140 amended by inserting after section 60, the following 2 new sections:-

141 Section 60A. There shall be established and set up on the books of the commonwealth a
142 Thoroughbred Horse Capital Improvements Trust Fund to be administered by the board. During

143 each calendar year each running horse track licensee under section 3 of chapter 23K ¼, other
144 than a licensee holding a racing meeting in connection with a state or county fair, shall daily pay:
145 the total sum of the so-called breaks, as defined in section 9 of said chapter 23K ¼ , less one
146 hundred thousand dollars, into the said trust fund under the direction and supervision of the state
147 racing board members, as they are individuals, as trustees of said trust; provided, however, that
148 the aforementioned sum of one hundred thousand dollars shall be allocated, subject to
149 appropriation, to the Massachusetts council on compulsive gambling. Said trustees shall deposit
150 all monies in said trust fund in one or more banks, at interest, within the commonwealth.

151 Said trustees may expend without appropriation all or any part of the Thoroughbred
152 Horse Capital Improvements Trust Fund to a running horse track licensee in proportion to the
153 amount deposited in said fund by said running horse track licensee for use as all or part of a
154 capital expenditure for alterations, additions, replacements, changes, improvements or major
155 repairs to or upon the property owned or leased by such licensee and used by it for the conduct of
156 racing, but not for the costs of maintenance or of other ordinary operations, whether such costs
157 have been incurred or not. Said trustees may expend to a licensee all amounts accumulated in
158 such trust fund which are attributable to racing operations conducted at a running horse track.

159 Said trustees shall prescribe terms and conditions for such grants and may designate
160 specific capital improvements to be undertaken by a licensee; provided, however, that, prior to
161 approving any expenditures from said trust funds for purposes not designated by the trustees, the
162 trustees shall require the licensee to submit to them detailed business plans describing the
163 specific capital improvements contemplated by the licensee and shall formally vote to permit
164 such expenditures; provided, further, that under no circumstances shall the trustees permit the
165 expenditure of trust funds for purposes not directly related to the improvement of running horse

166 racing; and provided, further, that such terms and conditions for capital improvement projects
167 shall include schedules of periodic payments to be prepared by the trustees in accordance with
168 schedules contained in construction contracts for such capital improvement projects. Such
169 licensee shall comply with all applicable provisions of chapter 149 unless such compliance is
170 waived by the commission for cause.

171 No such expenditure for such capital improvements shall be approved by the trustees if
172 such improvements are to be accomplished pursuant to a contract with a person, corporation,
173 partnership, trust or any combination of the same or any other entity owned wholly or in part by
174 a person, corporation, partnership, trust or any combination of the same or any other entity which
175 owns or operates or holds any interest in any racetrack in the commonwealth.

176 The trustees shall hire the services of such architectural and engineering consultants or
177 the services of such other consultants as they deem appropriate to advise them generally and to
178 evaluate proposed capital improvement projects submitted to them for their approval.

179 Nothing herein contained shall preclude a running horse track from making capital
180 improvements not funded in whole or in part from such funds; provided, however, that all sums
181 approved by said trustees hereunder shall be expended in their entirety for capital improvements;
182 provided, further, that any revision by said licensee in the making of capital improvements as
183 hereinbefore provided, shall require separate written approval by the trustees therefor. All
184 financial statements required under section 11 of chapter 23K ¼ shall be accompanied by a
185 statement signed under the pains and penalties of perjury by the chief financial officer of the
186 licensee, setting forth the capital improvements made with funds obtained under this section and

187 further certifying that such expenditures are treated as capital expenditures in the accompanying
188 financial statements.

189 The trustees shall require from a running horse racetrack such vouchers, cancelled checks
190 or other documents as said trustees deem necessary to verify that the expenditures from said
191 funds were carried out in accordance with the provisions of this section.

192 Funds paid by licensees and deposited by the board in the Thoroughbred Horse Capital
193 Improvements Trust Fund shall remain in said funds until expended under this section; provided,
194 however, that any amount in said accounts as of December 31st of each year which has not been
195 so expended or as to which no binding commitment has been made by said trustees shall
196 thereupon be deposited in the Race Horse Development Fund established under section 60 of
197 chapter 23K.

