[SIMILAR MATTER FILED IN PREVIOUS SESSION SEE [Refile Branch], NO. OF 2019-2020.]

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court (2021-2022)

An Act relative to epinephrine injectors.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- SECTION 1. Chapter 32A of the General Laws, as appearing in the 2018 Official
- 2 Edition, is hereby amended by inserting after section 17Q the following section:-
- 3 Section 17R. Any coverage offered by the commission to an active or retired employee of
- 4 the commonwealth insured under the group insurance commission shall provide coverage for the
- 5 appropriate weight-based dosage of epinephrine injectors. The benefits in this section shall not
- 6 be subject to any greater deductible, coinsurance, copayments or out-of-pocket limits than any
- 7 other benefit provided by the commission. For purposes of this section the term "epinephrine
- 8 injector" shall mean an auto-injector approved by the federal Food and Drug Administration for
- 9 the administration of epinephrine and a pre-filled syringe approved by the federal Food and Drug

Administration and used for the administration of epinephrine that contains a pre-measured dose of epinephrine that is equivalent to the dosages used in an auto-injector.

SECTION 2. Chapter 118E of the General Laws is hereby amended by inserting after section 10L the following section:-

Section 10M. The division and its contracted health insurers, health plans, health maintenance organizations, behavioral health management firms and third-party administrators under contract to a Medicaid managed care organization or primary care clinician plan shall provide coverage for the appropriate weight-based dosage of epinephrine injectors. An epinephrine injector prescribed in this section shall not be subject to any greater deductible, coinsurance, copayments or out-of-pocket limits than any other prescribed drugs provided by the division. For purposes of this section the term "epinephrine injector" shall mean an auto-injector approved by the federal Food and Drug Administration for the administration of epinephrine and a pre-filled syringe approved by the federal Food and Drug Administration and used for the administration of epinephrine that contains a pre-measured dose of epinephrine that is equivalent to the dosages used in an auto-injector.

SECTION 3. Chapter 175 of the General Laws is hereby amended by inserting after section 47KK the following section:-

Section 47LL. Any individual policy of accident or sickness insurance issued pursuant to this chapter shall provide coverage for the appropriate weight-based dosage of epinephrine injectors. An epinephrine injector prescribed in this section shall not be subject to any greater deductible, coinsurance, copayments or out-of-pocket limits than any other prescribed drug provided by the insurer. For purposes of this section the term "epinephrine injector" shall mean

an auto-injector approved by the federal Food and Drug Administration for the administration of epinephrine and a pre-filled syringe approved by the federal Food and Drug Administration and used for the administration of epinephrine that contains a pre-measured dose of epinephrine that is equivalent to the dosages used in an auto-injector.

SECTION 4. Chapter 176A of the General Laws is hereby amended by inserting after section 8MM the following section:-

Section 8NN. Any contract between a subscriber and the corporation under an individual group or hospital service plan that is delivered, issued or renewed within the commonwealth shall provide coverage for the appropriate weight-based dosage of epinephrine injectors. An epinephrine injector prescribed in this section shall not be subject to any greater deductible, coinsurance, copayments or out-of-pocket limits than any other prescribed drug provided by the insurer. For purposes of this section the term "epinephrine injector" shall mean an auto-injector approved by the federal Food and Drug Administration for the administration of epinephrine and a pre-filled syringe approved by the federal Food and Drug Administration and used for the administration of epinephrine that contains a pre-measured dose of epinephrine that is equivalent to the dosages used in an auto-injector.

SECTION 5. Chapter 176B of the General Laws is hereby amended by inserting after section 4MM the following section:-

Section 4NN. Any subscription certificate under an individual or group medical service agreement delivered, issued or renewed within the commonwealth shall provide coverage for the appropriate weight-based dosage of epinephrine injectors. An epinephrine injector prescribed in this section shall not be subject to any greater deductible, coinsurance, copayments or out-of-

pocket limits than any other prescribed drug provided by the insurer. For purposes of this section the term "epinephrine injector" shall mean an auto-injector approved by the federal Food and Drug Administration for the administration of epinephrine and a pre-filled syringe approved by the federal Food and Drug Administration and used for the administration of epinephrine that contains a pre-measured dose of epinephrine that is equivalent to the dosages used in an auto-injector.

SECTION 6. Chapter 176G of the General Laws is hereby amended by inserting after section 4EE the following section:-

Section 4FF. Any individual or group health maintenance contract shall provide coverage for the appropriate weight-based dosage of epinephrine injectors. An epinephrine injector prescribed in this section shall not be subject to any greater deductible, coinsurance, copayments or out-of-pocket limits than any other prescribed drug provided by the commission. For purposes of this section the term "epinephrine injector" shall mean an auto-injector approved by the federal Food and Drug Administration for the administration of epinephrine and a pre-filled syringe approved by the federal Food and Drug Administration and used for the administration of epinephrine that contains a pre-measured dose of epinephrine that is equivalent to the dosages used in an auto-injector.
