Proposed law retains present law for students graduating from high school through the 2016-2017 school year.

Proposed law provides, effective for students graduating from high school during the 2017-2018 school year and thereafter, that the minimum GPA and ACT score (or SAT concordant score) required for initial eligibility for a TOPS award shall be as follows:

Further provides that the La. Student Financial Assistance Commission, through the office of student financial assistance, shall administer the program.

Proposed law retains present law and additionally provides that beginning with the 2018-2019 fiscal year, the legislature shall appropriate ten percent of any savings attributable to the implementation of Section 1 of proposed law for the purpose of increasing the number of students participating in the La. GO Grant program.
