150 reporting party and the accused party, when feasible.

151 (i) An institution of higher education shall enter into and maintain a memorandum of
152 understanding with at least 1 community-based department of public health funded sexual assault
153 crisis service center and at least 1 community-based domestic violence agency to: (i) provide an
154 off-campus alternative for a reporting party to receive sexual assault crisis services in response to
155 dating violence, domestic violence, sexual assault or stalking; (ii) ensure that a student or
156 employee of the institution may access free and confidential counseling and advocacy services,

164 The memorandum of understanding may include an agreement, including a fee structure,
165 for the sexual assault crisis service center or domestic violence agency to provide confidential

168 student education and prevention programs; the development of staff training and prevention
169 curriculum; and confidential on-site office space for an advocate from a sexual assault crisis
170 service center or domestic violence agency to meet with a reporting party.

171 The department of higher education may grant a waiver of this requirement to an
172 institution that demonstrates that the institution acted in good faith but was unable to obtain a
173 signed memorandum.

174 (j) Each institution of higher education shall provide a method for anonymously reporting
175 an incident of dating violence, domestic violence, sexual assault or stalking that involves a
176 student or employee of the institution. An institution shall ensure that students and employees are
177 aware of the institution's obligations under state or federal law to: (i) investigate or address, to
178 the extent possible, the alleged dating violence, domestic violence, sexual assault or stalking,
179 including when the alleged act was reported anonymously; (ii) assess whether the report triggers
180 the need for a timely warning or emergency notification under 34 CFR 668.46(e), the obligations
181 of which may, in limited circumstances, result in the release of the reporting party's identity; and
182 (iii) disclose the identity of a reporting party to another student, an employee or a third party.

183 (k) A reporting party or witness to an investigation of dating violence, domestic
184 violence, sexual assault or stalking shall not be subject to a disciplinary sanction for a violation
185 of the institution's student conduct policy related to the incident unless the institution determines
186 that the report was not made in good faith or that the violation was egregious. An egregious
187 violation shall include, but shall not be limited to, an action that places the health and safety of
188 another person at risk.

189 (l) Each institution of higher education shall establish a campus security policy that
190 includes the designation of at least 1 confidential resource advisor at the institution to whom a
191 party reporting dating violence, domestic violence, sexual assault or stalking can report
192 anonymously or directly. The confidential resource advisor may have another role at the
193 institution; provided, however, that the confidential resource advisor shall not be an employee

194 designated as a responsible employee, as defined in subsection (a), a student or a Title IX
195 coordinator.

196 The institution shall designate existing categories of employees that may serve as
197 confidential resource advisors. The designation of an existing category of employees shall not
198 preclude the institution from designating a new or existing employee or partnering with a local,
199 state or national victim services organization to serve as a confidential resource advisor or to
200 serve in another confidential role. An institution may partner with an outside victim advocacy
201 organization to provide a confidential resource advisor under this section. An institution that
202 enrolls fewer than 1,000 students may partner with another institution in the region or within the
203 state to provide the services under this section.

204 The role of the confidential resource advisor shall be to serve as a liaison for a reporting
205 party. If requested by the reporting party, the confidential resource advisor shall provide
206 information on: (i) reporting options and the effects of each option; (ii) counseling services
207 available through a local, community-based rape crisis center or domestic violence program;
208 (iii) administrative, medical and health services available on-campus and off-campus; (iv)
209 available academic accommodations; (v) the disciplinary process of the institution; and (vi) the

212 assault and stalking and in trauma-informed response and coordinate with on-campus and off-
213 campus sexual assault crisis services and, if directed by the reporting party, campus or local law
214 enforcement and may, as appropriate, assist the reporting party in contacting or reporting to
215 campus or local law enforcement. The confidential resource advisor shall coordinate with the
216 institution to arrange interim protective measures to allow the reporting party to change

217 academic, living, campus transportation or working arrangements in response to the alleged
218 assault, stalking or violence.

219 The confidential resource advisor shall also advise the reporting party of the parties'
220 rights and the institution's responsibilities regarding a protection order, no contact order,
221 restraining order and other lawful orders issued by the institution or a criminal, civil or tribal
222 court.

223 The confidential resource advisor shall not be required to report an incident to the
224 institution or law enforcement unless otherwise required to do so by state and federal law and
225 shall provide confidential services to students and employees. A request for a possible interim
226 protective measure to change an academic, living, campus transportation or working situation in
227 response to alleged dating violence, domestic violence, sexual assault or stalking made by a
228 confidential resource advisor shall not constitute notice to a responsible employee for Title IX
229 purposes.

