The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act allowing disabled retirees to return to work.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 8 of Chapter 32 of the General Laws is hereby amended by
2 inserting the following new subsection at the end thereof:

3 Section 8A. A member retired under the provisions of sections 6, may, in place of the
4 benefit provided thereunder, upon written application, on a form prescribed by the commission
5 and filed with the board, elect to receive a benefit pursuant to the provisions of this section. The
6 normal yearly retirement allowance for a member who so elects shall be computed by
7 multiplying two and one-half percent of the regular compensation upon which the benefit under
8 Section 6 was based, by the number of years and full months of creditable service in effect for
9 the member at the time of the member’s retirement plus the number of years and full months
10 between the date of retirement and the date of election, plus the accrued amount of any cost of
11 living adjustments granted under section 102 or 103 of this chapter. Such total normal yearly
12 amount of retirement allowance, as determined in accordance with the provisions of this section,

13 shall not exceed the total yearly retirement allowance paid to the member at the time of
14 application for conversion under this section, provided however, any reduction resulting from a
15 modification made under clause (3) of section 8 or section 91A shall not be considered in the
16 calculation of the total normal yearly amount of retirement allowance.

17 Upon making the election provided herein the member and the retirement allowance
18 shall, for purposes of this chapter, be treated as if retirement had taken place pursuant to section
19 5, provided, however, that the member shall be subject to the provisions of clause (3) of section 8
20 or section 91A for periods prior to the election under this section. A member electing a benefit
21 under this section may elect to have the allowance paid in accordance with the terms of option
22 (a), option (b) or option (c) of subdivision (2) of section 12, provided however, in no event shall
23 benefits be paid, to the same beneficiary or to separate beneficiaries, pursuant to the provisions
24 of both said option (b) or option (c) and section 9. In the event that a member elects not to
25 receive benefits pursuant to this section and was unable to provide any annual allowance to be
26 paid his widow at the time of his death, such widow would be entitled to receive benefits under
27 section 9 or 101 of this chapter.

28 This section shall take effect for the members of a retirement system of any other
29 political subdivision by a majority vote of the board of such system and by the local legislative
30 body. For the purpose of this paragraph, a vote of the legislative body shall take place in the
31 following manner: in a city, by a vote of the city council subject to its charter; in a town, by a
32 vote at a town meeting; in a county, by a vote of the county retirement board advisory council; in
33 a region, by a vote of the regional retirement board advisory council; in a district, by a vote of
34 the district members; and for an authority, by a vote of its governing body. Acceptance shall be
35 deemed to have occurred upon the filing of a certification of such vote with the commission.
