(2019-2020)**  
\_\_\_\_\_

An Act making appropriations for the fiscal year 2020 for the maintenance of the departments, boards, commissions, institutions and certain activities of the commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements.

*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is immediately to make appropriations for the fiscal year beginning July 1, 2019, and to make certain changes in law, each of which is immediately necessary or appropriate to effectuate said appropriations or for other important public purposes, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. To provide for the maintenance of the several departments, boards,  
2           commissions and institutions and other services, and for certain permanent improvements and to  
3           meet certain requirements of law, the sums set forth in sections 2, 2B, 2D, 2E and 3, for the  
4           several purposes and subject to the conditions specified in said sections 2, 2B, 2D, 2E and 3, are  
5           hereby appropriated from the General Fund unless specifically designated otherwise, subject to  
6           the provisions of law regulating the disbursement of public funds and the approval thereof for the  
7           fiscal year ending June 30, 2020. All sums appropriated under this act, including supplemental  
8           and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of  
9           nondiscrimination and equal opportunity for members of minority groups, women and

10 handicapped persons. All officials and employees of an agency, board, department, commission  
11 or division receiving monies under this act shall take affirmative steps to ensure equality of  
12 opportunity in the internal affairs of state government, as well as in their relations with the  
13 public, including those persons and organizations doing business with the commonwealth. Each  
14 agency, board, department, commission or division, in spending appropriated sums and  
15 discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the  
16 areas of hiring, promotion, demotion or transfer, recruitment, layoff or termination, rates of  
17 compensation, in-service or apprenticeship training programs and all terms and conditions of  
18 employment.

SECTION 1A. In accordance with Articles LXIII and CVII of the Articles of Amendment to the Constitution of the Commonwealth and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section by source for the respective funds of the commonwealth for the fiscal year ending June 30, 2020 are necessary and sufficient to provide the means to defray the appropriations and expenditures from such funds for said fiscal year as set forth and authorized in sections 2, 2B and 2E. The comptroller shall keep a distinct account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing such receipts with the projected receipts set forth in this section, and include a full statement comparing such actual and projected receipts in the annual report for said fiscal year pursuant to section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

### SECTION 3 LOCAL AID DISTRIBUTIONS.

---

SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2020 the distribution to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be \$1,128,617,436 and shall be apportioned to the cities and towns in accordance with this section.

Notwithstanding section 2 of chapter 70 of the General Laws or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2020 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts to be distributed from said item 7061-0008 of said section 2 shall be in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2020, the foundation budget category of "low income enrollment" for the purpose of calculating foundation enrollment shall be the number of students identified as economically disadvantaged by qualifying as a match in the commonwealth's direct certification system, as maintained in the executive office of health and human services virtual gateway system: supplemental nutrition assistance program (SNAP), temporary assistance for needy families (TANF), medicaid (MassHealth), and foster care. Notwithstanding the provisions of section 3 of chapter 70 of the General Laws, foundation budget rates for fiscal year 2020 shall be set as identified in the tables below. The target local share shall be calculated using the same methodology as used in fiscal year 2019. Preliminary local contribution shall be the municipality's fiscal year 2019 minimum required local contribution, increased or decreased by the municipal revenue growth factor; provided, that if a municipality's preliminary local contribution as a percentage of its foundation budget is more than 2.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; and if a municipality's preliminary contribution as a percentage of its foundation budget is more than 7.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points; provided further, that if a municipality's combined effort yield is greater than 175% of its foundation, then the minimum required local contribution for fiscal year 2020 shall be the target contribution for that municipality in fiscal year 2020. Minimum required local contribution for fiscal year 2020 shall be, for any municipality with a fiscal year 2020 preliminary contribution greater than its fiscal year 2020 target contribution, the preliminary local contribution reduced by 100 per cent of the gap between the preliminary local contribution and the target local contribution. No minimum required local contribution shall be greater than 90 percent of the district's foundation budget amount.

Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. Transitional aid received in fiscal year 2019 relating to low income measurement shall be included in districts' base aid in fiscal year 2020. For fiscal year 2020, the "foundation aid increment" shall be the difference between: (a) the positive difference between a district's foundation budget and its required district contribution; and (b) prior year aid. The "minimum aid increment" shall be equal to \$30 multiplied by the district's foundation enrollment minus the foundation aid increment.

