An Act relative to the tracking of certain electronic devices.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 13 of chapter 6C of the General Laws, amended by section 13 of chapter 46 of  
2 the acts of 2013, is hereby further amended by adding the following 5 subsections:-

3           (d) Any technology used for toll collection under this chapter, including radio-frequency  
4 identifying transponders, shall not be used to identify the location of any vehicle for purposes  
5 other than charging and collecting and, from time to time, fixing and revising tolls for transit  
6 under this section.

7           (e) No data derived from any technology used for toll collection under this chapter,  
8 including but not limited to the GPS coordinates, date and time, photograph, license plate  
9 number or other identifying information regarding any vehicle, shall be shared with or provided

10 to any entity outside the department without a valid warrant issued pursuant to the requirements  
11 of sections 2 to 3A, inclusive, of chapter 276.

12 (f) Any data obtained or accessed in violation of subsection (e) shall be inadmissible in  
13 any criminal or civil proceeding; provided, however, that an individual whose rights have been  
14 violated by the improper transfer of or access to data derived from any technology used for toll  
15 collection under this chapter, may introduce evidence concerning such data in a civil action

17 proceeding to introduce such evidence.

18 (h) Any aggrieved person may institute a civil action in district or superior court for  
19 damages resulting from a violation of subsection (e), or in superior court to restrain any such  
20 violation. If in any such action a willful violation is found to have occurred, the violator shall  
21 not be entitled to claim any privilege absolute or qualified, and he shall, in addition to any  
22 liability for such actual damages as may be shown, be liable for exemplary damages of not less  
23 than \$100 and not more than \$1,000 for each violation, together with costs and reasonable  
24 attorneys' fees and disbursements incurred by the person bringing the action.

25 (i) Any use of data obtained or accessed in violation of subsection (e) of this section shall  
26 be a violation of chapter 93A.
