(2023-2024)**

An Act relative to the campaign finance reporting cycle.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 55 of the General Laws as appearing in the 2020 Official Edition,  
2 is hereby amended by striking section 7A, and inserting in place thereof the following section:-

3 Section 7A. (a)(1) An individual may make campaign contributions to candidates or  
4 candidates' committees; provided, however, that the aggregate of all such contributions for the  
5 benefit of any one candidate and that candidate's committee shall not exceed the sum of \$1,000  
6 per election.

7 (2) An individual may in addition make campaign contributions for the benefit of elected  
8 political committees or non-elected political committees organized on behalf of a political party;  
9 provided, however, that the aggregate of such campaign contributions for the benefit of the  
10 political committees of any one political party shall not exceed the sum of \$10,000 per election.

11 (3) An individual may in addition make campaign contributions to any political  
12 committee not specified in paragraph (1), (2) or (4); provided, however, that the aggregate of

13 such campaign contributions to any one such political committee shall not exceed the sum of  
14 \$1,000 per election.

15 (4) An individual may in addition make contributions without limitation to ballot  
16 question committees.

17 (b) Notwithstanding any other provision of this chapter, the aggregate of all contributions  
18 by a legislative or executive agent for the benefit of any one candidate and such candidate's  
19 committee shall not exceed the sum of \$200 per election. Notwithstanding any other provision of  
20 this chapter, the aggregate of all contributions by a legislative or executive agent to any other  
21 political committee, other than a ballot question committee, shall not exceed the sum of \$200 per  
22 election.

23 (c) The contribution and aggregate amount limits referred to in this section shall be  
24 indexed biennially for inflation by the director, who, not later than December thirty-first of each  
25 even numbered year beginning with 2023, shall calculate and publish such indexed amount,  
26 using the federal consumer price index for the Boston statistical area. Such limits, after being  
27 calculated as above, shall be rounded to the nearest \$50; provided, that, if such resulting amount  
28 is less than \$50, the director shall retain a record of the resulting amount, when added to the  
29 resulting amount calculated in each even numbered year since the last adjustment was made  
30 equals or exceeds \$50.

31 (d) For purposes of the limitations on contributions, a contribution to a designated  
32 contribution committee which is forwarded to the designated recipient shall be treated in all  
33 respects as a direct contribution from the original contributor to the designated recipient.
