The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act providing a homeless bill of rights.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 23B of the General Laws, as appearing in the 2014 Official Edition, is hereby
2 amended by adding the following section:-

3 Section 31. (a) The general court finds and declares that:

4 At the present time, many persons have been rendered homeless as a result of economic
5 hardship, a severe shortage of safe, affordable housing, and a shrinking social safety net.

6 The rights outlined in subsection (c) below shall serve the same purpose as a statement of
7 legislative intent that will help guide the department of housing and community development,
8 other state and municipal agencies, and agencies contracting with the state so as to promote the
9 rights of people experiencing homelessness. These principles shall not be interpreted to create a

10 private right of action, to form the predicate for a right of action under any other state or federal
11 law, or to create liability that would not exist absent these principles.

12 (b) For purposes of this section, “experiencing homelessness” shall mean the status of
13 having or not having a fixed or regular residence, including the status of living on the streets or
14 in a homeless shelter or similar temporary residence.

15 (c) No person's rights, privileges, or access to public services may be denied or abridged
16 solely because he or she is experiencing homelessness. Such a person shall be granted the same
17 rights and privileges as any other resident of the commonwealth. A person experiencing
18 homelessness shall have:

19 (1) The right to use and move freely in public spaces, including, but not limited to, public
20 sidewalks, public parks, public transportation and public buildings, in the same manner as any
21 other person, and without discrimination on the basis of his or her experiencing homelessness;

22 (2) The right to equal treatment by all state and municipal agencies, without
23 discrimination on the basis of his or her experiencing homelessness;

24 (3) The right not to face discrimination while seeking or maintaining employment due to
25 his or her lack of permanent mailing address, or his or her mailing address being that of a shelter
26 or social service provider;

27 (4) The right to emergency medical care free from discrimination based on his or her
28 experiencing homelessness;

29 (5) The right to vote, register to vote and receive documentation necessary to prove
30 identity for voting without discrimination due to his or her experiencing homelessness;

31 (6) The right to protection from disclosure of his or her records and information provided
32 to homeless shelters and service providers to state, municipal and private entities without
33 appropriate legal authority; and the right to confidentiality of personal records and information in
34 accordance with all limitations on disclosure established by the United States Department of
35 Housing and Urban Development, the Federal Health Insurance Portability and Accountability
36 Act, and the Federal Violence Against Women Act; and

37 (7) The right to a reasonable expectation of privacy in his or her personal property to the
38 same extent as personal property in a permanent residence.
