The Commonwealth of Massachusetts

In the One Hundred and Eighty-Ninth General Court
(2015-2016)

An Act relative to the modernization of boat registration and marine vessels.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 60B of the General Laws, as appearing in the 2012 Official
2 Edition, is hereby amended by striking out sections 1 through 6 and inserting in place thereof the
3 following new sections:-

4 Section 1. As used in this chapter, the following words shall, unless the context clearly
5 requires otherwise, have the following meanings:

6 “Director”, the director of the division of law enforcement of the department of fisheries,
7 wildlife and environmental law enforcement.

8 “Habitually moored or docked”, the place where the owner has usual mooring or dockage
9 during July and August for the summer season.

10 “Principally situated”, for a registered ship or vessel where it is registered, and for a non
11 registered ship or vessel, whether documented or not, the city or town in Massachusetts where it
12 is principally located during the year.

13 “Vessel”, every watercraft, including documented boats and ships, used or capable of
14 being used as a means of transportation on water, and includes all equipment, including mode of
15 power, and furnishings that are normally required aboard the vessel during accomplishment of
16 the functions for which the vessel is being utilized.

17 Section 2. (a) Except as hereinafter provided there shall be assessed and levied by each
18 city and town in each fiscal year on every vessel, regardless of registration of origin and its
19 equipment, for the privilege of using the waterways of the commonwealth, an excise measured
20 by the value thereof, as hereinafter defined and determined, at the rate of 10 dollars per 1000 of
21 valuation.

22 (b) Any person who owns such a vessel on July 1 shall annually, on or before September
23 1, make a return on oath to the assessors of the city or town where such vessel is habitually
24 moored or docked or in the case of a vessel which has no mooring or docking space, where said
25 vessel is principally situated, setting forth the vessel’s registration or documentation number, if
26 any; an adequate description, and the place of habitual mooring or docking or other principal
27 location of said vessel.

28 (c) For the purpose of computing the excise under this chapter, the value of each vessel,
29 and its equipment, including any engine or motor used to propel said vessel, shall be deemed to
30 be the fair cash value as determined by the assessors of each city and town, but not in excess of
31 the following values:-

32 Valuation of vessels		
33 Length of vessel	Under 4 years of age	4 thru 6 years of age
34 7 years or more		

35	Under 16'	\$1,000	\$700	\$400

51		\$20,500		
52	60' or over	\$50,000	\$33,000	
53		\$24,800		

54 Length of vessel shall mean overall center line length excluding bowsprits, boomkins and
55 similar extensions.

56 (d) The payment of such excise shall exempt such owner from any other tax applicable to
57 said vessels and their equipment under chapter 59.

58 (e) If an owner fails to make such a return within the time herein provided, the assessors
59 may abate the tax otherwise imposed by this chapter if such owner provides the assessors with a
60 reasonable excuse for failure to file such return and if the return is filed on or before October 31
61 of the year in which the tax is assessed; but no abatement hereunder shall reduce the tax
62 otherwise imposed to an amount less than the sum of the excise imposed by this section plus 50
63 per cent thereof.

64 (f) Said excise shall be assessed in the city or town where the vessel is habitually moored
65 or docked, or in the case of a ship or vessel which has no mooring or docking space, where the
66 ship or vessel is principally situated; provided, however, that if more than 1 municipality owns
67 property in a harbor, the municipality which maintains such harbor in which the vessel is
68 habitually moored, docked or situated shall assess and collect said excise; and provided, further,
69 that where more than 1 municipality maintains portions of the harbor, the municipality which
70 maintains that portion of the harbor in which the vessel is habitually moored, docked or situated
71 shall assess and collect said excise.

72 (g) Nothing in this section shall be construed to prevent the board of assessors from
73 granting an abatement in any case in which the excise aforesaid is, in the opinion of the board,
74 excessive. No abatement under this section shall reduce any excise to less than 5 dollars; no

75 abatement shall be granted in an amount less than 5 dollars and no refund shall be paid in an
76 amount less than 5 dollars.

77 (h) If during any fiscal year ownership of a vessel subject to an excise under this chapter
78 is transferred by sale or otherwise and the registration of such vessel is surrendered, or if during
79 any fiscal year the owner of a vessel subject to such an excise removes to another state and
80 registers a vessel in such other state and surrenders or does not renew his registration in this
81 state, the excise under this chapter shall be reduced, upon application, by an abatement equal to
82 the proportion of an excise under this chapter on such vessel for the full fiscal year which the
83 number of months in said year remaining after the month in which such transfer by sale or
84 otherwise or such surrender or expiration of registration occurs bears to 12.

85 (i) All sums received from the excise imposed under this chapter shall be paid into the
86 treasury of the city or town and 50 per cent of said excise shall be credited to the municipal
87 waterways improvement and maintenance fund established under section 5G of chapter 40.

