Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: Section 1 of Chapter 64H of the General Laws, as so appearing, is hereby
2 amended by striking it out in its entirety and inserting in its place the following new section 1:

3 As used in this chapter and chapter 64I the following words shall have the following
4 meanings:

5 "Alcoholic Beverages" means beverages that are suitable for human consumption and contain
6 one-half of one percent or more of alcohol by volume.

7 "Bundled transaction" is the retail sale of two or more products, except real property and services
8 to real property, where (1) the products are otherwise distinct and identifiable, and (2) the
9 products are sold for one non-itemized price. A "bundled transaction" does not include the sale
10 of any products in which the "sales price" varies, or is negotiable, based on the selection by the
11 purchaser of the products included in the transaction.

12 (A) "Distinct and identifiable products" does not include:

13 1. Packaging - such as containers, boxes, sacks, bags, and bottles or other materials such as
14 wrapping, labels, tags, and instruction guides that accompany the "retail sale" of the products and
15 are incidental or immaterial to the "retail sale" thereof. Examples of packaging that are incidental
16 or immaterial include grocery sacks, shoeboxes, dry cleaning garment bags and express delivery
17 envelopes and boxes.

18 2. A product provided free of charge with the required purchase of another product. A
19 product is "provided free of charge" if the "sales price" of the product purchased does not
20 vary depending on the inclusion of the product "provided free of charge."

21 3. Items included in the definition of "sales price" in G.L. c. 64H, § 1.

22 (B) The term "one non-itemized price" does not include a price that is separately identified by
23 product on binding sales or other supporting sales-related documentation made available to the
24 customer in paper or electronic form including, but not limited to an invoice, bill of sale, receipt,
25 contract, service agreement, lease agreement, periodic notice of rates and services, rate card, or
26 price list.

27 (C) A transaction that otherwise meets the definition of a "bundled transaction" as defined above,
28 is not a "bundled transaction" if it is:

30 property is essential to the use of the service, and is provided exclusively in connection with the
31 service, and the true object of the transaction is the service; or

32 (2) The "retail sale" of services where one service is provided that is essential to the use or
33 receipt of a second service and the first service is provided exclusively in connection with the
34 second service and the true object of the transaction is the second service; or

35 (3) A transaction that includes taxable products and nontaxable products and the "purchase price"
36 or "sales price" of the taxable products is de minimis.

37 (a) De minimis means the seller's "purchase price" or "sales price" of the taxable products is ten
38 percent (10%) or less of the total "purchase price" or "sales price" of the bundled products.

39 (b) Sellers shall use either the "purchase price" or the "sales price" of the products to determine if
40 the taxable products are de minimis. Sellers may not use a combination of the "purchase price"
41 and "sales price" of the products to determine if the taxable products are de minimis.

42 (c) Sellers shall use the full term of a service contract to determine if the taxable products are
43 de minimis; or

44 (4) The "retail sale" of exempt tangible personal property and taxable tangible personal property
45 where:

46 (a) The transaction includes "food and food ingredients", "drugs", "durable medical equipment",
47 "mobility enhancing equipment", "over-the-counter drugs", "prosthetic devices" as defined in
48 G.L. c. 64H, § 1, or medical supplies; and

49 (b) Where the seller's "purchase price" or "sales price" of the taxable tangible personal property
50 is fifty percent (50%) or less of the total "purchase price" or "sales price" of the bundled tangible

491 SECTION 1B. General Sourcing Rules.

492 (a) The provisions of this section apply regardless of the characterization of a product as tangible
493 personal property, a digital good, or a service. The provisions of this section only apply to
494 determine a seller's obligation to pay or collect and remit a sales or use tax with respect to the
495 seller's retail sale of a product under this chapter and chapter sixty-four I. These provisions do
496 not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the
497 taxing jurisdictions of that use. The provisions of this section also apply to watercraft, motor
498 vehicles, trailers, and semi-trailers. The provisions of this section do not apply to (i) direct mail,
499 (ii) telecommunications services, except prepaid calling services and prepaid wireless calling
500 services, and (iii) ancillary services. So called wire sales by florists, that is orders taken by a
501 florist in the commonwealth and filled by another florist in another state, are sourced to the
502 business location of the florist in the commonwealth in accordance with (b)(1) of this section.

503 (b) The retail sale, excluding lease or rental, of a product shall be sourced as follows:

504 (1) When the product is received by the purchaser at a business location of the seller, the sale is
505 sourced to that business location.

