

1 and

2 WHEREAS, the conference includes in the official forecast for the current and
3 ensuing fiscal years an estimate of the amount of certain dedicated funds and fees, by
4 agency, and certain self-generated revenues; and

5 WHEREAS, the conference does not include all dedicated funds nor fees and self-
6 generated revenues in their projections of money available for appropriation in each fiscal
7 year for the three-year period following the ensuing fiscal year; and

8 WHEREAS, the legislature desires that the conference include the amount of fees
9 and self-generated revenues estimated to be received, by agency, and all dedicated funds to
10 be included in the conference's projection of money available for appropriation in each fiscal
11 year for the three-year period following the ensuing fiscal year, commonly known as the
12 long-range forecast.

13 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
14 urge and request the Revenue Estimating Conference to consider including fees and self-
15 generated revenues and all dedicated funds in the conference's projection of money available
16 for appropriation in each fiscal year for the three-year period following the ensuing fiscal
17 year, commonly known as the long-range forecast.

18 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
19 members of the Revenue Estimating Conference for their consideration.

The original instrument and the following digest, which constitutes no part
of the legislative instrument, were prepared by Martha Hess.

SCR 96 Original

DIGEST
2019 Regular Session

Hewitt

To urge and request the Revenue Estimating Conference to consider including fees and self-generated revenues, by agency, and all dedicated funds in the conference's projection of money available for appropriation in each fiscal year for the three-year period following the ensuing fiscal year, commonly known as the long-range forecast.
