HOUSE No. 126

By Mrs. Lipper-Garabedian of Melrose, a petition (accompanied by bill, House, No. 126) of Kate Lipper-Garabedian and others relative to establishing a special commission (including members of the General Court) on blockchain and cryptocurrency. Advanced Information Technology, the Internet and Cybersecurity.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act establishing a special commission on blockchain and cryptocurrency.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. A special commission is hereby established for the purposes of making an
2 investigation relative to blockchain technology and cryptocurrency and to develop a master plan
3 of recommendations for fostering the appropriate expansion of blockchain technology and the
4 cryptocurrency industry in the Commonwealth.

5 SECTION 2. As used in this act, “blockchain” shall have the following meaning: a
6 mathematically secured, chronological and decentralized ledger or database.

7 SECTION 3. The commission shall consist of 20 members: the speaker of the house of
8 representatives or a designee who shall serve as co-chair; the minority leader of the house of
9 representatives or a designee; the president of the senate or a designee who shall serve as co-
10 chair; the minority leader of the senate or a designee; the senate and houses chairs of the joint
11 committee on economic development and emerging technologies; the senate and house chairs of

12 the joint committee on revenue; the senate and house chairs of the joint committee on financial
13 services; the attorney general or a designee; the chair of the cannabis control commission or a
14 designee; the commissioner of the department of revenue or a designee; the secretary of the
15 executive office of technology services and security or a designee; the secretary of public safety
16 and security or a designee and five persons to be appointed by the governor including one
17 appointee from a cryptocurrency company, one appointee from a cryptocurrency exchange, one
18 appointee of a company with a business model that uses blockchain for non-cryptocurrency
19 transaction purposes and two appointees representing institutions of higher education in the
20 commonwealth.

21 All appointments shall be made not later than 45 days after the effective date of this act.
22 The chairpersons shall meet with the commission not later than 90 days after the effective date of
23 this act.

24 SECTION 4. The commission shall be charged with examining the following:

25 (a) The feasibility, validity and admissibility as well as risks, including privacy risks,
26 and benefits of using blockchain technology in state and local government and Massachusetts-
27 based businesses; provided that, for the purposes of government use, the commission's
28 examination shall include but not be limited to consideration of government records and delivery
29 of services; court proceedings; statewide registries including for firearms, marijuana and opiates
30 and election nomination papers, voter records and election results; and provided further that, for
31 the purposes of business use, the commission's examination shall include but not be limited to
32 consideration of the advisability of allowing corporate records to be maintained using blockchain
33 technology, including any security requirements necessary to ensure their accuracy;

34 (b) The need for modifications to the definition of blockchain in this act and to
35 general law to effect the appropriate deployment of blockchain technology;

36 (c) The impact of the proliferation of the cryptocurrency industry on state revenues
37 and the need to restructure the commonwealth's tax framework, including the advisability of
38 taxing cryptocurrency transactions as part of the sales tax;

39 (d) The advisability of government agencies and relevant business enterprises,
40 including but not limited to cannabis retail stores, accepting payment in cryptocurrency;

41 (e) The feasibility of regulating the energy consumption associated with
42 cryptocurrency;

43 (f) The best practices for enabling blockchain technology and cryptocurrency
44 transactions to benefit the commonwealth, Massachusetts-based businesses, and Massachusetts
45 residents, including an examination of historical barriers to entry and participation in emerging
46 technologies and markets for individuals underrepresented in these industries and markets;

47 (g) The state agencies best equipped to provide oversight of blockchain technology
48 and the cryptocurrency industry; and

49 (h) Any other related topic which the commission may choose to examine in relation
50 to blockchain or cryptocurrency.

51 The commission shall take input from a broad range of stakeholders with a diverse range
52 of interests affected by state policies governing emerging technologies, privacy, business,
53 finance, the courts, the legal community, and state and local government.

54 SECTION 5. Not later than one year after all appointments to the commission have been
55 made, pursuant to section 3, the commission shall report to the general court the result of its
56 investigation and its master plan of recommendations to foster a positive blockchain and
57 cryptocurrency economic environment, together with drafts of legislation necessary to effect its
58 recommendations, by filing the same with the clerk of the house of representatives and the clerk
59 of the senate.
