(2023-2024)**  
\_\_\_\_\_

An Act relative to the diagnosis and treatment of breast cancer.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1: Section 47G of Chapter 175 of the General Laws, as appearing in the 2012  
2   Official Edition, is hereby amended, in line 20, by striking the language after the word  
3   “examination” and inserting in place thereof the following language:-

4           (1) said benefits shall provide: (i) for a baseline mammogram, which may include  
5   tomosynthesis, for women between the ages of thirty-five and forty and for a mammogram on an  
6   annual basis, which may include tomosynthesis, for women forty years of age or older; (ii) in the  
7   case of a woman under forty years of age who has a family history of breast cancer or other  
8   breast cancer risk factors, a mammogram examination, which may include tomosynthesis, at  
9   such age and intervals as deemed medically necessary by the woman’s health care provider; (iii)  
10   ultrasound evaluation, magnetic resonance imaging scan or additional mammography testing,

11 which may include tomosynthesis, of an entire breast or breasts if the screening mammogram,  
12 screening ultrasound or MRI shows any abnormality where additional examination is deemed  
13 medically necessary by the radiologist or the patient's health care provider, (iv) screening breast  
14 ultrasound or screening breast magnetic resonance imaging examination if the patient has  
15 additional risk factors for breast cancer including, but not limited to, family history, prior  
16 personal history of breast cancer, positive genetic testing, heterogeneously or extremely dense  
17 breast tissue based on the Breast Imaging Reporting and Data System established by the  
18 American College of Radiology, or other indications as determined by the patient's health care  
19 provider, (v) for a diagnostic mammogram, which may include tomosynthesis, diagnostic breast  
20 ultrasound evaluation or breast magnetic resonance imaging scan if the patient has a history of  
21 breast cancer, (vi) for magnetic resonance imaging in place of, or in addition to, a mammogram  
22 when a mammogram is unable to detect cancers due to insufficient breast tissue as ordered by a  
23 patient's physician. Said benefits shall be exempt from any co-payment, co-insurance, deductible  
24 or dollar limit provisions in a policy or contract.

25 SECTION 2: Section 110 of Chapter 175 of the General Laws, as appearing in the 2012  
26 Official Edition, is hereby amended, in line 322, by striking the language after the word  
27 "examination" and inserting in place thereof the following language:-

28 : (1) said benefits shall provide: (i) for a baseline mammogram, which may include  
29 tomosynthesis, for women between the ages of thirty-five and forty and for a mammogram on an  
30 annual basis, which may include tomosynthesis, for women forty years of age or older; (ii) in the  
31 case of a woman under forty years of age who has a family history of breast cancer or other  
32 breast cancer risk factors, a mammogram examination, which may include tomosynthesis, at  
33 such age and intervals as deemed medically necessary by the woman's health care provider; (iii)

34 ultrasound evaluation, magnetic resonance imaging scan or additional mammography testing,  
35 which may include tomosynthesis, of an entire breast or breasts if the screening mammogram,  
36 screening ultrasound or MRI shows any abnormality where additional examination is deemed  
37 medically necessary by the radiologist or the patient's health care provider, (iv) screening breast  
38 ultrasound or screening breast magnetic resonance imaging examination if the patient has  
39 additional risk factors for breast cancer including, but not limited to, family history, prior  
40 personal history of breast cancer, positive genetic testing, heterogeneously or extremely dense  
41 breast tissue based on the Breast Imaging Reporting and Data System established by the  
42 American College of Radiology, or other indications as determined by the patient's health care  
43 provider, (v) for a diagnostic mammogram, which may include tomosynthesis, diagnostic breast  
44 ultrasound evaluation or breast magnetic resonance imaging scan if the patient has a history of  
45 breast cancer, (vi) for magnetic resonance imaging in place of, or in addition to, a mammogram  
46 when a mammogram is unable to detect cancers due to insufficient breast tissue as ordered by a  
47 patient's physician. Said benefits shall be exempt from any co-payment, co-insurance, deductible  
48 or dollar limit provisions in a policy or contract.

