The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act to improve the delivery of health care.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 2. Chapter 111 of the General Laws is hereby amended by inserting after
2 section 53G the following section:—

3 Section 53H. As used in this section the following words shall, unless the context clearly
4 requires otherwise, have the following meanings:—

5 “Adverse Event,” injury to a patient resulting from medical management rather than the patient’s
6 underlying condition.

7 “Checklist of Care,” predetermined steps to be taken by healthcare providers to decrease the
8 likelihood of a patient experiencing an adverse event during a given procedure.

9 “Medical management,” the care and treatment of a patient’s disease or condition

10 The Department of Public Health shall promulgate regulations for the development and

11 implementation of checklists of care that hospitals shall use to prevent adverse events and reduce

12 healthcare-associated infection rates. The department shall require hospitals to report annually

13 on their use of the checklists. The department shall promulgate regulations to enforce the

14 provisions of this section no later than December 31, 2012.
