S. 11:444(A)(2)(b); and personnel employed by the Dept. of Revenue, office of alcohol and tobacco control, as provided in R.S. 11:444(A)(2)(c).
2. Wildlife agents.
3. Bridge police.

Proposed law further provides that all "non-hazardous duty" employees in LASERS, as defined in proposed law, shall have a five-year FAC, regardless of the date of hire. Further provides that higher education employees, as defined in proposed law, in TRSL shall have a five-year FAC.

Proposed law requires the Public Retirement Systems' Actuarial Committee to meet to adopt a revised valuation for the systems, prepared as provided in R.S. 11:102, applying provisions contained in proposed law. The new valuation shall include a revised employer contribution rate for each plan within the system to be utilized in the fiscal year which begins on July 1,

2012.

Present law provides that valuations shall be presented to the committee for consideration by the legislative auditor's office and the retirement system. Proposed law expands the agencies which may present actuarial valuations to the Public Retirement Systems' Actuarial Committee for consideration to include the division of administration, for purposes of determining the employer contribution rate to be remitted for the fiscal year beginning July 1, 2012.

Expands the agencies which may present actuarial valuations to the committee for consideration to include the division of administration, for purposes of determining the employer contribution rate to be remitted for the fiscal year beginning July 1, 2012.

Proposed law provides for an expedited hearing process if proposed law is subjected to legal challenges. Provides for severability if a court declares any provisions of proposed law to be unconstitutional as applicable to certain members of LASERS and TRSL, retaining application of the Act to the remaining members of the system.

Effective June 30, 2012.

(Amends R.S. 11:403(5) and 701(5)(b)-(e); adds R.S. 11:701(5)(f) and 331)
