The Commonwealth of Alassachusetts

In the One Hundred and Ninety-Second General Court (2021-2022)

An Act to improve the quality of mental health services, and rights of patients, by providing for sufficient privacy.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- SECTION 1. The Massachusetts General Laws are hereby amended by inserting the
- 2 following new chapter:
- 3 1.) An Act to improve the quality of mental health services, and rights of patients, by
- 4 providing for sufficient privacy.
- 5 2.) All individuals, who present themselves, for mental health services, and/or are
- admitted for such services, and/or assessment, shall be entitled to a specific private intake
- 7 room,

8	or physical space, where only they, medical staff, and relevant security, may hear any		
9	intake,		
10	and/or treatment conversations.		
11	3.) These provisions, may not be waivered, except in extreme emergency circumstances;		
12	which shall be specifically noted, and recorded in a medical record, and the reasons		
13	3 therefore,		
14	by responsible medical, and intake staff.		
15	4.) In the context, of significant, and substantial reductions in funding, for various		
16	medical services, including mental health services, it has occurred that patients being		
17 seen for			
18	intake, and/or treatment, have been seen in open wards, and/or emergency general		
9 settings,			
20	without privacy. This can have various effects, in denying privacy, diminishing the		
21 provision of			
22	needed information between medical staff, and actual or potential patients, and		
23	3 compromising		
24	important treatment discussions.		
25	5.) It is in the interests of public policy, that such inherent violations, of needed		
26	confidentiality, be reduced, and/or eliminated to the extent possible, by various measures		

6.) The Massachusetts Department of Public Health, and its Public Health Council
(PHC), are hereby authorized to develop, establish, and enforce the needed regulations, to
carry

out the intent of this legislation.
