An Act to modernize the renewable energy property tax exemption.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 5 of said Chapter 59, as appearing in the 2014 Official Edition, is
2 hereby amended by striking out clause Forty-fifth, in lines 1496 to 1501 and inserting in place
3 thereof the following clause:-

4 Forty-fifth, any solar powered water heating system.

5 SECTION 2. Said Section 5 of Chapter 59 is further amended by inserting after clause

8 not greater than 60 kilowatts.

9 Forty-fifth C, any solar or wind powered system having an electricity generating capacity
10 greater than 60 kilowatts to the extent of 85% of the appraised value of the system, provided,

13 with the municipality in which such system is sited, and said company shall be exempt from
14 property taxes, in whole or in part, as provided in any such agreements during the terms thereof.
15 Any such agreement shall be the result of good faith negotiations and shall be the equivalent of

24 Forty-fifth D, an exemption under this clause forty-fifth shall be allowed only for a
