An Act to regulate the use of unmanned aerial vehicles.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 272 of the General Laws, as appearing in the 2014 Official Edition,  
2 is hereby amended by inserting after section 99B the following section:—

3           Section 99C.

4           (a) As used in this section, the following words shall have the following meanings:—

5           “Unmanned aerial vehicle”, an aircraft that is operated without the possibility of direct  
6 human intervention from within or on the aircraft.

7           (b) Any use of an unmanned aerial vehicle shall fully comply with all Federal Aviation  
8 Administration requirements and guidelines. Unmanned aerial vehicles may not be equipped  
9 with weapons. The acquisition, purchase, or procurement of unmanned aerial vehicles shall be  
10 authorized, in the case of a unit of state or county government, by the Secretary of Public Safety,

11 or, in the case of a municipality, by the city council or other governing body, subject to approval  
12 by the Secretary of Public Safety.

13 (c) It is unlawful for a government entity or official to operate an unmanned aerial  
14 vehicle except as follows—

15 (1) in order to execute a warrant issued under section 2 of chapter 276.

16 (2) to enable the use of a drone for law enforcement purposes if the relevant authority  
17 obtains a warrant before that use

18 (3) in case of emergency when there is reasonable cause to believe that a threat to the life  
19 or safety of a person is imminent, subject to the following limitations:

20 i. the operator shall document the factual basis for the emergency; and

21 ii. not later than 48 hours after the unmanned aerial vehicle is initially deployed, a  
22 supervisory official shall file an affidavit describing the grounds for the emergency access.

23 (d) The lawful operation of unmanned aerial vehicles described in subsection (b) and the  
24 disclosure of information acquired by the operation of such vehicles shall be subject to the  
25 following limitations:

26 (1) When operated pursuant to a warrant, unmanned aerial vehicles shall collect data only  
27 on the warrant subject and avoid data collection on individuals, homes, and areas other than the  
28 warrant subject.

29 (2) Facial recognition and other biometric matching technology shall not be used on data  
30 collected by an unmanned aerial vehicle, except to identify the subject of a warrant.

31           (3) Under no circumstances shall unmanned aerial vehicles be used to track, collect or  
32 maintain information about the political, religious or social views, associations or activities of  
33 any individual, group, association, organization, corporation, business or partnership or other  
34 entity unless such information relates directly to investigation of criminal activity, and there are  
35 probable cause to suspect the subject of the information is involved in criminal conduct.

36           (e) Data collected on an individual, home, or area other than the target that justified  
37 deployment shall not be used, stored, copied, transmitted, or disclosed for any purpose, except  
38 with the written consent of the data subject. Such data shall be deleted as soon as practical, and  
39 in no event later than 24 hours after collection.

40           (f) Information acquired by government use of an unmanned aerial vehicle and  
41 information derived therefrom shall not be received in evidence in any judicial, regulatory, or  
42 other government proceeding if:

43           (1) the use of the unmanned aerial vehicle was unlawful;

44           (2) the unmanned aerial vehicle was used for an unlawful purpose or in an unlawful  
45 manner; or

46           (3) the disclosure would be in violation of the data retention limits in subsection (e).

47           (g) A government office or public official may include in its application for a warrant a  
48 request for an order delaying the notification required under subsection (g) for a period not to  
49 exceed 90 days, and the court shall issue the order if it determines there is reason to believe that  
50 notification of the existence of the warrant may have an adverse result as defined in section 1B  
51 of chapter 276. Upon expiration of any period of delay granted under this subsection, the

52 government office or public official shall provide the warrant subject a copy of the warrant  
53 together with notice required under, and by the means described in, subsection (h).

54 (h) Not later than seven days after information is collected by an unmanned aerial vehicle  
55 pursuant to subsection (c)(1) of this section, the government entity or official shall serve upon, or  
56 deliver by registered or first-class mail, electronic mail, or other means reasonably calculated to  
57 be effective as specified by the court issuing the warrant to the subject of the warrant a copy of  
58 the warrant, a copy of the application for the warrant, and notice that informs such individual:—

59 (1) of the nature of the law enforcement inquiry with reasonable specificity;

60 (2) that information regarding the warrant subject was collected, the dates on which the  
61 information was collected, and a description of that information;

62 (3) whether notification was delayed pursuant to subsection (h); and

63 (4) the judicial official authorizing any delay in notification.

64 (i) On the second Friday of January of each calendar year, any judge issuing or denying a  
65 warrant under subsection (c)(1) during the preceding calendar year shall report on each such  
66 warrant to the office of court management within the trial court:

67 (1) the fact that the warrant was applied for;

68 (2) the identity of the government entity or official making the application;

69 (3) the offense specified in the warrant or application therefor;

70 (4) the place where the information was to be obtained;

71 (5) the fact that the warrant was granted as applied for, was modified, or was denied; and

72 (6) the number and duration of any extensions of the warrant.

73 In June of each year, beginning in 2013, the court administrator in the office of court  
74 management within the trial court shall transmit to the legislature a full and complete report  
75 concerning the number of applications for warrants authorizing the use of unmanned aerial  
76 vehicles pursuant to subsection (c)(1) of this section. Such reports shall include a summary and  
77 analysis of the data required to be filed with that office. Such reports shall be filed with the  
78 offices of the clerk of the house and the senate and shall be public records. The court  
79 administrator in the office of court management within the trial court shall issue guidance  
80 regarding the form of such reports.
