41 (1) On July 31 of each fiscal year, based upon the rules provided by the Board of
42 Directors of the Neighborhood Safety and Opportunity Trust Fund and the findings of the cost
43 avoidance report referenced in subsection 3 (u), the Secretary of Administration and Finance shall

58 funds in the Neighborhood Safety and Opportunity Trust Fund may be used without regard to
59 fiscal year.

60 (b) There shall be a Board of Directors to consist of thirteen members to be appointed by
61 the Secretary of Housing and Economic Development, with the approval of the Governor. Said

75 absent from two regularly scheduled quarterly meetings in any one calendar year, the office of
76 such member may be declared vacant by the chairman. Upon notification by the chairman that a
77 vacancy exists, the Secretary of Housing and Economic Development shall appoint, with the

79 (c) The fund shall be under the direction, supervision and control of the commissioner of
80 neighborhood safety and opportunity, called the commissioner, who shall be appointed by the

90 of the General Laws, rules and regulations relating to the services provided by the commission.

91 (f) The commissioner may also appoint such other personnel as may be deemed
92 necessary for the efficient management of the fund.

93 (g) The total expenditure from the fund for administration, including salaries and benefits
94 of the commissioner and staff described in subsections (a) through (u) of this section, shall not
95 exceed 5% of the total amount disbursed by the fund in any given fiscal year.

96 (h) If an employee of the commonwealth or of a political subdivision, as defined in
97 section one of chapter thirty-two, shall be appointed to any such position, , and later, upon
98 conclusion of his service to the Trust Fund, be restored to his previously held civil service
99 position, such restoration shall be made without impairment of the employee's civil service
100 status or tenure under section 9A of chapter 30 and without loss of seniority, retirement or other

101 rights to which uninterrupted service in such position would have entitled the employee. During
102 the period of such appointment each person so appointed from a classified civil service position
103 shall be eligible to take any competitive promotional examination for which he would have
104 otherwise been eligible.

105 (i) The monies in the Neighborhood Safety and Opportunity Trust Fund shall be
106 appropriated for the purpose of righting an unbalanced economy by creating opportunities for job
107 training, job creation, and job placement for those who face high barriers to employment. The
108 target population is defined as any person who meets two or more of the following
109 characteristics: is under 25 years of age; is a victim of violence; is a veteran; does not have a
110 high school diploma (if over 18 years of age); has been convicted of a felony; has been
111 unemployed or has had family income below 250% of the federal poverty level for six months or
112 more; or lives in a census tract where over 20% of the population fall below the federal poverty
113 line.

114 (j) By September 15 of each fiscal year, the Secretary of Housing and Economic
115 Development shall publicly request proposals from private and public agencies regarding the use
116 of funds from the Neighborhood Safety and Opportunity Fund. Eligible programs shall exhibit a
117 model of creating employment opportunities for members of the target population, or, in the case
118 of programs serving a target population aged 20 years and under, may instead demonstrate a
119 model of building within such members the skills necessary for future employment. Such model
120 shall be supported by research and evaluation, and may include: transitional employment
121 programs; social enterprise; pre-apprenticeship or other training programs; school- or
122 community-based high school dropout prevention and re-engagement programs; cooperative and
123 small business development programs; and community-based workforce development programs.

124 Components of successful programs may include, but are not limited to: job training in both “soft
125 skills” and skills identified as lacking in growth industries; stipends or wage subsidies; serving as
126 employer of record with private employers; case management; cognitive behavioral therapy; and
127 supports such as child care vouchers or transportation assistance. The Trust may give priority to
128 programs that include access to services such as addiction treatment and trauma-informed mental
129 health care as relevant to the Trust’s mission, but such services by themselves are not eligible to
130 be funded by the Trust. Training programs that do not include a strong presumption of full
131 employment by a specific employer, or entry into a bona fide apprenticeship program recognized
132 by the Commonwealth of Massachusetts, upon successful completion by each participant shall
133 not be eligible for funding; provided that high school dropout prevention and re-engagement
134 programs need not include said presumption. Eligible employment programs must engage
135 participants in employment at a living wage and may use funds from the Trust to provide a wage
136 subsidy for up to 24 months in order to achieve that goal

137 (k) An employer may not employ an individual for a position funded under this Act, if--

138 (1) employing such individual will result in the layoff or partial displacement (such as a
139 reduction in hours, wages, or employee benefits) of an existing employee of the employer; or

140 (2) such individual will perform the same or substantially similar work that had

141 previously been performed by an employee of the employer who has been laid off or partially

142 displaced (as such term is described in subclause (1); and has not been offered by the employer

143 to be restored to the position the employee had immediately prior to being laid off or partially

144 displaced.

