(2021-2022)**  
—————

An Act further defining the purposes of the affordable housing trust in the city of Somerville.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. In addition to those powers conferred by G. L. c. 44, section 55 ( C ) (a), the  
2 purpose of the Somerville Affordable Housing Trust is 1) to fund housing related social service  
3 programs, including but not limited to, landlord-tenant mediation, legal services for tenants, case  
4 management, homelessness prevention, and housing counseling, and 2) to fund start-up costs for  
5 new affordable housing production initiatives. For the purpose of this section, such social service  
6 programs do not need to be associated with a physical asset consisting of housing for income  
7 eligible households, nor do such social services programs need to add a housing unit to the  
8 municipality’s affordable housing stock.

9           SECTION 2. This act shall take effect upon its passage.
