To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the passage of the accompanying bill:

An Act regarding residential habilitation.

PETITION OF:

NAME:

Theodore C. Speliotis

DISTRICT/ADDRESS:

13th Essex

HOUSE No. 01101

By Mr. Theodore C. Speliotis of Danvers, petition (accompanied by bill, House, No. 01101) of Theodore C. Speliotis that the Division of Medical Assistance provide coverage for residential habilitation services for individuals age sixty or older. Joint Committee on Elder Affairs.

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act regarding residential habilitation.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 118 E is hereby amended by adding after section 10F, the following new
2 section:--

3 Section 10G. The division shall provide coverage for residential habilitation services for
4 individuals age sixty or older, if such individual has been determined by the division to be
5 clinically eligible for long term care services, and requires said residential habilitation services in
6 order to remain living in the least restrictive setting appropriate to meet his needs in accordance
7 with section 6 of this chapter.

8 The term ‘residential habilitation’ shall mean ongoing services and supports provided to
9 beneficiaries in a residential setting that are designed to assist beneficiaries in acquiring,
10 maintaining, or improving the skills necessary to live in a community setting. Residential
11 habilitation provides beneficiaries with daily staff intervention including care, supervision, and

12 assistance in activities of daily living, instrumental activities of daily living, and community
13 integration in a residential setting qualified by the division with 24-hour staffing . Residential
14 habilitation may include the provision of medical and health-care services that are integral to
15 meeting the daily needs of beneficiaries.