49 SECTION 3: Section 8J of Chapter 176A of the General Laws, as appearing in the 2012  
50 Official Edition, is hereby amended, in line 12, by striking the language after the word  
51 "examination" and inserting in place thereof the following language:-

52 : (1) said benefits shall provide: (i) for a baseline mammogram, which may include  
53 tomosynthesis, for women between the ages of thirty-five and forty and for a mammogram on an  
54 annual basis, which may include tomosynthesis, for women forty years of age or older; (ii) in the  
55 case of a woman under forty years of age who has a family history of breast cancer or other  
56 breast cancer risk factors, a mammogram examination, which may include tomosynthesis, at

57 such age and intervals as deemed medically necessary by the woman’s health care provider; (iii)  
58 ultrasound evaluation, magnetic resonance imaging scan or additional mammography testing,  
59 which may include tomosynthesis, of an entire breast or breasts if the screening mammogram,  
60 screening ultrasound or MRI shows any abnormality where additional examination is deemed  
61 medically necessary by the radiologist or the patient’s health care provider, (iv) screening breast  
62 ultrasound or screening breast magnetic resonance imaging examination if the patient has  
63 additional risk factors for breast cancer including, but not limited to, family history, prior  
64 personal history of breast cancer, positive genetic testing, heterogeneously or extremely dense  
65 breast tissue based on the Breast Imaging Reporting and Data System established by the  
66 American College of Radiology, or other indications as determined by the patient’s health care  
67 provider, (v) for a diagnostic mammogram, which may include tomosynthesis, diagnostic breast  
68 ultrasound evaluation or breast magnetic resonance imaging scan if the patient has a history of  
69 breast cancer, (vi) for magnetic resonance imaging in place of, or in addition to, a mammogram  
70 when a mammogram is unable to detect cancers due to insufficient breast tissue as ordered by a  
71 patient’s physician. Said benefits shall be exempt from any co-payment, co-insurance, deductible  
72 or dollar limit provisions in a policy or contract.

73 SECTION 4: Section 4I of Chapter 176B of the General Laws, as appearing in the 2012  
74 Official Edition, is hereby amended, in line 12, by striking the language after the word  
75 “examination” and inserting in place thereof the following language:-

76 : (1) said benefits shall provide: (i) for a baseline mammogram, which may include  
77 tomosynthesis, for women between the ages of thirty-five and forty and for a mammogram on an  
78 annual basis, which may include tomosynthesis, for women forty years of age or older; (ii) in the  
79 case of a woman under forty years of age who has a family history of breast cancer or other

80 breast cancer risk factors, a mammogram examination, which may include tomosynthesis, at  
81 such age and intervals as deemed medically necessary by the woman’s health care provider; (iii)  
82 ultrasound evaluation, magnetic resonance imaging scan or additional mammography testing,  
83 which may include tomosynthesis, of an entire breast or breasts if the screening mammogram,  
84 screening ultrasound or MRI shows any abnormality where additional examination is deemed  
85 medically necessary by the radiologist or the patient’s health care provider, (iv) screening breast  
86 ultrasound or screening breast magnetic resonance imaging examination if the patient has  
87 additional risk factors for breast cancer including, but not limited to, family history, prior  
88 personal history of breast cancer, positive genetic testing, heterogeneously or extremely dense  
89 breast tissue based on the Breast Imaging Reporting and Data System established by the  
90 American College of Radiology, or other indications as determined by the patient’s health care  
91 provider, (v) for a diagnostic mammogram, which may include tomosynthesis, diagnostic breast  
92 ultrasound evaluation or breast magnetic resonance imaging scan if the patient has a history of  
93 breast cancer, (vi) for magnetic resonance imaging in place of, or in addition to, a mammogram  
94 when a mammogram is unable to detect cancers due to insufficient breast tissue as ordered by a  
95 patient’s physician. Said benefits shall be exempt from any co-payment, co-insurance, deductible  
96 or dollar limit provisions in a policy or contract.

