AN ACT

To amend and reenact R.S. 33:1967(A), relative to fire protection; to require at least one full-time fire suppression employee in the rank of firefighter or firefighter/operator be assigned to and carried on each force during each shift; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 33:1967(A) is hereby amended and reenacted to read as follows:

§1967. Captain of force

A. A member of the department holding the rank of captain shall be in charge of each force in each fire company during each shift and at all times. "Force" as used herein means any single piece of fire fighting or rescue apparatus. In any paid fire department operated by a municipality having a population of thirteen thousand or more or by any parish or fire protection district which employs eight or more full-time paid fire suppression employees, excluding the fire chief and any training officer, ~~every fire fighting or rescue apparatus~~ **each force** shall be operated by a member of the department holding the rank of engineer or fire driver, by whichever designation he may be known, ~~provided the~~ **. Each force shall also be manned by**

1 **at least one additional full time paid fire suppression employee holding the rank**
 2 **of firefighter or firefighter/operator who shall be assigned to and carried on**
 3 **each force during each shift. As provided herein, the** term "fire fighting
 4 apparatus" shall not be construed to include standard passenger vehicles, nor any
 5 other type of automotive equipment assigned to fire department use other than
 6 vehicles specially designed for fire fighting or rescue purposes. Provided further, that
 7 all fire departments, regardless of the number of employees in their employ, now
 8 having engineers, captains, or fire drivers operating each force, fire car, or other fire
 9 vehicle shall continue this practice.
