The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Third General Court
(2023-2024)**

An Act to protect historic buildings from fire.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 62 of the General Laws, as appearing in the 2020 Official Edition, is hereby
2 amended by inserting after Section 6P, the following section:

3 Section 6O. Historic Building Fire Prevention Tax Credits.

4 (a) There is hereby established a historic building fire prevention tax credit. A person,
5 firm, partnership, trust, estate, limited liability company, or other entity subject to the income tax
6 imposed by the provisions of this chapter or chapter 63 of the General Laws shall be allowed a
7 credit, to be computed as hereinafter provided, against taxes owed to the commonwealth under
8 chapter 62 or chapter 63 toward the cost of the installation of a fire protection sprinkler system,
9 as defined in section 81 of chapter 146 of the General Laws, in a qualified historic structure, as
10 defined in section 6J of chapter 62 of the General Laws.

11 (b) The credit allowed under this section shall be equal to 50 percent of the costs incurred
12 installing said system, with a maximum credit of \$10,000 per taxpayer in any fiscal year. The

13 Massachusetts fire Prevention regulations board shall determine the criteria for eligibility for the
14 credit, the criteria to be set forth in regulations promulgated under this section. The credit
15 allowable under this section shall be allowed for any taxable year until 2031.

16 (c) Tax credits allowed under this section shall be allowed for the taxable year in which
17 the costs are incurred; provided, however, that a tax credit allowed under this section shall not
18 reduce the tax owed below \$0. A taxpayer allowed a credit under this section for a taxable year
19 may carry over and apply against such taxpayer's tax liability in any of the succeeding 5 taxable
20 years, the portion, as reduced from year to year, of those credits which exceed the tax for the
21 taxable year.
