The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court (2021-2022)

An Act ensuring access to a resident representative in long-term care facilities.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1	Notwithstanding any special or general law to the contrary, the department of public
2	health shall promulgate regulations to define "resident representative" in accordance with federal
3	law for purposes of providing standards and licensure requirements for long-term care facilities
4	under chapter 111. The department shall require each licensed long-term care facility to notify
5	each resident verbally and in writing that said resident has the right to choose a representative
6	and that said representative is permitted to accompany the resident to care plan meetings and
7	further support said resident in decision-making as it pertains to their care. The term "resident
8	representative" shall include, but not be limited to, the following:

9	(1) An individual chosen by the resident to act on behalf of the resident in order to
10	support the resident in decision-making; access medical, social or other personal information of
11	the resident; manage financial matters; or receive notifications;
12	(2) A person authorized by state or federal law (including but not limited to agents under
13	power of attorney, representative payees, and other fiduciaries) to act on behalf of the resident in
14	order to support the resident in decision-making; access medical, social or other personal
15	information of the resident; manage financial matters; or receive notifications;
16	(3) Legal representative, as used in section 712 of the Older Americans Act; or
17	(4) For residents adjudicated to lack capacity, the court-appointed guardian or
18	conservator of a resident to give informed consent.
19	Nothing in this Act shall expand the scope of authority of any resident representative
20	beyond that authority specifically authorized by the resident, federal law, or a court of competent
21	jurisdiction.
