

2020 First Extraordinary Session

SENATE CONCURRENT RESOLUTION NO. 13

BY SENATOR CARTER

WORKFORCE COMMISSION. Requests the Louisiana Workforce Commission to distribute information regarding the provisions of the Families First Coronavirus Response Act that provides paid sick time to employees who are unable to work due to the effects of COVID-19.

A CONCURRENT RESOLUTION

To urge and request the Louisiana Workforce Commission to provide literature to the public regarding the requirement of certain employers to provide paid sick time to employees who are unable to work due to the effects of COVID-19.

WHEREAS, on March 11, 2020, Governor John Bel Edwards invoked his authority under the Louisiana Health Emergency Powers Act, La. R.S. 29:760, et seq., and issued Proclamation Number 25 JBE 2020, which declared a statewide public health emergency as a result of the imminent threat posed to Louisiana residents by the outbreak of a respiratory disease caused by a novel coronavirus known commonly as COVID-19; and

WHEREAS, on March 13, 2020, the governor issued Proclamation Number 27 JBE 2020, which supplemented the measures taken in the declaration of a public health emergency with additional restrictions in order to further protect the health and safety of the public because of COVID-19; and

WHEREAS, the Centers for Disease Control suggested aggressive measures for limiting the possible interaction of the public with individuals who are exposed to, or test positive for, the virus; and

WHEREAS, a person who tests positive for COVID-19, a person who is exposed to the virus, a person who is caring for a sick family member, or a person whose child's school

1 or childcare provider is closed due to COVID-19 may not have accumulated sick leave
2 thereby creating an economic hardship for individuals who are required to quarantine for a
3 minimum of fourteen days; and

4 WHEREAS, the Families First Coronavirus Response Act requires certain employers
5 to provide paid sick time to full-time employees who are unable to work due to the effects
6 of COVID-19; and

7 WHEREAS, such full-time employees are entitled to eighty hours of paid sick time
8 for use if the employee is subject to a governmental quarantine or isolation order, has been
9 advised by a health care provider to self-quarantine, or if the employee is caring for the
10 employee's child because the child's school or childcare provider is closed; and

11 WHEREAS, many employers and employees are not aware of this benefit and may
12 report to work even if they have tested positive for the virus or have been exposed to it to
13 avoid termination or loss or reduced wages; and

14 WHEREAS, failure to publicize this information to Louisiana residents may undo
15 the great progress made to slow the spread of COVID-19 in the state.

16 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
17 urge and request the Louisiana Workforce Commission to post to its website a summary of
18 the benefits and requirements of the Families First Coronavirus Response Act relating to
19 paid sick time, make the summary available in a format that can be downloaded by
20 employers, employees, and local and state agencies, and provide immediate notice to
21 employers of their obligation to provide conspicuous notice in the workplace of the
22 emergency paid sick time requirements.

23 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
24 secretary of the Louisiana Workforce Commission.

The original instrument and the following digest, which constitutes no part
of the legislative instrument, were prepared by Yoursheka George.

DIGEST

SCR 13 Original

2020 First Extraordinary Session

Carter

Requests the Louisiana Workforce Commission to provide information regarding the requirements of certain employers to provide paid sick time to employees who are unable to work due to the effects of COVID-19.
