An Act to promote urban agriculture and horticulture.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 5 of chapter 59 of the General Laws, as appearing in the 2018 Official Edition, is  
2 hereby amended by adding the following clause: -

3           Fifty-ninth. Up to 100 percent of the assessed value of real estate in agricultural,  
4 horticultural or agricultural and horticultural use, as those terms are defined in sections 1 and 2  
5 of chapter 61A, provided that the real estate or portion thereof in agricultural, horticultural or  
6 agricultural and horticultural use is less than 2 acres in area; provided further, that gross sales of  
7 agricultural, horticultural or agricultural and horticultural products resulting from such uses  
8 together total not less than \$500 in the previous year. The exemption provided in this clause shall  
9 apply only to the portion of real estate in agricultural, horticultural or agricultural and  
10 horticultural use. This clause shall take effect in any city or town upon acceptance of this section;

11 provided, that such city or town has a population of at least 50,000 inhabitants or meets the  
12 definition of a gateway municipality under section 3A of chapter 23A. The legislative body of  
13 any city or town that accepts this clause shall establish and may thereafter modify the percentage  
14 of the assessed value exempt from taxation and may determine whether rooftop and container  
15 farm operations shall be eligible for said exemption.
