An Act relative to the provision of group health insurance benefits in the town of Athol.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. (a) Notwithstanding chapter 32B of the General Laws or any other general
2 or special law to the contrary, the town of Athol may provide the following subsidiary or
3 additional contribution rates to the groups or classes of employees identified below that are
4 eligible under said chapter 32B to participate in the town’s contributory group health insurance
5 plans:

6 Employees hired prior to July 1, 20

7	Plan Type	Town Contribution	Employee Contribution
8	HMO plan	78 %	22 %
9	PPO plan	75 %	25 %

10 Employees hired on or after July 1, 2015:

11 Plan Type	Town Contribution	Employee Contribution
12 HMO plan	70 %	30 %
13 PPO plan	65 %	35 %

14 (b) If an employee becomes separated from service with the town for any reason other
15 than an involuntary layoff and subsequently returns to employment with the town, the
16 employee's most recent date of hire shall be used to determine the applicable contribution rate
17 under this section. If the returning employee's separation was the result of an involuntary layoff,
18 the employee shall contribute at the same rate that the employee was contributing at when the
19 layoff was imposed.

20 SECTION 2. (a) Notwithstanding chapter 32B of the General Laws or any other general
21 or special law to the contrary, the town of Athol may provide subsidiary or additional
22 contribution rates to groups or classes of retirees who are eligible under said chapter 32B to
23 participate in the town's contributory group health insurance plans. The percentage amount to be
24 contributed by an individual who retired prior to July 1, 2015 shall be 22 per cent for an HMO
25 type plan and 25 per cent for a PPO type plan. The percentage amount to be contributed by an
26 individual who retires on or after July 1, 2015 shall be the same percentage that the retiree was
27 contributing toward that same plan as an active employee immediately prior to the employee's
28 retirement. If the retiree elects to enroll in a plan that is different from the plan in which the
29 retiree was enrolled as an active employee immediately prior to the employee's retirement, the
30 percentage amount to be contributed by the retiree shall be equal to the percentage that the retiree
31 would have contributed at if the retiree been enrolled in the plan as an active employee.

32 (b) A retiree, spouse or dependent insured or eligible to be insured under said chapter
33 32B who is required by section 18A of said chapter 32B to transfer to a Medicare health plan
34 offered by the town under section 11C or section 16 of said chapter 32B shall contribute to the
35 premiums of the Medicare health plan at 25 per cent and the town shall contribute the remaining
36 75 per cent.

37 SECTION 3. Nothing in this act shall preclude the town of Athol from making changes
38 to the employee or retiree groups and contribution rates identified in sections 1 and 2.

39 SECTION 4. This act shall take effect as of July 1, 2015.