198 Section 60B. There shall be established and set up on the books of the commonwealth a
199 Standardbred Horse Capital Improvements Trust Fund to be administered by the board. During
200 each calendar year each harness horse track licensee under section 3 of chapter 23K $\frac{1}{4}$, other
201 than a licensee holding a racing meeting in connection with a state or county fair shall daily pay:
202 the total sum of the so-called breaks, as defined in section 9 of said chapter 23K $\frac{1}{4}$, and a sum
203 equal to 2 per cent of the total amount wagered by patrons wagering on the speed or ability of a
204 combination of more than one harness horse in a single pool, exotic wagering, so-called, into the
205 said trust fund under the direction and supervision of the state racing board members, as they are
206 individuals, as trustees of said trust. Said trustees shall deposit all monies in said trust fund in
207 one or more banks, at interest within the commonwealth.

208 Said trustees may expend without appropriation all or any part of the Standardbred Horse
209 Capital Improvements Trust Fund to a harness horse track licensee for use as all or part of a
210 capital expenditure for alterations, additions, replacements, changes, improvements or major
211 repairs to or upon the property owned or leased by such licensee and used by it for the conduct of
212 racing, but not for the costs of maintenance or of other ordinary operations, whether such costs
213 have been incurred or not. Said trustees may expend to a licensee all amounts accumulated in
214 such trust fund which are attributable to racing operations conducted at a harness horse track.

215 Said trustees shall prescribe terms and conditions for such grants and may designate
216 specific capital improvements to be undertaken by the licensee; provided, however, that prior to
217 approving any expenditures from said trust fund for purposes not designated by the trustees, the
218 trustees shall require the licensee to submit to them detailed business plans describing the
219 specific capital improvements contemplated by the licensee and shall formally vote to permit
220 such expenditures; provided, further, that under no circumstances shall the trustees permit the
221 expenditure of trust funds for purposes not directly related to the improvement of harness horse
222 racing; provided, further, that such terms and conditions for capital improvement projects shall
223 include schedules of periodic payments to be prepared by the trustees in accordance with
224 schedules contained in construction contracts for such capital improvement projects. Such
225 licensee shall comply with all applicable provisions of chapter 149 unless such compliance is
226 waived by the commission in writing for cause.

227 No such expenditure for capital improvements shall be approved by the trustees if such
228 improvements are to be accomplished pursuant to a contract with a person, corporation,
229 partnership, trust or any combination of the same or any other entity owned wholly or in part by

230 a person, corporation, partnership, trust or any combination of the same or any other entity which
231 owns or operates or holds any interest in any racetrack in the commonwealth.

232 The trustees shall hire the services of such architectural and engineering consultants or
233 the services of such other consultants as they deem appropriate to advise them generally and to
234 evaluate capital improvement projects submitted to them for their approval.

235 Nothing herein contained shall preclude a harness horse track from making capital
236 improvements not funded in whole or in part from such funds; provided, however, that all sums
237 approved by said trustees hereunder shall be expended in their entirety for capital improvements;
238 provided, further, that any revision by said licensee in the making of capital improvements as
239 hereinbefore provided, shall require separate written approval by the trustees therefor. All
240 financial statements required under section 11 of chapter 23K ¼ shall be accompanied by a
241 statement signed under the pains and penalties of perjury by the chief financial officer of the
242 licensee, setting forth the capital improvements made with funds obtained under this section and
243 further certifying that such expenditures are treated as capital expenditures in the accompanying
244 statements.

245 The trustees shall require from a harness racetrack such vouchers, cancelled checks or
246 other documents as said trustees deem necessary to verify that the expenditures from said funds
247 were carried out in accordance with the provisions of this section.

248 Funds paid by licensees and deposited by the board in the Standardbred Horse Capital
249 Improvements Trust Fund shall remain in said funds until expended under this section; provided,
250 however, that any amount in said accounts as of December 31st of each year which has not been
251 so expended or as to which no binding commitment has been made by said trustees shall

252 thereupon be deposited in the Race Horse Development Fund established under section 60 of
253 chapter 23K.

349 No license shall be issued which would permit a racing meeting to be held or conducted
350 except under the following conditions:

351 (a) No license shall be issued for more than an aggregate of 200 racing days in any 1 year
352 at all running horse racing meetings combined, not including running horse racing meetings held
353 in connection with state or county fairs.

