6 described and recorded in a deed and plan recorded with the Middlesex North registry of deeds at
7 book 1321, page 133. The conveyance shall be subject to such additional conditions and
8 restrictions as the commissioner of capital asset management and maintenance, in consultation
9 with the department of state police, may determine.

14 management and maintenance shall submit the appraisals to the inspector general for his or her
15 review and comment. The inspector general shall review and approve the appraisals, and the
16 review shall include an examination of the methodology utilized for the appraisals. The
17 inspector general shall prepare a report of his or her review and file the report with the
18 commissioner of capital asset management and maintenance. After receiving the report, the
19 commissioner of capital asset management and maintenance shall submit copies of the report to
20 the house and senate committees on ways and means and the joint committee on state
21 administration and regulatory oversight at least 15 days prior to the execution of documents
22 affecting the transfer described in section 1.

26 section 2; or (ii) the transfer to the division of capital asset management and maintenance, an
27 interest in land or funding for the acquisition of land or an interest therein equal to or greater than

37 commonwealth exceed the appraised values determined in section 2, the commonwealth shall
38 have no obligation to pay the difference to the Claremont Realty Trust. Any monetary payments
39 made to the commonwealth as a result of the conveyance authorized by this act shall be
40 deposited into the General Fund established in section 2 of chapter 29 General Laws.

41 SECTION 4. The Claremont Realty Trust shall assume all costs associated with
42 engineering, surveys, appraisals, deed preparation and other expenses deemed necessary by the
43 commissioner of capital asset management and maintenance to execute the conveyances
44 authorized by this act.

45 SECTION 5. No instrument executed pursuant to this act shall be valid unless it provides
46 that the area conveyed shall be used solely for the purposes described in section 1. The
47 instrument authorized in section 1. The instrument authorized in section 1 shall include a
48 reversionary clause that stipulates the property shall revert to the commonwealth and be assigned
49 to the care, custody and control of the department of state police, upon such terms and conditions
50 as the commissioner of capital asset management and maintenance may determine, if the
51 property ceases to be used for the express purposes authorized in this act. If any interest reverts
52 to the commonwealth, any further disposition shall be subject to sections 34 to 37, inclusive, of
53 chapter 7C of the General laws and the prior approval of the General Court.