Chapter 70 aid for fiscal year 2020 shall be the sum of prior year aid plus the foundation aid increment, if any, plus the minimum aid increment, if any. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994, and in which such district has not accepted the provisions of section 260 of chapter 165 of the acts of 2014, provided that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted pursuant to section 43 of chapter 44 of the General Laws. Advance payments shall

be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district, or independent agricultural and technical school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

1 SECTION 4. Clause Twenty-sixth of section 7 of chapter 4 of the General Laws, as  
2 appearing in the 2016 Official Edition, is hereby amended by adding the following subclause:-

3 (v) records disclosed to the health policy commission under subsection (a) of section 8A  
4 of chapter 6D.

5 SECTION 5. Chapter 6D of the General Laws is hereby amended by inserting after  
6 section 8 the following section:-

7 Section 8A. (a) The commission shall require a manufacturer of a prescribed drug  
8 specified in subsection (b) to disclose to the commission within a reasonable time any records  
9 that describe or relate to the manufacturer's pricing of that drug. Based on the records furnished,  
10 the commission shall formulate a proposed value of a prescribed drug specified in subsection (b).

11 (b) A manufacturer of the following prescribed drugs must comply with the requirements  
12 set forth in this section: a drug for which the executive office of health and human services was  
13 unable to successfully conclude supplemental rebate negotiations with the manufacturer of the  
14 drug under subsection (a) of section 12A of chapter 118E, and for which the commission has  
15 received notice from the secretary of health and human services under subsection (c) of said  
16 section 12A of said chapter 118E.

17 (c) Records disclosed by a manufacturer under subsection (a) shall not be public records  
18 under section 7 of chapter 4 or chapter 66 and shall remain confidential; provided, however, that  
19 the commission may produce reports summarizing any findings; provided that any such report  
20 shall not be in a form that identifies specific prices charged for drugs by a manufacturer.

21 (d) If, after review of any records furnished to the commission under subsection (a), the  
22 commission determines that the drug manufacturer's pricing of the drug is potentially  
23 unreasonable or excessive in relation to the commission's proposed value under subsection (a),  
24 the commission shall, with 30 days advance notice to the drug manufacturer and the public, hold  
25 a public hearing at which the drug manufacturer shall be required to appear and testify to provide  
26 further information related to the pricing of the prescribed drug and the manufacturer's  
27 justification for the pricing. In addition to the drug manufacturer, the commission may identify as  
28 witnesses other relevant parties, including patients, providers, provider organizations and payers.  
29 Witnesses shall provide testimony under oath and subject to examination by the commission, the  
30 secretary of health and human services, and the attorney general or their respective designees, at  
31 the public hearing in a manner and form to be determined by the commission.

32 (e) Within 60 days from the date of a public hearing under subsection (d), the  
33 commission shall issue a determination concerning the reasonableness of the manufacturer's  
34 pricing of the drug.

35 (f) In the event the drug manufacturer does not timely comply with the commission's  
36 request for records under subsection (a) or appearance at a public hearing under subsection (d),  
37 or otherwise knowingly obstructs the commission's ability to issue the determination described in  
38 subsection (e), including by providing incomplete, false or misleading information, the  
39 commission may impose appropriate sanctions against the drug manufacturer, including  
40 reasonable monetary penalties not to exceed \$500,000, and may refer the drug manufacturer to  
41 the office of attorney general for appropriate action under chapter 93A, or any other applicable  
42 provision of the General Laws. The commission shall seek to promote compliance with this  
43 section and shall only impose a civil penalty on the drug manufacturer as a last resort.

44 (g) The commission shall adopt any written policies, procedures or regulations the  
45 commission determines necessary to implement this section.

46 SECTION 6. Chapter 10 of the General Laws is hereby amended by inserting after  
47 section 35LLL, inserted by section 4 of chapter 273 of the acts of 2018, the following section:-

60 in the fund at the close of a fiscal year shall not revert to the General Fund and shall be available  
61 for expenditure in subsequent fiscal years.