506 (2) When the product is not received by the purchaser at a business location of the seller, the sale
507 is sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as
508 such by the purchaser) occurs, including the location indicated by instructions for delivery to the
509 purchaser or donee, known to the seller.

510 (3) When paragraphs (1) and (2) of subsection (b) do not apply, the sale is sourced to the location
511 indicated by an address for the purchaser that is available from the business records of the seller
512 that are maintained in the ordinary course of the seller's business when use of this address does
513 not constitute bad faith.

514 (4) When paragraphs (1), (2) and (3) of subsection (b) do not apply, the sale is sourced to the
515 location indicated by an address for the purchaser obtained during the consummation of the sale,
516 including the address of a purchaser's payment instrument, if no other address is available, when
517 use of this address does not constitute bad faith.

518 (5) When none of the provisions of paragraphs (1), (2), (3) or (4) of subsection (b) apply,
519 including the circumstance in which the seller is without sufficient information to apply the
520 provisions of paragraphs (1), (2), (3) or (4) of subsection (b), then the location will be
521 determined by the address from which the tangible personal property was shipped, from which
522 the digital good or the computer software delivered electronically was first available for
523 transmission by the seller, or from which the service was provided (disregarding for these
524 purposes any location that merely provided the digital transfer of the product sold).

525 (c) The lease or rental of tangible personal property, other than the property identified in
526 subsection (d) or (e) shall be sourced as follows:

527 (1) For a lease or rental that required recurring periodic payments, the first periodic payment is
528 sourced the same as a retail sale in accordance with the provisions of subsection (b). Periodic
529 payments made subsequent to the first payment are sourced to the primary property location for
530 each period covered by the payment. The primary property location shall be as indicated by an
531 address for the property provided by the lessee that is available to the lessor from its records
532 maintained in the ordinary course of business, when use of this address does not constitute bad
533 faith. The property location shall not be altered by intermittent use at different locations, such as
534 use of business property that accompanies employees on business trips and service calls.

535 (2) For a lease or rental that does not require recurring periodic payments, the payment is
536 sourced the same as a retail sale in accordance with the provisions of subsection (b).

537 (3) Subsection (c) does not affect the imposition or computation of sales or use tax on leases or
538 rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

539 (d) The lease or rental of motor vehicles, trailers or semi-trailers that do not qualify as
540 transportation equipment, as defined in subsection (e), shall be sourced as follows:

541 (1) For a lease or rental that requires recurring payments, each periodic payment is sourced to the
542 primary property location. The primary property location shall be as indicated by an address for
543 the property provided by the lessee that is available to the lessor from its records maintained in
544 the ordinary course of business, when use of this address does not constitute bad faith. This
545 location shall not be altered by intermittent use at different locations.

546 (2) For a lease or rental that does not require recurring periodic payments, the payment is
547 sourced the same as a retail sale in accordance with the provisions of subsection (b).

548 (3) Subsection (d) does not affect the imposition or computation of sales or use tax on leases or
549 rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

550 (e) The retail sale, including lease or rental, of transportation equipment shall be sourced the
551 same as a retail sale in accordance with the provisions of subsection (b), notwithstanding the
552 exclusion of lease or rental in subsection (b). “Transportation equipment” means any of the
553 following:

554 (1) locomotives and railcars that are utilized for the carriage of persons or property in interstate
555 commerce;

557 greater, trailers, semi-trailers, or passenger buses that are registered through the International

559 United States Department of Transportation or other federal authority to engage in the carriage of
560 persons or property in interstate commerce;

561 (3) aircraft that are operated by air carriers authorized and certificated by the U.S. Department of
562 Transportation or another federal or foreign authority to engage in the carriage of persons or
563 property in interstate or foreign commerce.

564 (4) containers designed for use on and component parts attached or secured on the items set forth
565 in this subsection.

566 (f) For purposes of subsection (b), the terms “receive” and “receipt” mean: taking possession of
567 tangible personal property, or making first use of services, or taking possession or making first
568 use of digital goods, whichever comes first. The terms “receive” and “receipt” do not include
569 possession by a shipping company on behalf of the purchaser.