97 SECTION 5: Section 47G of Chapter 175 of the General Laws, as appearing in the 2012  
98 Official Edition, is hereby amended, in line 21, by striking out the word “women” and inserting  
99 in place thereof the word “patients”.

100 SECTION 6: Section 47G of Chapter 175 of the General Laws, as appearing in the 2012  
101 Official Edition, is hereby amended, in line 22, by striking out the word “women” and inserting  
102 in place thereof the word “patients”.

103 SECTION 7: Section 110 of Chapter 175 of the General Laws, as appearing in the 2012  
104 Official Edition, is hereby amended, in line 323, by striking out the word “women” and inserting  
105 in place thereof the word “patients”.

106 SECTION 8: Section 110 of Chapter 175 of the General Laws, as appearing in the 2012  
107 Official Edition, is hereby amended, in line 324, by striking out the word “women” and inserting  
108 in place thereof the word “patients”.

109 SECTION 9: Section 8J of Chapter 176A of the General Laws, as appearing in the 2012  
110 Official Edition, is hereby amended, in line 13, by striking out the word “women” and inserting  
111 in place thereof the word “patients”.

112 SECTION 10: Section 8J of Chapter 176A of the General Laws, as appearing in the 2012  
113 Official Edition, is hereby amended, in line 15, by striking out the word “women” and inserting  
114 in place thereof the word “patients”.

115 SECTION 11: Section 4I of Chapter 176B of the General Laws, as appearing in the 2012  
116 Official Edition, is hereby amended, in line 13, by striking out the word “women” and inserting  
117 in place thereof the word “patients”.

118 SECTION 12: Section 4I of Chapter 176B of the General Laws, as appearing in the 2012  
119 Official Edition, is hereby amended, in line 14, by striking out the word “women” and inserting  
120 in place thereof the word “patients”.

121 SECTION 13. Chapter 32A of the General Laws as amended by Chapter 403 of the Acts  
122 of 2012, is hereby amended by inserting after section 17K the following section:-

123           Section 17L. The commission shall provide to any active or retired employee of the  
124 commonwealth who is insured under the group insurance commission, coverage for the cost of a  
125 mastectomy and coverage for a minimum of 48 hours in-patient care.

126           SECTION 14. Chapter 175 of the General Laws as amended by Chapter 403 of the Acts  
127 of 2012, is hereby amended by inserting after section 47DD the following section:-

128           Section 47EE. Any policy of accident or sickness insurance delivered, issued or renewed  
129 in the commonwealth pursuant to this chapter shall provide coverage for the cost of a  
130 mastectomy and coverage for a minimum of 48 hours in-patient care.

131           SECTION 15. Chapter 176A as amended by Chapter 403 of the Acts of 2012, is hereby  
132 amended by inserting after section 8EE the following section:-

133           Section 8FF. Any contract between a subscriber and the corporation under an individual  
134 or group hospital service plan, which is issued or renewed within or without the commonwealth  
135 shall provide for coverage of the cost of a mastectomy and coverage for a minimum of 48 hours  
136 in-patient care.

137           SECTION 16. Chapter 176B of the General Laws in hereby amended by inserting after  
138 section 4FF the following section:-

139           Section 4GG. Any subscription certificate under an individual or group medical service  
140 agreement delivered or issued or renewed within the commonwealth shall provide for coverage  
141 of the cost of a mastectomy and coverage for a minimum of 48 hours in-patient care.

142           SECTION 17. Chapter 176G of the General Laws is hereby amended by inserting after  
143 section 4X the following section:-

144           Section 4Y. Any individual or group maintenance contract issued, renewed, or delivered  
145   within or without the commonwealth shall provide coverage for the cost of a mastectomy and  
146   coverage for a minimum of 48 hours in-patient care.
