**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-First General Court  
(2019-2020)**

An Act relative to the safety of mobile amusement equipment.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 140 of the General Laws is hereby amended by inserting after section 205A the  
2 following section:-

3 Section 205B. Any amusement device, as that term is defined in section 205A, powered  
4 by electricity that is sold in the primary, or secondary market, shall be equipped, updated or  
5 retrofitted to meet today’s safety standards for amusement devices, before any such device may  
6 be operated by the purchaser for use by the general public.

7 All amusement devices utilizing centripetal or centrifugal force, regardless of the age of  
8 the device, shall be required to have a modern, passenger safety restraining system in place that  
9 secures the passenger to the interior of the amusement device’s carriage, cage, seat, enclosure, or  
10 internal structure, to prevent injury to the passenger in the event of a loss of consciousness or  
11 physical dexterity during the operation of the amusement device. No amusement device utilizing  
12 centripetal or centrifugal force in its operation that fails to contain such a passenger safety

13 restraining system shall be certified or allowed to operate for entertainment purposes by the  
14 general public.

15 Any violation of this section shall be punishable by a fine of no less than \$10,000.00 per  
16 violation to be assessed by the office of public safety and inspections of the division of  
17 professional licensure.