570 SECTION 1C. Direct Mail Sourcing Rules.

571 (a) Notwithstanding section 1B, a purchaser of direct mail that is not a holder of a direct mail
572 pay permit shall provide to the seller in conjunction with the purchase either a Direct Mail Form
573 or information to show the jurisdiction to which the direct mail is delivered to recipients.

574 1. Upon receipt of the Direct Mail Form, the seller is relieved of all obligations to collect,
575 pay, or remit the applicable tax and the purchaser is obligated to pay or remit the applicable tax
576 on a direct pay basis. A Direct Mail Form shall remain in effect for all future sales of direct mail
577 by the seller to the purchaser until it is revoked in writing.

578 2. Upon receipt of information from the purchaser showing the jurisdictions to which the
579 direct mail is delivered to recipients, the seller shall collect the tax according to the delivery
580 information provided by the purchaser. In the absence of bad faith, the seller is relieved of any
581 further obligation to collect tax on any transaction where the seller has collected tax pursuant to
582 the delivery information provided by the purchaser.

583 (b) If the purchaser of direct mail does not have a direct pay permit and does not provide the
584 seller with either a Direct Mail Form or delivery information, as required by subsection (a) of
585 this section, the seller shall collect the tax according to section 1B, subsection (a) 5. Nothing in
586 this paragraph shall limit the purchaser’s obligation for sales or use tax to any state to which the
587 direct mail is delivered.

588 (c) If a purchaser of direct mail provides the seller with documentation of direct pay
589 authority, the purchaser shall not be required to provide a Direct Mail Form or delivery
590 information

594 taxing jurisdiction where the call originates and terminates in that jurisdiction or (ii) each level of
595 taxing jurisdiction where the call either originates or terminates and in which the services address
596 is also located.

606 telecommunications signal as first identified by either (i) the seller's telecommunications system,
607 or (ii) information received by the seller from its service provider, where the system used to
608 transport such signals is not that of the seller.

609 3. A sale of prepaid calling service or a sale of a prepaid wireless calling service is sourced in
610 accordance with section 1B of this chapter. Provided however, in the case of a sale of prepaid
611 wireless calling service, the rule provided in section 1B, subsection (b)(5) shall include as an
612 option the location associated with the mobile telephone number.

613 4. A sale of a private communication service is sourced as follows:

620 located in different jurisdictions and which segment of channel are separately charged is sourced
621 fifty percent in each level of jurisdiction in which the customer channel termination points are
622 located.

623 d. Service for segments of a channel located in more than one jurisdiction or levels of
624 jurisdiction and which segments are not separately billed is sourced in each jurisdiction based on
625 the percentage determined by dividing the number of customer channel termination points in
626 such jurisdiction by the total number of customer channel termination points.

627 (d) The sale of an ancillary service is sourced to the customer's place of primary use.

628 SECTION 1E. Telecommunications Sourcing Definitions. For the purpose of section 1D, the
629 following definitions apply:

630 A. “Air-to-Ground Radiotelephone service” means a radio service, as that term is defined in
631 47 CFR 22.99, in which common carriers are authorized to offer and provide radio
632 telecommunications service for hire to subscribers in aircraft.

659 the home service provider.

668 services, which must be paid for in advance and which enables the origination of calls using an

680 services that are provided in connection with the use of such channel or channels.

681 O. “Service address” means:

682 1. The location of the telecommunications equipment to which a customer’s call is charged
683 and from which the call originates or terminates, regardless of where the call is billed or paid.

684 2. If the location in subsection (O)(1) is not known, service address means the origination
685 point of the signal of the telecommunications services first identified by either the seller’s
686 telecommunications system or in information received by the seller from its service provider,
687 where the system used to transport such signal is not that of the seller.

688 3. If the location in section (O)(1) and subsection (O)(2) are not known, the service address
689 means the location of the customer’s place of primary use.

702 and records that are kept in the regular course of business for other purposes, including, but not
703 limited to, non-tax purposes. For purposes of reporting the sale or recharge of prepaid calling
704 services or prepaid wireless calling services, the sale is deemed to occur on the date of the
705 transfer for consideration. The excise shall be paid by the seller to the commissioner at the time
706 provided for filing the return required by section sixteen of chapter sixty-two C.

