

HOUSE No. 1145

The Commonwealth of Massachusetts

PRESENTED BY:

Claire D. Cronin

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act to protect children from detergent poisoning.

PETITION OF:

NAME:	DISTRICT/ADDRESS:
<i>Claire D. Cronin</i>	<i>11th Plymouth</i>
<i>Michelle M. DuBois</i>	<i>10th Plymouth</i>
<i>Marjorie C. Decker</i>	<i>25th Middlesex</i>
<i>Brian M. Ashe</i>	<i>2nd Hampden</i>

HOUSE No. 1145

By Ms. Cronin of Easton, a petition (accompanied by bill, House, No. 1145) of Claire D. Cronin and others relative to standards for the sale of liquid detergent packets. Public Health.

The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act to protect children from detergent poisoning.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 111 is hereby amended by inserting after Section 5S the following:

2 Section 5T. Definitions; standards for the sale of liquid detergent packets.

3 For the purpose of this section the following words shall, unless the context clearly
4 requires otherwise, have the following meanings:

5 “Detergent packet”, means a consumer product that consists of a detergent enclosed in a
6 water soluble outer layer.

7 “Liquid detergent packet” means a consumer product that consists of a substantially
8 liquid or gel detergent enclosed in a water soluble outer layer.

9 Not later than 120 days after the passage of this Act, the Department shall promulgate
10 regulations to establish safety standards for liquid detergent packets to protect children from
11 injury or illness caused by exposure to such packets. Such regulations shall include, but not be

12 limited to: standards to address the design and color of liquid detergent packets to make them
13 less attractive to children; reduce the likelihood of exposure to detergent; reduce risks related to
14 the ingestion or aspiration of, or ocular contact with, detergent and other potential injury risks of
15 liquid detergent packets; include standards to address the composition of liquid detergent packets
16 to make the consequences of exposure less severe; and prescribe warning labels that adequately
17 inform consumers of the potential risks of injury and death caused by liquid detergent packets,
18 which are conspicuous and visible at the point of sale, clarify hazard patterns, including known
19 consequences of such hazards; and identify actions needed to avoid injury.

20 No liquid detergent packet shall be distributed, sold, offered or exposed for sale at retail
21 or wholesale establishments unless it meets the requirements of this Act.
