DIGEST

Morrell (SB 542)

Present law provides for the authority and responsibility of the Gaming Control Board.

Proposed law requires the board to annually report to the president of the Senate and the speaker of the House the impact that developments in technology are having on gaming and the gaming industry in Louisiana. Requires the report to specifically address awareness and growth, to the extent known, of any unregulated gaming such as Internet or online games. Also requires the board to identify issues for legislative concern and make recommendations regarding such concerns.

Effective August 1, 2014.
