HOUSE No. 3148

By Representative Cahill of Lynn, a petition (accompanied by bill, House, No. 3148) of Daniel Cahill relative to Class II renewable energy credits. Telecommunications, Utilities and Energy.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Third General Court
(2023-2024)**

An Act addressing Class II renewable energy credits.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 11F of Chapter 25A of the General Laws, as appearing in the 2018 Official
2 Edition, is hereby amended by adding at the end of subsection (e) the following:-

3 Provided however, every energy retail supplier shall provide Massachusetts end-use
4 customers a minimum requirement of 3.8 per cent of kilowatt-hour sales of energy attributes
5 from Class II non-waste-to-energy generation, as described in subsection (d), for supply
6 contracts starting, or renewed, on and after January 1, 2023. Beginning in 2023, the department
7 shall annually conduct an analysis and reset the energy retail supplier’s minimum requirement of
8 Class II non-waste-to-energy generation attributes for new or renewed retail supplier contracts in
9 the calendar year following each annual review, to ensure and promote the continued operation
10 of existing energy generating resources that meet the requirements of said subsection (d), but at
11 no time shall the minimum percentage requirement for energy retail suppliers be set lower than
12 3.8 per cent.
