An Act relative to host community agreements.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- SECTION 1. Section 3 of chapter 94G of the General Laws, as appearing in the 2018
- 2 Official Edition, is hereby amended by striking out subsection (d) and inserting in place thereof
- 3 the following subsection:-
- 4 (d) (1) A marijuana establishment or a medical marijuana treatment center, as defined in
- 5 section 1 of chapter 94I, seeking to operate or continue to operate in a municipality which
- 6 permits such operation shall execute an agreement with the host community setting forth the
- 7 conditions to have a marijuana establishment or medical marijuana treatment center located
- 8 within the host community which shall include, but not be limited to, all stipulations of
- 9 responsibilities between the host community and the marijuana establishment or medical
- 10 marijuana treatment center.

The community impact fee shall encompass all payments and obligations, including, but not limited to, monetary payments, in kind contributions and charitable contributions by the marijuana establishment or medical marijuana treatment center to the municipality or any other organization pursuant to negotiations with the host community. Any other contractual financial obligation that is explicitly or implicitly a factor considered in or is a condition of an agreement shall not be enforceable; provided, however, that nothing shall preclude, nor require, a marijuana establishment or a medical marijuana treatment center from voluntarily providing organizations with in-kind contributions and charitable contributions after the execution of the host agreement.

- (3) Terms and conditions related to the community impact fee shall be severable. If a term or condition related to the community impact fee is invalidated by the commission, all remaining provisions of the agreement shall remain in full force and effect. No applicant, licensee, or holder of a provisional or final certificate of registration shall be denied a license, registration, renewal thereof by the commission on the sole basis of an agreement containing an invalid term or condition related to the community impact fee.
- (4) An agreement required by this subsection may be waived at the discretion of the host community with approval of the commission; provided, however, that the host community

- submits to the commission a written waiver executed by the host community and the marijuana establishment or medical marijuana treatment center.
 - (5) Any cost to a city or town imposed by the operation of a marijuana establishment or medical marijuana treatment center shall be documented and considered a public record as defined by clause Twenty-sixth of section 7 of chapter 4.