707 SECTION 4: Section 4 of Chapter 64H of the General Laws, as so appearing, is hereby
708 amended by striking it out in its entirety and inserting in its place the following new Section 4:

765 No person shall do business in this commonwealth as a seller unless a registration shall have

766 been issued to him. For persons with business locations physically located in the

767 commonwealth, a registration shall be obtained for each place of business in the commonwealth

768 in accordance with section sixty-seven of chapter sixty-two C. A seller may select one of the

769 following methods of remittances:

770 A. Model 1, wherein a seller selects a Certified Service Provider as an agent to perform all

773 represent the seller before member states of the Streamlined Sales Tax Governing Board;

774 B. Model 2, wherein a seller selects a Certified Automated System to use which calculates

775 the amount of tax due on a transaction, but retains responsibility for remitting the tax; or

790 uncollected or unpaid sales or use tax, penalty and interest providing that the seller was not
791 registered in the commonwealth in the 12 month period preceding the date of such acceptance.
792 The amnesty provided by this section is not available to a seller with respect to any matter or
793 matters for which the seller received notice of the commencement of an audit or an audit
794 assessment, including any administrative or judicial appeals. The amnesty is also not available
795 for sales or use taxes already paid or remitted to the commonwealth or to taxes collected by the
796 seller. The amnesty is effective, absent the seller's fraud or intentional misrepresentation of a

797 material fact, as long as the seller continues registration and continues to pay or collect and remit
798 applicable sales or use taxes for a period of at least 36 months. The amnesty is applicable only to
799 sales or use taxes due from a seller in its capacity as a seller and not to sales or sue taxes due

801 SECTION 8: Chapter 64H of the General Laws, as so appearing, is hereby is amended by
802 adding after Section 7A, the following new section 7B:

806 and the Certified Service Providers for a period not to exceed 24 months following a voluntary
807 seller's registration through the Streamlined Sales Tax Governing Board's central registration
808 process. The compensation shall be a percentage of tax revenue generated for the
809 commonwealth by the voluntary seller that does not have a requirement to register to collect the
810 tax.

811 (b) A seller electing to use a Certified Automated System under Model 2 may receive a
812 monetary allowance to be determined by the Streamlined Sales Tax Project Governing Board for
813 a period not to exceed twenty four months following a voluntary seller's registration through the
814 Streamlined Sales Tax Governing Board's central registration process. The compensation may
815 be a percentage of tax revenue generated for the commonwealth by the voluntary seller that does
816 not have a requirement to register to collect the tax.

817 (c) A seller that utilizes its own proprietary automated sales tax system that has been
818 certified as a Certified Automated System under Model 3 and all other sellers not covered under

819 (a) or (b) that voluntarily register through the Streamlined Sales Tax Governing Board's central
820 registration process may receive a monetary allowance to be determined by the Streamlined

823 voluntary seller that does not have a requirement to register to collect the tax.

824 (d) A seller may receive additional compensation as required by the Streamlined Sales and
825 Use Tax Agreement, as amended.

826 SECTION 9: Section 8 of Chapter 64H of the General Laws, as so appearing, is hereby
827 amended by striking the section in its entirety and replacing it with the following:

828 (a) It shall be presumed that all gross receipts of a seller from the sale of services or tangible
829 personal property are from sales subject to tax until the contrary is established. The burden of
830 proving that a sale of services or tangible personal property by any seller is not subject to tax
831 shall be upon such seller unless he takes from the purchaser a certificate of exemption to the
832 effect that the service or property is purchased for resale, or the service or property is exempt
833 from the tax imposed by this chapter and such certificate of exemption is obtained by the seller
834 not later than ninety days subsequent to the date of the sale. Where a certificate is not obtained
835 within the foregoing time limit the seller is not relieved of its burden of proving that the sale was
836 exempt or for resale and the seller must prove by other means, within one hundred twenty days
837 subsequent to the date of notice from the commissioner, that the sale was not a retail sale subject
838 to tax or produce a fully completed exemption certificate from the purchaser taken in good faith.

839 (b) The certificate of exemption shall relieve the seller from the burden of proof and any
840 liability for the tax if it is determined that the purchaser improperly claimed an exemption unless:

841 (1) the seller fraudulently fails to collect the tax, or
842 (2) the seller solicits purchasers to participate in the unlawful claim of an exemption, or
843 (3) a seller physically located within the commonwealth accepts an exemption certificate that
844 claims an entity based exemption not contained in this chapter in a transaction involving a
845 product received by the purchaser at a business location of the seller.