354 (b) No license shall be issued for more than an aggregate of 200 racing days in any 1 year
355 at all harness horse racing meetings combined, including harness horse racing meetings at state
356 or county fairs.

357 (c) Licenses shall permit racing meetings only between the hours of 10:00 a.m. and 12:00
358 midnight. The board shall grant authorized dates at such times that are consistent with the best
359 interests of racing and the public; provided, however, that dates for racing meetings held in
360 connection with a state or county fair may only be awarded during the period between June 15
361 and October 15. The board may, in its discretion, on written application from a racing licensee
362 made at least 7 days prior to the date of any proposed change of time stated in the racing license
363 and without necessity for further public hearing, change the hours of conducting such racing
364 meeting between any of the aforesaid hours, notwithstanding the hours set forth on the license;
365 provided, however, that, if by reason of state or national emergency, night illumination is
366 forbidden by public authority, then the board may, in its discretion, issue a license to permit
367 racing at such hours as the board shall determine between the hours of 10:00 a. m. and 12:00
368 midnight. For the purpose of imposing the fee provided for in section 4, computing the sums
369 payable to the board under section 9 and counting the number of days authorized by clauses (a)
370 and (b), any racing meeting held after 7:00 p.m. on the same day on which a racing meeting is
371 held at the same race track prior to 7:00 p.m. shall be considered a separate day of racing.

372 (d) Each county shall have not more than 1 racing meeting licensee, except in connection
373 with a state or county fair.

374 (e) No license shall be issued to any person who is in any way in default, under the
375 provisions of this chapter, in the performance of any obligation or in the payment of any debt to

376 the board; provided, however, that no license shall be issued to any person who has, within 10
377 years of the time of filing the application for the license, been convicted of violating section 9.

378 (f) In granting authorized dates under this section, the board shall take into consideration,
379 in addition to any other appropriate and pertinent factors, the following: the financial ability of
380 an applicant to operate a race track; the maximization of state revenues; the suitability of racing
381 facilities for operation at the time of the year for which dates are assigned; the circumstance that
382 large groups of spectators require safe and convenient facilities; the interest of members of the
383 public in racing competition honestly managed and of good quality; the necessity of having and
384 maintaining proper physical facilities for racing meetings and the necessity of according fair
385 treatment to the economic interest and investments of those who in good faith have provided and
386 maintain such facilities. Notwithstanding the foregoing provisions of this section, the board shall
387 have the right to review and reconsider without further notice or public hearing any application
388 made prior to October 1 for which racing dates have been requested for the following year;
389 provided that the application has had a public hearing prior to November 15; and provided,
390 further, that any applicant who has been denied these racing dates makes a written request for
391 review and reconsideration within 90 days of receiving notice of the denial; and provided further,
392 that the commission shall reconsider and review the request within 180 days of the denial.

393 (g) No license shall be transferable, except with the approval of the board.

394 (h) No license shall be issued to permit horse racing meetings to be held on premises
395 owned by the commonwealth or any political subdivision thereof.

396 (j) No license shall be issued to any person to hold or conduct a horse racing meeting in
397 connection with a state or county fair or any exhibition for the encouragement or extension of

398 agriculture under the reduced license fee provided in section 4, unless the applicant shall first
399 satisfy the board that the main purpose of the fair or exhibition is the encouragement or extension
400 of agriculture and that the same constitutes a bona fide exhibition of that character. No license
401 shall be issued to a person to hold or conduct a horse racing meeting in connection with a state or
402 county fair or any exhibition for the encouragement or extension of agriculture for more than 15
403 days in a calendar year.

404 (k) No license shall be issued unless the person applying therefor shall have executed and
405 delivered to the board a bond payable to the board in the amount of \$1,250,000 with a surety or
406 sureties approved by the board conditioned upon the payment of all sums which may become
407 payable to the board under this chapter; provided, however, that the amount of such bond, in the
408 case of any person holding or conducting a racing meeting in connection with a state or county
409 fair, shall be \$250,000.

410 (l) Every license shall be recorded in the office of the clerk of the city or town in which
411 the racing meeting is held or conducted at a time not less than 5 days before the first day of the
412 meeting or forthwith upon the issuance of the license if the same shall be issued after that time.
413 After the license is so recorded, a duly certified copy thereof shall forthwith be conspicuously
414 displayed and shall be kept so displayed continuously during the racing meeting in the principal
415 business office at the race track where the meeting is held and at all reasonable times shall be
416 exhibited to any person requesting to see the same.

