By Mr. Gentile of Sudbury, a petition (accompanied by resolve, House, No. 600) of Carmine Lawrence Gentile and others for an investigation by a task force of the effect of school day start times for middle school and secondary school students. Education.

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court (2021-2022)

Resolve authorizing a study of starting times and schedules.

1	Resolved, that the department of elementary and secondary education shall convene an
2	educational task force to review the effect of school day start times for middle school and
3	secondary school students. The task force shall consist of: the commissioner of elementary and
4	secondary education or a designee who shall serve as chair; the secretary of education or a
5	designee; the executive director of the Massachusetts Association of School Committees, Inc. or
6	a designee; the executive director of the Massachusetts Association of School Superintendents,
7	Inc. or a designee; the executive director of the Massachusetts Secondary Schools
8	Administration Association, Inc. or a designee; the executive director of Massachusetts Start
9	School Later, Inc. or a designee; the executive director of the Massachusetts Association of
10	School Business Officials, Inc. or a designee; a representative from Harvard Medical School's
11	Division of Sleep Medicine; a representative from the Massachusetts Chapter of the American
12	Academy of Pediatrics, a representative from the Massachusetts School Psychologists
13	Association; a parent of a high school student who is a member of a school council, as defined in
14	section 59C of chapter 71 of the General Laws; a teacher from a district which has implemented

15 later school day start times; and a superintendent from a district which has implemented later16 school day start times.

17 The task force shall: (i) conduct a comprehensive study, including a review of the 18 scientific findings relative to sleep needs of adolescents and the effect that middle school and 19 secondary school day start times have on the health and academic performance of students; (ii) 20 determine the number of districts in the commonwealth that have implemented later school day 21 start times for middle schools and secondary schools and examine the health and academic 22 performance of students; and (iii) identify resources and opportunities to assist districts in 23 implementing later school day start times for middle schools and secondary schools, should the 24 task force's findings under clauses (i) and (ii) suggest that a later school day start time is 25 beneficial to health and learning of students.

The task force shall file a report containing its findings and recommendations, including legislation necessary to carry out its recommendations, with the clerks of the senate and house of representatives by July 1, 2022.