846 (c) The certificate of exemption shall bear the name and address of the purchaser and the
847 purchaser's tax identification number or other identification number. If the certificate of
848 exemption is submitted in paper form by the purchaser, it shall bear the purchaser's signature.
849 The certificate shall be in such form as the commissioner may prescribe or that has been
850 approved by the Streamlined Sales Tax Governing Board.

851 (d) If a purchaser who gives a certificate of exemption indicating that the purchase was for
852 resale in the regular course of business makes any use of the service or property other than
853 retention, demonstration or display while holding it for sale in the regular course of business, the
854 use shall be deemed a retail sale by the purchaser as of the time the service or property is first
855 used by him, and the cost of the service or property to him shall be deemed the gross receipts
856 from such retail sale. If the sole use of the property other than retention, demonstration or display
857 in the regular course of business is the rental of the property while holding it for sale, the
858 purchaser may elect to include in its gross receipts the amount of the rental charge rather than the
859 cost of the property to him.

860 (e) If a purchaser who gives a certificate of exemption makes any use of the property
861 inconsistent with the exemption claimed on the certificate, the use shall be deemed a retail sale

862 by the purchaser as of the time the property is first so used and the cost of the property to the
863 purchaser shall be deemed the gross receipts from such retail sale.

864 (f) A seller may obtain a blanket exemption certificate from a purchaser with which the
865 seller has a recurring business relationship and will be relieved of liability as otherwise provided
866 in this section. For purposes of this section a recurring business relationship exists when a
867 period of no more than twelve months elapses between sales transactions.

868 (g) For purposes of this section, a certificate of exemption may be either in paper or
869 electronic format. The requirement of taking a certificate is satisfied if the seller otherwise
870 captures all required data elements of such a certificate in its books and records. The
871 commissioner may promulgate rules and regulations determining which services shall be deemed
872 purchased for resale under this section.

873 SECTION 10: Chapter 64H of the General Laws, as so appearing, is hereby is amended by
874 adding after Section 8, the following new section 8A:

875 8A. Relief from Liability

876 A. The commissioner shall publish a taxability matrix in the form and manner prescribed by the
877 Streamlined Sales Tax Governing Board, Inc. and shall relieve sellers and certified service
878 providers from liability for having charged and collected the incorrect amount of sales or use tax
879 resulting from the seller or certified service provider relying on erroneous data provided in the
880 taxability matrix.

881 B. A purchaser is relieved from liability for having failed to pay the correct amount of sales or
882 use tax in the following circumstances:

883 1. A purchaser's seller or CSP relied on erroneous data provided by the commissioner in the
884 taxability matrix;

885 2. A purchaser holding a direct pay permit relied on erroneous data provided by the
886 commissioner in the taxability matrix;

887 3. A purchaser relied on erroneous data provided by the commissioner in the taxability matrix.

888 For purposes of this section, erroneous data is limited to incorrect classification in the taxability
889 matrix of defined products as taxable or exempt, included or excluded from sales price, or
890 included or excluded from a defined product. For purposes of this section, relief from liability
891 includes liability for tax, interest and penalty.

892 C. Following certification to the Streamlined Sales Tax Governing Board that the commissioner
893 has reviewed the taxability of the product categories contained in software used by a Certified
894 Service Provider or a Certified Automated System, the Certified Service Provider or seller using
895 the Certified Automated System is relieved from liability for not collecting sales or use taxes
896 resulting from reliance on that certification. The relief from liability provided in this section
897 shall not be available where the Certified Service Provider or seller using a Certified Automated
898 System has incorrectly classified an item or transaction into a product category certified by the
899 commissioner. In the case of such a misclassification, the Certified Service Provider or seller
900 using a Certified Automated System shall be given 10 days to correct any such error, and
901 following that 10 day period, will be liable for the failure to collect the correct amount of sales or
902 use taxes.

903 SECTION 11: Section 26 of Chapter 64H of the General Laws, as so appearing, is amended by
904 adding the following at the end.

905 Where a motor vehicle is returned to a seller pursuant to a rescission of contract within one
906 hundred and eighty days of the date of sale and the entire amounts charged for the motor vehicle,
907 less the sellers' established handling fees, if any, for return of the property, are refunded either in
908 cash or credit, the purchaser may apply to the Commissioner for a refund of any tax paid under
909 this chapter or chapter 64I within the time limitations provided in chapter 62C, section 37. In
910 the case of a rescission of contract for the sale of a motor vehicle, the seller's established handling
911 fees may include a reasonable allowance for the purchaser's use of the vehicle.