417 (m) Every licensee shall keep conspicuously posted in various places on its premises a
418 notice containing the name and numbers of the council on compulsive gambling and a statement
419 of its availability to offer assistance.

420 Section 4. The fee for the license provided for in section 3 shall be \$300 or three-fourths
421 of one-tenth of one per cent of the average daily handle of the previous calendar year for each
422 day of any running horse or harness horse racing meeting, whichever is the greater amount;
423 provided, however, that a reduced fee, applicable to a license to any person holding or
424 conducting a horse racing meeting in connection with a state or county fair, or any exhibition for
425 the encouragement or extension of agriculture, shall not exceed \$100 for each day of such horse
426 racing meeting.

427 If for any reason or cause, beyond the control of and through no fault or neglect of any
428 licensee and while such licensee is not in default, it should become impossible or impracticable
429 to conduct racing upon any day or successive days specified in a license issued by the board, the
430 board at the request of the licensee may, and upon proper showing shall, request the state
431 treasurer to refund to the licensee an amount equal to the license fees paid for days on which
432 such licensee does not hold or conduct a racing meeting under the terms of the license issued for
433 such purpose. Upon receipt of such request, the state treasurer shall forthwith pay such amount to
434 such licensee. The board may, upon application of any such licensee, and upon the payment of
435 the required license fees, grant an additional license for not more than the number of days on
436 which it was impossible or impracticable to conduct racing, which days shall not be counted in
437 the aggregate of racing days permitted by section 3. The decision of the board as to such
438 impossibility or impracticability shall be final.

439 No license fee for the privilege of holding or conducting a horse racing meeting, or for
440 any other purpose peculiarly incidental to the holding or conducting of such a meeting, shall be
441 imposed upon or collected from such a licensee by any city or town.

442 Section 5. (a) The provisions of section 181 of chapter 140, and of sections 31, 33 and 34
443 of chapter 271, and of chapter 494 of the acts of 1908 shall not apply to race tracks or racing
444 meetings laid out and conducted by licensees under this chapter or to animals eligible to race at
445 such meetings; except that no license shall be granted by the board for a racing meeting in any
446 city or town, except in connection with a state or county fair, unless the location of the race track
447 where such meeting is to be held or conducted has been once approved by the mayor and city
448 council or the town council or the selectmen as provided by said section 33 of said chapter 271,
449 after a public hearing, seven days' notice of the time and place of which hearing shall have been
450 given by posting in a conspicuous public place in such city or town and by publication in a
451 newspaper published in such city or town, if there is any published therein, otherwise in a
452 newspaper published in the county wherein such city or town is situated, and a majority of the
453 registered voters of such city or town voting on the described location relative to granting such
454 licenses have voted in the affirmative within the same calendar year as such approval by a mayor
455 and city council or the town council or the selectmen.

456 (b) A certified copy of the results of a vote on a question submitted to the voters of a
457 political subdivision, in accordance with the provisions of this chapter, relative to granting a
458 license for a horse racing meeting or horse races at fairs, shall be sent by the state secretary, or
459 by the city or town clerk in the case of a vote by a city or town, to the board within 90 days after
460 the election.

461 Section 6. The board shall have full discretion to refuse to grant a license to any applicant
462 for a license or to suspend or revoke the license of any licensee. If any license is suspended or
463 revoked, the board shall make a record of its reasons for doing so and such record shall be made
464 available to any person requesting to inspect the same.

465 Section 7. Except in the case of a publicly held corporation, no person, firm, partnership,
466 trust, association or corporation who has been granted a license to conduct a horse racing
467 meeting, or an officer, director or the beneficial owner of 10 per cent or more of the stock of a
468 corporation holding such a license, shall sell, transfer, convey or cause to be transferred, singly
469 or in concert with others, more than 10 per cent of the value or stock of the facility or corporation
470 so licensed without first obtaining the written approval of the board.

471 The board shall approve such sale, transfer or conveyance unless it finds that the
472 consideration therefor is (i) inadequate or (ii) without good cause, (iii) that the sale or transfer
473 results in an undesirable concentration of ownership of racing facilities within the
474 commonwealth, or (iv) that the sale or transfer has an adverse impact upon the integrity of the
475 racing industry.

