An Act relative to cost of living adjustments for retired public employees of the Commonwealth.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 22C of Chapter 32 of the General Laws, as appearing in the 2010
2 Official Edition, is amended by striking out in line 29 the number “23” and inserting in place
3 thereof the following number:— 26.

4 SECTION 2. Section 22D of said Chapter 32, as appearing in the 2010 Official Edition,
5 is amended by inserting in line 32 after the word “approve” the following words:—provided
6 further, however, that in the event that a system has accepted the provisions of paragraph (j) of
7 Section 103, the funding schedule, and any updates thereto, shall be designed to reduce the
8 unfunded actuarial liability of said system to zero as of such year, that may be subsequent to June
9 30, 2028, as the commission shall approve.

10 SECTION 3. Paragraph (c) of Section 102 of said Chapter 32, as appearing in the 2010
11 Official Edition, is amended by striking out in lines 32, 36 and 43 the dollar amount “\$13,000”
12 and inserting in place thereof the following dollar amount:—\$16,000.

13 SECTION 4. Section 103 of said Chapter 32 is amended by inserting the following new
14 paragraph:—

15 (j) Notwithstanding the provisions of paragraph (a) to the contrary, the board of any
16 system may, by accepting the provisions of this paragraph as hereinafter provided, elect to pay a
17 cost-of-living adjustment on a base amount greater than \$12,000. Acceptance of this paragraph
18 shall be by a majority vote of the board of such system, subject to the approval of the legislative
19 body. For the purpose of this paragraph, “legislative body” shall mean, the city council in
20 accordance with its charter, in the case of a town, the town meeting, in the case of a county or
21 region, the county or regional retirement board advisory council, in the case of a district, the
22 district members, and, in the case of an authority, the governing body. Acceptance of this
23 paragraph shall be deemed to have occurred upon the filing of the certification of such vote with
24 the commission. A decision to accept the provisions of this paragraph may not be revoked.
25 Notwithstanding the provisions of subdivision (6A) of Section 22 or Section 22D to the contrary,
26 for each system that has accepted the provisions of this paragraph, the board, in consultation with
27 the commission, shall prepare a funding schedule which shall reflect the costs and the actuarial
28 liabilities attributable to the cost of living allowance that may be paid in accordance with the
29 provisions of this paragraph and said schedule shall be designed to reduce the applicable
30 retirement system’s pension liability to zero by such year, that may be subsequent to June 30,
31 2028, as approved by the commission.

32 The board shall file revised funding schedules triennially with the joint committee on
33 public service until such costs and liabilities are reduced to zero.

34 SECTION 5. The provisions of sections one and three of this act shall take effect for cost
35 of living adjustments to be made, in accordance with the provisions of Section 102 of said

37 SECTION 6: Subdivision (3) of section 21 of Chapter 32 is hereby amended by striking
38 out paragraph (f) and inserting in place thereof the following paragraph:

39 (f) the preparation and filing with the general court, of a report, annually, in the month of
40 January, on the computation of any increase in the United States Consumer Price Index and the
41 percentage thereof in the previous year by the Commissioner of Social Security, including a
42 statement that such increase in said Consumer Price Index during the last previous year requires
43 a cost of living increase in the retirement allowances, pensions or annuities of eligible members,
44 as defined in sections 102 and 103, equal to the percentage increase in the Consumer Price Index
45 or 3 per cent, whichever is greater.

46 SECTION 7: Section 102 of Chapter 32 is hereby amended by striking out paragraph (a)
47 and inserting in place thereof the following paragraph:

48 (a) The actuary in the commission shall annually in the month of January file with the
49 clerk of the house of representatives the report prepared in accordance with paragraph (f) of
50 subdivision (3) of section 21. The retirement allowance, pension or annuity of every member of
51 the state employees' system and the teachers' retirement system who has received a retirement

53 beneficiary of such member who has received a retirement allowance, pension or annuity on

54 June 30 of the prior fiscal year, shall be increased by the percentage as determined by the
55 actuary's report; provided that notwithstanding the actuary's report the cost of living increase
56 shall be at least three percent. The cost of living adjustment shall be applied each July 1. Said
57 cost of living increase shall be funded from the investment income account of the state
58 employees' and state teachers' systems. The sum of the dollar amount of each cost of living
59 increase, together with the amount of retirement allowance, pension or annuity to which the cost
60 of living per cent factor is applied, shall become the fixed retirement allowance, pension or
61 annuity for all future purposes, including the application of subsequent cost of living adjustments
62 in future years.

63 SECTION 8. Section 102 is hereby amended by adding after paragraph (c) the following
64 clauses:

65 (i) In any case as of June 30, 2010 but prior to June 30, 2016 where such former

86 five percent of the maximum social security benefit. Whenever a cost of living adjustment is
87 granted pursuant to said paragraph (a), the dollar amount of such increase as determined in said
88 paragraph (a) shall be added to each retirement allowance, pension or annuity which is in excess
89 of said maximum base amount. The sum of the dollar amount of such cost of living adjustments,
90 together with the amount of retirement allowance, pension or annuity to which the cost of living
91 per centum factor is applied and any amounts in excess of said seventy-five percent of the
92 maximum social security benefit shall become the fixed retirement allowance, pension or annuity
93 for all future purposes including the application of subsequent cost of living adjustments in
94 future years; provided, however, that the limitations of this paragraph shall continue to apply.

95 (iii) In any case as of June 30, 2020 but prior to June 30, 2024 where such former

102 to said paragraph (a), the dollar amount of such increase as determined in said paragraph (a) shall
103 be added to each retirement allowance, pension or annuity which is in excess of said maximum
104 base amount. The sum of the dollar amount of such cost of living adjustments, together with the
105 amount of retirement allowance, pension or annuity to which the cost of living per centum factor
106 is applied and any amounts in excess of said eighty-five percent of the maximum social security

108 including the application of subsequent cost of living adjustments in future years; provided,
109 however, that the limitations of this paragraph shall continue to apply.

110 (iv) In any case as of June 30, 2024 but prior to June 30, 2028 where such former
111 employee, spouse, or other beneficiary is receiving an annual retirement allowance, pension or

123 including the application of subsequent cost of living adjustments in future years; provided,
124 however, that the limitations of this paragraph shall continue to apply.

125 (v) In any case as of June 30, 2028 where such former employee, spouse, or other
