The Commonwealth of Massachusetts

—————
In the Year Two Thousand Eleven
—————

An Act making appropriations for the fiscal year 2011 to provide for supplementing certain existing appropriations and for certain other activities and projects.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 June 6, 2011

2 To the Honorable Senate and House of Representatives:

3 I am filing for your consideration a bill entitled “An Act Making Appropriations for the
4 Fiscal Year 2011 to Provide for Supplementing Certain Existing Appropriations and for Certain
5 Other Activities and Projects.”

6 The legislation I am filing includes supplemental funding requests totaling \$52.2 million
7 (\$48.6 million after accounting for offsetting revenues), including the following:

- 8 • \$10 million for a reserve to fund emergency response costs for the June 1 storms

- 9 • \$10 million in grants and investments to reduce youth violence across the
10 Commonwealth
- 11 • \$12 million for a reserve to mitigate deficiencies at various sheriffs' offices
- 12 • \$10 million for estimated child care caseload deficiencies
- 13 • \$1.2 million to support one-time staging costs in line with reforms in the state's family
14 homelessness programs
- 15 • \$500,000 for the Commonwealth Corps, including language for administration of this
16 program by the Massachusetts Service Alliance

17 In addition, this legislation includes funding corresponding to recently ratified collective
18 bargaining agreements with the following organizations:

- 19 • UMASS Amherst Council 93 Local 1776
- 20 • Local S-28, International Association of Fire Fighters
- 21 • Essex County Correction Officer Association

22 As noted I am requesting that you fund a \$10 million reserve for emergency response costs for
23 the June 1 storms affecting a number of communities in the western and central regions of the
24 state. In addition, I am re-filing language that I requested in my FY12 budget proposal that
25 would allow me to temporarily utilize Rainy Day funds for the purposes of funding emergency
26 response costs. The reserve and this language are essential tools to ensure that the state can fund
27 all such costs, particularly at a time of year such as now when most agency budgets are fully
28 committed and agencies must scramble to identify resources for response efforts.

29 I also propose to allow communities to expedite emergency borrowings by eliminating the
30 requirement for approval from the municipal legislative body and the Municipal Finance
31 Oversight Board (MFOB) for short-term borrowing in the event of an emergency, and by
32 allowing emergency borrowing for capital purposes for a longer term with the approval of the
33 MFOB. Additionally, communities that have not adopted the local option alternate property tax
34 assessment date could provide fiscal year 2012 property tax relief to property owners affected by
35 the tornadoes.

36 The \$10 million investment to promote efforts to reduce youth violence is a critical funding need
37 and reflects the legislation I filed for this purpose last month. I am also requesting the \$1.2
38 million to fund staging units so that the Department of Housing and Community Development
39 can immediately begin implementing the family homelessness reforms that I have proposed, and
40 both the House and Senate budgets for next year reflect.

41 Sufficient revenues are estimated to be available to finance these appropriations. I urge your
42 prompt and favorable consideration of this bill.

43

44 Respectfully submitted,

45 Deval Patrick

46 Whereas, The deferred operation of this act would tend to defeat its purposes, which are
47 forthwith to make supplemental appropriations for fiscal year 2011 and to make certain changes
48 in law, each of which is immediately necessary to carry out those appropriations or to

49 accomplish other important public purposes, therefore it is hereby declared to be an emergency
50 law, necessary for the immediate preservation of the public convenience.

205 section:-

206 Section 72. (a) In addition to other emergency powers allowed by law, the governor may declare
207 a state of emergency whenever a catastrophic event, natural disaster, pandemic outbreak, terrorist
208 threat or other occurrence or imminent danger threatens the health, safety or welfare of the
209 people, or the fiscal or economic stability of the commonwealth. In such an emergency, the
210 governor may direct any agency, authority, or political subdivision of the commonwealth to take
211 appropriate action to eliminate the immediate threat or danger and to aid its citizens, including
212 but not limited to temporary re-deployment of personnel, contractors or other resources. Upon
213 notice in writing of the declaration of emergency to the comptroller and the clerks of the senate
214 and the house of representative, there shall be appropriated an amount requested by the governor

216 transfer that amount into a separate emergency account for the costs incurred under this section.

217 (b) Agencies, authorities and political subdivisions directed by the governor to act under this
218 section need not comply with procurement and personnel restrictions for obligations incurred in
219 performance of directives under this section for the period of the emergency, but shall consult

221 contractors and certified small, minority or women-owned businesses, to provide necessary

225 including electronic payment options, and shall direct agencies in the proper accounting for all
226 encumbrances and payments under this section in the state accounting system. Expenditures may
227 be charged to other items of appropriation and to other subsidiaries as directed by the secretary
228 of administration and finance in consultation with the comptroller. Every 60 days after an
229 emergency is declared under this section, and until the governor declares that the emergency has
230 terminated, the governor shall report in writing the specific amounts and purposes of
231 expenditures under this section to the house and senate committees on ways and means.

232 (c) Any funds remaining in the emergency account at the conclusion of the fiscal year in which
233 the emergency arises shall not revert at the end of the fiscal year, unless the emergency has
234 terminated, but shall remain available for expenditure without further appropriation until the
235 emergency ceases and all payments for all costs incurred under this section, at which time any
236 remaining funds shall be transferred to the Commonwealth Stabilization Fund. Funds expended

245 time of submission of the annual budget for approval. Emergency shall not include the funding
246 of collective bargaining agreements or items that were previously disapproved by the
247 appropriating authority for the fiscal year in which the borrowing is sought. Notwithstanding
248 any other provision of this section or any other general or special law to the contrary, debt for the
249 purposes mentioned in this clause may be authorized by the treasurer of the city, town or district,
250 with the approval of the chief executive officer in a city or town, or the prudential committee, if
251 any, otherwise by the commissioners in a district.

252 (9A) For emergency appropriations approved by a majority of the members of the municipal
253 finance oversight board, up to the period fixed by law for such debt as determined by the board,
254 but this clause shall apply only to appropriations for capital purposes, including but not limited to
255 the acquisition, construction, reconstruction or repair of any public building, work, improvement
256 or asset and upon a demonstration by the city, town or district that the process for authorizing
257 debt in the manner otherwise provided by law imposes an undue hardship in its ability to respond
258 to the emergency. As used in this clause, emergency means a sudden, unavoidable event or series
259 of events which could not reasonably have been foreseen or anticipated at the time of submission

260 of the annual budget for approval. Notwithstanding any other provision of this section or any
261 other general or special law to the contrary, debt for the purposes mentioned in this clause, may
262 be authorized by the treasurer of the city, town or district, with the approval of the chief
263 executive officer in a city or town, or the prudential committee, if any, otherwise by the