88 Section 3. The excise imposed by this chapter shall not apply to vessels described in
89 section 8 of chapter 59 and in section 67 of chapter 63; to vessels owned by the commonwealth
90 or any political subdivision thereof; to law enforcement vessels; to vessels under construction; to
91 ferries; to boats, fishing gear and nets, with a value of 50 thousand dollars or less, owned and
92 actually used by the owner in the prosecution of his business if engaged in commercial fishing
93 and if no less than 50 per cent of his income is from commercial fishing; nor to other vessels
94 with a value of 1 thousand dollars or less. Said exemptions shall not subject said vessels and their
95 equipment to any other tax under chapter 59.

96 Section 4. The board of assessors, upon assessing the excise imposed by this chapter,
97 shall commit the same to the collector of taxes with their warrant for the collection thereof. The
98 collector of taxes shall seasonably notify the owner of the excise assessed and the due date, but
99 failure to receive notice shall not affect the validity of the excise. Said excise shall be due and
100 payable at the expiration of 60 days from the date upon which the notice was issued by the
101 collector pursuant to this chapter.

102 Failure to pay said excise by the due date shall result in a penalty being imposed which
103 shall be equal to 20 dollars or 20 per cent of the amount of the excise due, whichever is greater.
104 The penalty shall be in addition to the amount of excise due and any interest thereon imposed by
105 law. If said excise remains unpaid after the due date, the harbormaster of a city or town shall
106 refuse to allow the vessel to moor, dock, or otherwise be situated within the waterways of said
107 city or town. All sums received from said penalty shall be credited to the municipal waterways
108 improvement and maintenance fund established under section 5G of chapter 40.

109 Section 5. The provisions of law relative to the collection, payment, abatement,
110 verification and administration of the motor vehicle excise imposed under chapter 60A shall so
111 far as pertinent apply to the excise imposed under this chapter.

112 Section 5A. No owner of a vessel shall be issued a registration decal or certificate of
113 number, or renewal of such decal or certificate, under sections 2A and 3 of chapter 90B unless
114 the owner has included with the application for such decal or certificate proof of payment of the
115 full amount of the excise assessed for the prior fiscal year for any vessel for which the owner has
116 a decal or certificate on July 1 of such year. Upon failure of the applicant to provide such proof
117 of payment, or receipt of such other notice of non-payment made by the local tax collector that

118 the director may determine, the director shall place the matter on record and not issue or renew a
119 registration decal or certificate of number for any vessel owned by the person to whom the
120 unpaid excise tax was assessed until after notice from the local tax collector that the matter has
121 been disposed of in accordance with law. The provisions of section 2A of chapter 60A shall
122 apply to any notifications of non-payment made by the local tax collector.

123 Section 6. The director shall annually, on or before October 1, transmit to the board of
124 assessors of each city and town a list of all ships or vessels which were documented or registered
125 on the immediately preceding July 1. The list shall include for each vessel, the name and
126 residential address of the owner, if an individual, or name and principal place of business, if a
127 corporation, partnership or other entity, the city or town in which the vessel is habitually moored
128 or docked, the name of the manufacturer, the year of manufacture as designated by the
129 manufacturer, the model type, the length, the horsepower of the engine or motor used to propel
130 the vessel, the document number or certificate of number and the value as determined by the
131 commissioner. The director may require from the owner such information as may be necessary
132 for purposes of this chapter.

133 SECTION 2. Chapter 90B of the General Laws, as appearing in the 2010 Official
134 Edition, is hereby amended by inserting after section 2 the following section:-

135 Section 2A. The owner of a vessel, which has a valid marine document issued by the
136 Bureau of Customs of the United States or any federal agency successor thereto and is
137 homeported in the commonwealth or maintained in commonwealth waters by a resident of the
138 commonwealth, shall apply to the director on a form prescribed him for a registration decal or
139 renewal thereof. The application shall be signed by the owner of the vessel and submitted to the

140 director together with a fee, as determined annually by the commissioner of administration under
141 the provision of section 3B of chapter 7.

142 The registration decal shall be displayed, so as to be visible to any law enforcement
143 officer, on the upper left section of the transom while facing the transom.

144 Registration decal information for such documented vessels shall be maintained by the
145 department and transmitted to the board of assessors of each city and town for the purposes of
146 assessing the excise imposed by chapter 60B.

147 This section shall not apply to owners of vessels documented for commercial use.

148 SECTION 3. Section 3 of Chapter 90B of the General Laws, as appearing in the 2010
149 Official Edition, is hereby amended by adding the following subsection:-

150 (l) Registration information for such motorboats shall be maintained by the department
151 and transmitted to the board of assessors of each city and town for the purposes of assessing the
152 excise imposed by chapter 60B.

153 SECTION 4. This act shall apply to excises assessed for any fiscal year beginning on or
154 after July 1, 2016.