145 (3) An individual may not be hired for a position funded under this Act in a manner that
146 infringes upon the promotional opportunities of an existing employee (as of the date of such
147 hiring) of an employer receiving funds under this Act.

148 (1) Any employer that employs an individual whose employment is funded under a grant
149 from the Trust shall--

150 (1) continue to employ such individual for not less than 12 months, subject to the
151 individual's satisfactory performance of the reasonable requirements of the individual's
152 employment;

153 (2) if such an individual desires full-time employment, employ such individual for not
154 less than 35 hours per week and not more than 40 hours, and if such an individual desires part-
155 time work, employ such individual for a mutually agreed number of hours per week that is less
156 than 35 hours per week;

157 (3) comply with responsible contractor standards, as determined by the relevant official
158 in the unit of local government;

159 (4) provide compensation to such individual on a per hour basis equal to the
160 compensation provided to public sector employees who perform similar work in the community
161 where such individual is employed or, if no public sector employees perform such similar work,
162 provide compensation to such individual that is comparable to the compensation provided to
163 private-sector employees who perform similar work in the community where such individual is
164 employed;

165 (5) if such employment is in construction, provide compensation to any laborer or
166 mechanic employed under the grant at rates not less than those prevailing on similar construction
167 in the locality

168 (m) No individual whose employment is funded under the grant may work for an
169 employer at which a collective bargaining agreement is in effect covering the same or similar
170 work, unless--

171 (1) the consent of the union at such employer is obtained; and

172 (2) negotiations have taken place between such union and the employer as to the terms
173 and conditions of such employment.

174 (n) The existence of a felony record shall not be a barrier to hiring, training, or otherwise
175 engaging a participant in employment under this Act, unless the specific conditions of
176 employment and the nature of a specific charge on the criminal record combine so as to present a
177 clear risk to the safety of a vulnerable population. Employers who do not follow such a policy
178 shall not be eligible to receive funds or benefit from wage subsidies under this Act.

179 (o) Recipients of grants under the Neighborhood Safety and Opportunity Trust Fund shall
180 comply with data collection and evaluation requirements as established by the commissioner, to
181 ensure the effectiveness of programs funded under this Act.

182 (p) All contracts granted by the Neighborhood Safety and Opportunity Trust Fund will
183 include reporting on outcomes related to the recidivism, employment attainment/re-attainment,
184 and/or educational attainment, as appropriate, of participants served. The Board of Directors

185 shall create the rules associated with requests for proposals that prioritize the attainment and
186 performance measurement of all outcomes listed above.

187 (q) Every three years, the Auditor shall conduct an audit of the grant programs operated
188 by the agencies specified in paragraph (a) to ensure the funds are disbursed and expended solely
189 according to this chapter and shall report his or her findings to the Legislature and the public.

190 (r) Any costs incurred by the Auditor and the Secretary of Administration and Finance in
191 connection with the administration of the Neighborhood Safety and Opportunity Trust Fund,
192 including the costs of the calculation required by subsection a(1) and the audit required by
193 subsection 3(s) shall be deducted from the Neighborhood Safety and Opportunity Trust Fund
194 before grants are disbursed pursuant to subsection 3(g).

195 (s) The Board of Directors shall develop rules and regulations for calculating the savings
196 resulting in all measures related to Sections 1-42, which shall account at a minimum for the
197 variable costs averted, such as food and medical expenses, and also consider fixed expenditures
198 that are avoided if larger numbers of potential inmates are avoided; The Board of Directors, with
199 approval from the Secretary of Administration and Finance, shall determine the rules associated
200 with appropriating all monies into the Neighborhood Safety and Opportunity Fund based upon
201 all savings. The Board of Directors shall contract with a third party agency that has experience in
202 the provision of criminal justice cost avoidance analyses for states, that will provide a report
203 summarizing all savings, both actual and best available forecasted estimates based upon the
204 calculation rules set forth by the Board of Directors. Such Annual Cost Avoidance Report will be
205 delivered to the Secretary of Administration and Finance within 30 days of the ending of each
206 fiscal year.