476 A publicly held corporation, shall, prior to the sale, transfer or conveyance of more than
477 10 per cent of the stock of the corporation, file notice of such action with the board. A copy of
478 any filing required by state or federal securities law regarding notice of such sale, transfer or
479 conveyance shall be simultaneously filed with the board. The board shall have the same rights as
480 to transferees as it would have with respect to original applicants for licensure.

481 Section 8. At least 85 per cent of the persons employed by a licensee at a racing meeting
482 held or conducted by them shall be citizens of the commonwealth and shall have been such
483 citizens for at least two years immediately prior to such employment.

484 Section 9. (a) Before holding or conducting a racing meeting, every licensee shall provide
485 a place or places, equipped as hereinafter provided, on the grounds where such meeting is held or
486 conducted or adjacent thereto, but not elsewhere, at which such licensee shall conduct and

487 supervise the pari-mutuel or certificate system of wagering on the speed or ability of horses
488 performing in the races held or conducted by such licensee at such meeting, and such pari-mutuel
489 or certificate method of wagering upon such races so conducted shall not under any
490 circumstances be held or construed to be unlawful, notwithstanding any general or special law to
491 the contrary. Such place or places shall be equipped with automatic betting machines capable of
492 accurate and speedy determination of awards or dividends to winning patrons, and all such
493 awards or dividends shall be calculated by a totalisator machine or like machine, except at state
494 or county fairs.

495 (b) No other place or method of betting, poolmaking, wagering or gambling shall be used
496 or permitted by the licensee, nor shall this chapter be deemed to authorize or legalize the pari-
497 mutuel or certificate system of wagering on any races except at the track where such pari-mutuel
498 or certificate system of wagering is conducted; provided, however, that this prohibition shall not
499 apply to simulcast wagering authorized under chapter 23K ½ nor to account wagering
500 authorized under section 10 of said chapter.

501 (c) Each licensee conducting a running horse racing meeting, other than a licensee
502 holding a racing meeting in connection with a state or county fair, shall return to the winning
503 patrons wagering on the speed or ability of any 1 running horse in a race or races all sums so
504 deposited as an award or dividend, according to the acknowledged and recognized rules and
505 methods under which such pari-mutuel or certificate system has been operated, less the breaks
506 and less an amount not to exceed 19 per cent of the total amount so deposited by patrons
507 wagering on the speed or ability of any 1 running horse; and each such licensee shall return to
508 the winning patrons wagering on the speed or ability of a combination of more than 1 horse in a
509 single pool, also known as an exotic wager, all sums so deposited as an award or dividend,

510 according to the acknowledged and recognized rules and methods under which such pari-mutuel
511 or certificate system has been operated, less the breaks and less an amount not to exceed 26 per
512 cent of the total amount deposited. Each licensee shall:

513 (1) pay to the board on the day following each day of such running horse racing meeting
514 a sum equal to 0.75 per cent of the total amount deposited on the preceding day by patrons so
515 wagering at the meeting, the percentage to be paid from the 19 per cent or 26 per cent withheld,
516 as provided in this section, from the total amount wagered;

517 (2) pay to the Massachusetts Thoroughbred Breeders Association, Inc. on the day
518 following each day of such running horse racing meeting a sum equal to 1 per cent of the total
519 amount deposited by the patrons, less the breaks, and taken from the 19 per cent withheld and
520 from the 26 per cent withheld from exotic wagers, the monies to be used for the purposes of
521 subsection (g) of section 2 of chapter 128;

522 (3) allocate from the total amount deposited daily by the patrons wagering at the meeting
523 a sum equal to 8.5 per cent from the 19 per cent withheld and a sum equal to 9.5 per cent from
524 the 26 per cent withheld from the exotic wagers to be used solely for the payment of purses to
525 the horse owners in accordance with the rules and established customs of conducting running
526 horse racing meetings and, with the approval of the appropriate horsemen's association
527 representing the horse owners racing at that meeting, for payment of administrative and
528 horseracing operations, and the monies shall be in addition to monies deposited into a separate
529 purse account as simulcast premiums received pursuant to section 2 of chapter 23K ½;

530 (5) pay a sum equal to 0.25 per cent from the 19 per cent and 26 per cent withheld from
531 the total amount wagered by patrons so wagering and the total sum of the breaks annually into

532 the trust fund known as the Thoroughbred Horse Capital Improvements Trust Fund, under the
533 direction and supervision of the state racing board members as they are individuals as trustees of
534 said trust;

535 (6) pay to Tufts University School of Veterinary Medicine on the day following each day
536 of such running horse racing meeting a sum equal to 0.5 per cent of the total amount deposited
537 by the patrons, less the breaks, from the 26 per cent withheld from exotic wagers, to be used for
538 equine research scholarships and loans.

