Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 8G of chapter 26 of the General Laws, as appearing in the 2012
2 Official Edition, is hereby amended by striking out the last paragraph and inserting in place
3 thereof the following paragraph: -

4 Whenever a licensed appraiser, whether employed by a registered motor vehicle repair
5 shop, employed by a licensed insurer or acting as an independent appraiser, determines that a
6 motor vehicle is damaged such that (a) it may no longer meet the safety standards established by

14 and to obtain a new certificate of inspection. The registrar of motor vehicles shall periodically,
15 but not less frequently than annually issue specific guidelines on the safety or emissions items
16 that require the prescribed notice to and shall publish such guidelines in the Massachusetts
17 Register. The registrar of motor vehicles shall establish rules and regulations promulgated
18 pursuant to chapter 30A for the implementation and enforcement of this paragraph.