230 The website of the institution shall list: reporting options for a reporting party; the
231 process of investigation and adjudication by the institution; and the process for requesting a
232 possible interim protective measure, when reasonable and available, to change an academic,
233 living, campus transportation or working situation in response to alleged dating violence,
234 domestic violence, sexual assault or stalking.

235 If a conflict of interest arises for an institution in which a confidential resource advisor is
236 advocating for the reporting party's need for sexual assault crisis services or campus or law
237 enforcement services, the institution shall not discipline, penalize or otherwise retaliate against
238 the confidential resource advisor for representing the interest of the reporting party.

239 A confidential resource advisor may attend an administrative or institution-based
240 adjudication proceeding related to such elderly and disabled consumers as the advisor or support
241 person of the reporting party's choice.

242 Unless otherwise required by federal or state law, a confidential resource advisor shall
243 not disclose a confidential communication without the prior written consent of the reporting
244 party; provided, however, that nothing in this section shall be construed to limit a defendant's
245 right of cross examination of the advisor in a civil or criminal proceeding if the advisor testifies
246 after written consent has been given. A confidential communication shall not be subject to
247 discovery and shall be inadmissible in a criminal or civil proceeding without the prior written
248 consent of the reporting party. Information provided to the confidential resource advisor shall not
249 be released to a campus official or law enforcement unless written consent is given by the
250 reporting party. A confidential resource advisor shall not act as a counselor or therapist unless
251 the confidential resource advisor holds a valid license under chapter 112 and the reporting party
252 engages the confidential resource advisor in that capacity. The privileges available under chapter
253 233 shall apply.

254 (m) Each institution of higher education shall provide: (i) mandatory annual dating

258 play in an individual's ability to consent; (C) information on options relating to the reporting of
259 an instance of dating violence, domestic violence, sexual assault or stalking, the effects of each
260 option and methods to report an incident of dating violence, domestic violence, sexual assaults or
261 stalking, including confidential and anonymous disclosure; (D) the name, contact information

262 and role of the confidential resource advisor; and (E) strategies for bystander intervention and
263 risk reduction; and (ii) opportunities for ongoing dating violence, domestic violence, sexual
264 assault and stalking prevention and awareness campaigns and programming.

265 (n) Notice to a confidential resource advisor of an alleged act of sexual assault, domestic
266 violence, dating violence or stalking or a confidential resource advisor's performance of a
267 service under this section shall not be considered actual or constructive notice of such an alleged
268 act to the institution of higher education at which the confidential resource advisory is employed
269 or provides contracted services.

270 (o) Each institution of higher education in the state shall employ responsible employees,
271 as defined in subsection (a), who shall be responsible for reporting cases of dating violence,
272 domestic violence, sexual assault and stalking to the Title IX coordinator of the institution.
273 Responsible employees shall complete minimum training requirements as determined by the
274 department of higher education in coordination with the attorney general and that include
275 training by a local, state or national victim services organization and shall be responsible for
276 providing a student or employee of the institution who reports that the student or employee has
277 been a reporting party of dating violence, domestic violence, sexual assault, or stalking whether
278 the offense occurred on or off campus, with a written explanation of the student or employee's
279 rights and options, as described in section 168D of chapter 6.

280 (p) An individual who participates in the implementation of an institution of higher
281 education's disciplinary process, including an individual responsible for resolving complaints of
282 reported incidents, shall have training or experience in handling dating violence, domestic
283 violence, sexual assault and stalking complaints and the operations of the institution's
284 disciplinary process. The training shall include, but not be limited to: (i) information on working

285 with and interviewing persons subjected to dating violence, domestic violence, sexual assault and
286 stalking; (ii) information on particular types of conduct that constitute dating violence, domestic
287 violence, sexual assault and stalking including same-sex dating violence, domestic violence,
288 sexual assault and stalking; (iii) information on consent and the role drugs and alcohol can play
289 in the ability to consent; (iv) the effects of trauma including neurobiological impact on a person;
290 (v) cultural awareness training regarding how dating violence, domestic violence, sexual assault
291 and stalking may impact students differently depending on a student's cultural background; and
292 (vi) ways to communicate sensitively and compassionately with a reporting party of dating
293 violence, domestic violence, sexual assault or stalking including, but not limited to, an awareness
294 of responding to a reporting party with consideration of that party's cultural background and
295 providing services to or assisting in locating services for the reporting party.

296 (q) Each institution of higher education shall ensure that its Title IX coordinator and
297 members of its special or campus police force or the campus safety personnel employed by the
298 institution are educated in the awareness and prevention of dating violence, domestic violence,
299 sexual assault and stalking and in trauma-informed response.

300 (r) Notwithstanding any general or special law to the contrary, a member of the state
301 police or a local police department who acts as a first responder to a report of dating violence,