912 SECTION 12: Section 33 of Chapter 64H of the General Laws, as so appearing, is hereby is
913 amended by striking the section in its entirety and replacing it with the following:

914 Section 33: Bad Debts. Any seller who has paid to the commissioner an excise under this
915 chapter upon a sale for which credit is given to the purchaser and such account is later
916 determined to be a bad debt may deduct the amount of the bad debt on the return for the period
917 during which the bad debt is written off as uncollectable in the seller's books and records and is
918 eligible to be deducted for federal income tax purposes, whether or not the seller is required to
919 file a federal income tax return. For purposes of this section, (1) a seller entitled to a deduction
920 does not include an assignee or factor of such seller and (2) bad debt shall have the same
921 meaning as in 26 U.S.C. 166, but excluding financing charges or interest, sales or use taxes
922 charged on the purchase price, uncollectable amounts on property that remain in the possession
923 of the seller until the full purchase price is paid, expenses incurred in attempting to collect any
924 debt, and repossessed property. If a seller takes a deduction for a bad debt as provided in this
925 section and the debt is subsequently collected in whole or in part, the tax on the amount so
926 collected must be paid and reported on the return filed for the period in which the collection is
927 made. For purposes of reporting a payment received on a previously claimed bad debt, any

928 payments made on a debt or account shall be applied first proportionately to the taxable sales
929 price and tax and second to interest, service charges, and any other charges. If a bad debt
930 exceeds the amount of taxable sales for the period during which the bad debt is written off, an
931 application for abatement may be filed within the time limitations of G.L. c. 62C, § 37, provided
932 however that notwithstanding any provisions of G.L. c. 62C, § 37 to the contrary, the three year
933 time limitation shall be measured from the due date of the return on which the bad debt could
934 first be claimed. Where a seller has elected to utilize a Certified Service Provider, the Certified
935 Service Provider may claim, on behalf of the seller any bad debt allowance provided by this
936 section, provided that the Certified Service Provider credits or refunds the full amount of any bad
937 debt allowance or refund to the seller. In situations where the books and records of the seller
938 support an allocation of the bad debts among member states of the Streamlined Sales Tax
939 Governing Board, such an allocation is permitted.

940 SECTION 13: Chapter 64H of the General Laws, as so appearing, is hereby is amended by
941 adding the following new section 34:

942 Section 34: Demand for Return of Overpaid Tax

944 customer shall not have a cause of action against the seller until a written notice of demand is
945 made upon the seller and at least 60 days have elapsed since the time of the demand. Such
946 demand must contain sufficient information to allow the seller to determine the validity of the
947 request.

948 (b) In connection with a customer's request for a return of overpaid sales taxes, a seller shall
949 be presumed to have a reasonable business practice if in the collection of sales taxes the seller (i)

950 uses either a provider or system, including a proprietary system, certified by the commonwealth
951 or the Streamlined Sales Tax Governing Board; and (ii) has remitted to the commonwealth all

958 date shall be as follows:

959 A. For a rate increase, the new rate shall apply to the first billing period starting on or
960 after the effective date.

961 B. For a rate decrease, the new rate shall apply to bills rendered on or after the effective
962 date.

963 SECTION 15: Section 1 of Chapter 64I of the General Laws, as so appearing, is hereby
964 amended by adding in the second paragraph after the word “person” and before the word

976 amended by striking it out in its entirety and inserting in its place the following new Section 5:

979 carried to the third decimal place, and it must be rounded to a whole cent, rounding up to the
980 next cent whenever the third decimal place is greater than four. A seller may elect to compute
981 the tax due on a transaction on an item or an invoice basis.

983 amended by striking the section in its entirety and replacing it with the following:

985 tax imposed hereunder, it shall be presumed that tangible personal property or services sold by
986 any person for delivery in the commonwealth is sold for storage, use or other consumption in the
987 commonwealth until the contrary is established. The burden of proving the contrary is upon the
988 person who makes the sale unless he takes from the purchaser a certificate of exemption to the
989 effect that the service or property is purchased for resale, or the service or property is exempt
990 from the tax imposed by this chapter and such certificate of exemption is received not later than
991 ninety days subsequent to the date of the sale. Where a certificate is not obtained within the
992 foregoing time limit the seller is not relieved of its burden of proving that the sale was exempt or
