**SENATE . . . . . No. 1663**

By Mr. Collins, a petition (accompanied by bill, Senate, No. 1663) of Nick Collins, Jack Patrick Lewis, Angelo J. Puppolo, Jr., Michael O. Moore and other members of the General Court for legislation relative to disability or death caused by infectious diseases, presumption. Public Service.

**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-Second General Court  
(2021-2022)**

An Act relative to disability or death caused by infectious diseases, presumption.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 32 of the General Laws is hereby amended by inserting after section 94B the  
2 following new section:-

3 Section 94C. (1) Notwithstanding the provisions of any general or special law to the  
4 contrary, and for the purposes of any death, disability or medical services claim including claims  
5 under Chapter 32, Chapter 41 and Chapter 152 of the General Laws, any contagious disease,  
6 resulting in disability or death to a full-time uniformed member of a paid police department, fire  
7 department or municipal emergency medical service shall, if he or she successfully passed a  
8 physical examination on entry into such service or subsequent to such entry, which examination  
9 failed to reveal any evidence of such condition, be presumed to have been suffered in the line of  
10 duty, unless it is shown by a preponderance of the evidence that non-service connected risk  
11 factors or non-service connected accidents or hazards undergone, or any combination thereof,  
12 caused such incapacity. The provisions of this section shall only apply if the disabling or fatal

13 condition is a type of contagious disease which may, in general, result from exposure to blood  
14 and other body fluids of the sick, excluding the common cold. (2) Any person first discovering  
15 any such condition within five years of the last date on which such person actively so served  
16 shall be eligible to apply for benefits hereunder, and such benefits, if granted, shall be payable as  
17 of the date on which the employee last received regular compensation. The provisions of this  
18 section shall not apply to any person serving in such position unless such person shall first  
19 establish that he has regularly responded to calls for police, fire or emergency medical service  
20 during some portion of the period of his service in such position. (3) The provisions of this  
21 section shall also apply to any condition of COVID-19, Hepatitis A, B, or C, Tuberculosis, HIV,  
22 and any other contagious disease which is found by regulation by the commissioner of the  
23 department of public health to have a statistically significant correlation with police, fire or  
24 emergency medical service. (4) Nothing herein shall preclude a member from applying for and  
25 receiving benefits under section seven or section nine, subject to the provisions of said sections.