83 state agency request for permission to insure a property of the commonwealth that has been  
84 damaged if the costs of repair for the property are eligible under a presidentially declared disaster

273 case of interstate and intrastate mobile telecommunications services, the sale of such services  
274 shall be deemed to be provided by the customer's home service provider and shall be considered  
275 a sale within the commonwealth if the customer's place of primary use is located in the  
276 commonwealth. To prevent actual multi-state taxation of any sale of interstate  
277 telecommunication service subject to taxation under this chapter, any taxpayer, upon proof that  
278 the taxpayer has paid a tax in another state on such sale, shall be allowed a credit against the tax

285 the commonwealth if the customer's shipping address is in the commonwealth or, if there is no  
286 item shipped, if the customer's billing address or the location associated with the customer's  
287 mobile telephone number, as applicable, is in the commonwealth. For purposes of collection of

289 the bill is first issued by the vendor in the regular course of its business; provided, however, in  
290 the case of prepaid calling arrangements, the sale shall be deemed to occur on the date of the  
291 transfer for consideration. For purposes of reporting the sale or recharge of prepaid calling  
292 arrangements, the sale or recharge of the arrangements shall be considered a taxable sale of  
293 tangible personal property unless the vendor is otherwise required to report sales of  
294 telecommunications services.

295 "Sales price", the total amount paid by a purchaser to a vendor as consideration for a retail sale,  
296 valued in money or otherwise. In determining the sales price, the following shall apply: (a) no  
297 deduction shall be taken on account of (i) the cost of property sold; (ii) the cost of materials used,  
298 labor or service cost, interest charges, losses or other expenses; (iii) the cost of transportation of  
299 the property prior to its sale at retail; (b) there shall be included (i) any amount paid for any

301 by the vendor; and (c) there shall be excluded (i) cash discounts allowed and taken on sales; (ii)  
302 the amount charged for property returned by purchasers to vendors upon rescission of contracts  
303 of sale when the entire amounts charged therefor, less the vendors' established handling fees, if  
304 any, for such return of property, are refunded either in cash or credit, and when the property is  
305 returned within 90 days from the date of sale, and the entire sales tax paid is returned to the  
306 purchaser; provided, however, that where a motor vehicle is returned pursuant to a rescission of  
307 contract such motor vehicle must be returned within 180 days of the date of sale; (iii) the amount  
308 charged for labor or services rendered in installing or applying the property sold; (iv) the amount  
309 of reimbursement of tax paid by the purchaser to the vendor under this chapter; (v) transportation  
310 charges separately stated, if the transportation occurs after the sale of the property is made; (vi)  
311 the amount of the manufacturers' excise tax levied upon motor vehicles under section 4061(a) of  
312 the Internal Revenue Code of 1954 of the United States, as amended; and (vii) a "service charge"

314 bartenders as provided in section 152A of chapter 149.

315 "Services", a commodity consisting of activities engaged in by a person for another person for a  
316 consideration; provided, however, that the term "services" shall not include activities performed

317 by a person who is not in a regular trade or business offering such person's services to the public,  
318 and shall not include services rendered to a member of an affiliated group, as defined by section  
319 1504 of the Internal Revenue Code, by another member of the same affiliated group that does not

324 wares, merchandise and commodities whatsoever, brought into, produced, manufactured or being  
325 within the commonwealth, but shall not include rights and credits, insurance policies, bills of

327 this chapter, "tangible personal property" shall include gas, electricity and steam. A transfer of  
328 standardized computer software, including but not limited to electronic, telephonic or similar  
329 transfer, shall also be considered a transfer of tangible personal property. The commissioner  
330 may, by regulation, provide rules for apportioning tax in those instances in which software is  
331 transferred for use in more than one state.

332 "Tax", the excise tax imposed by this chapter.

333 "Taxpayer", any person required to make returns or pay the tax imposed by this chapter.

352 threshold set by the commissioner must report all taxable sales made through such marketplace  
353 and collect and remit tax on all such sales, whether such sales are direct sales made on behalf of

354 the marketplace facilitator or sales facilitated for a marketplace seller. Where the marketplace  
355 facilitator reports, collects and remits tax on behalf of a marketplace seller that is a remote  
356 retailer, such marketplace seller shall not be liable to report these sales and the sales shall not  
357 count towards such seller's Massachusetts sales threshold.

358 (c) The commissioner shall issue regulations and other guidance to further explain the  
359 sales and use tax rules that pertain to remote retailers. Such guidance shall include rules that  
360 further explain the requirements of said chapters 62C, 64H and 64I and as they pertain to  
361 marketplace sellers and marketplace facilitators, including rules that explain the rights and  
362 responsibilities of such sellers and facilitators with respect to one another. Such guidance may

524 negotiations for a supplemental rebate agreement, the secretary may subject the drug to actions  
525 authorized by the drug management program administered by MassHealth, including but not  
526 limited to prior authorization, step therapy, generic drug promotion, quantity limits and the
