The Commonwealth of Massachusetts

**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**

An Act establishing a special commission to identify opportunities to improve the efficiency and effectiveness of state agencies, programs and services.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 There shall be a special commission to study and make recommendations concerning
2 functional overlaps and other redundancies among state agencies and opportunities to promote
3 efficiency and accountability in state government. The commission shall consist of 17 members:
4 3 of whom shall be appointed by the speaker of the house; 2 of whom shall be appointed by the
5 house minority leader; 3 of whom shall be appointed by the senate president; 2 of whom shall be
6 appointed by the senate minority leader; 1 of whom shall be appointed by the state auditor; 1 of
7 whom shall be appointed by the state treasurer; and 5 of whom shall be appointed by the

8 governor. The speaker of the house and the senate president shall determine which 2 members
9 of the commission shall serve as co-chairpersons.

10 The commission shall identify ways to eliminate overlaps and redundancies among state
11 agencies and make such other recommendations as the commission deems appropriate, with the
12 goal of reducing costs to the state and enhancing the quality and accessibility of state services to
13 the public. The commission shall consider merging or consolidating state agencies and programs
14 if such action would reduce costs without adversely impacting the quality of services. The
15 commission shall also seek to identify opportunities to maximize revenues, such as federal grants
16 and matching funds.

17 The commission may hold hearings and invite testimony from experts and the public.
18 The commission shall review and identify best practices learned from similar efforts in other
19 states, such as the state of Connecticut's commission on enhancing agency outcomes which
20 reported its findings and recommendations in December of 2010.

21 The agency head and staff of each state agency under consideration by the commission
22 shall ensure that any data, information or materials that the commission requests for purposes of
23 its review and deliberations are provided to the commission in a timely manner.

24 Members of the commission shall be named and the commission shall commence its
25 work within 60 days of the effective date of this act. The commission shall report to the general
26 court the results of its investigation and study, and recommendations, if any, together with drafts
27 of legislation necessary to carry its recommendations into effect by filing the same with the
28 clerks of the senate and the house of representatives on or before January 2, 2016. The clerks of
29 the house and senate shall make the report available to the public through the internet.
