An Act relative to water flow in the Central Plymouth County Water District.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 8 of chapter 371 of the acts of 1964 is hereby amended by adding  
2 the following words:-, or in the opinion of the department of agricultural resources or the water  
3 resources commission, the diversion of such waters would endanger the environmental health of  
4 the associated ponds and rivers.

5           SECTION 2. Section 9 of said chapter of said acts is hereby amended by adding the  
6 following paragraph:-

7                       Furthermore, Silver Lake, Monponsett Pond and Furnace Pond shall be managed  
8 at all times, unless prevented by drought, such that there is continuous flow provided to all the

- 9 out-flowing rivers, including Jones River, Stump Brook and Herring Brook, to support and
- 10 sustain their water quality as well as maintain the health and function of the ecosystem.