539 Each licensee may retain as its commission on the total of all sums so deposited, a sum
540 not exceeding the balance of the 19 or 26 per cent withheld as provided in this section from the
541 total amounts wagered less the amounts required to be paid under clauses (1) to (6), inclusive.

542 (d) Each licensee conducting a harness horse racing meeting shall return to the winning
543 patrons wagering on the speed or ability of any 1 harness horse in a race or races all sums so
544 deposited as an award or dividend, according to the acknowledged and recognized rules and
545 methods under which such pari-mutuel or certificate system has been operated, less the breaks
546 and less an amount not to exceed 19 per cent of the total amount so deposited by patrons
547 wagering on the speed or ability of any 1 harness horse; and each such licensee shall return to the
548 winning patrons wagering on the speed or ability of a combination of more than 1 horse in a
549 single pool, also known as an exotic wager, all sums so deposited as an award or dividend,
550 according to the acknowledged and recognized rules and methods under which such pari-mutuel
551 or certificate system has been operated, less the breaks and less an amount not to exceed 26 per
552 cent of the total amount so deposited. Each such licensee, including a licensee holding a harness
553 horse racing meeting in connection with a state or county fair, shall:

554 (1) pay to the board on the day following each day of such harness horse racing meeting,
555 excluding races conducted in connection with a state or county fair, a sum equal to 0.75 per cent
556 of the total amount deposited on the preceding day by patrons so wagering at the meeting, the
557 percentage to be paid from the 19 per cent withheld from the straight wagers or 26 per cent
558 withheld from the exotic wagers as provided under this section;

559 (2) pay to the Massachusetts Standardbred Breeders program established under
560 subsection (j) of section 2 of chapter 128, on the day following each day of the harness horse
561 racing meeting a sum equal to 0.5 per cent of the total amount deposited by the patrons, less the
562 breaks, and taken from the 19 per cent withheld from the straight wagers and a sum equal to 1.5
563 per cent of the total amount deposited by the patrons, less the breaks, from the 26 per cent
564 withheld from the exotic wagers; the monies to be used for the purposes of said subsection (j) of
565 said section 2 of said chapter 128;

566 (3) allocate from the total amount deposited daily by the patrons wagering at such
567 meeting a sum equal to 8 per cent from the 19 per cent withheld and a sum equal to 10 per cent
568 from the 26 per cent withheld from the exotic wagers to be used solely for the payment of purses
569 to the horse owners in accordance with the rules and established customs of conducting harness
570 horse racing meetings; the monies shall be in addition to monies deposited into a separate purse
571 account as simulcast premiums received under section 2 of chapter 23K ½ ;

572 (5) pay the total sum of the breaks and a sum equal to 2 per cent of the total amount of
573 the exotic wagers into the trust fund known as the Standardbred Horse Capital Improvements
574 Trust Fund, under the direction and supervision of the state racing board members as they are
575 individuals as trustees of the trust.

576 Each licensee may retain as its commission on the total of all sums deposited, a sum not
577 exceeding the balance of the 19 per cent withheld from the straight wagers or the 26 per cent
578 withheld from the exotic wagers as provided in this section less the amounts required to be paid
579 under clauses (1) to (5), inclusive.

580 (f) Each licensee conducting a running horse racing meeting in connection with a state or
581 county fair shall return to the winning patrons wagering on the speed or ability of any 1 running
582 horse in a race or races all sums so deposited as an award or dividend, according to the
583 acknowledged and recognized rules and methods under which such pari-mutuel or certificate
584 system has been operated, less the breaks and less an amount not to exceed 19 per cent of the
585 total amount so deposited by patrons wagering on the speed or ability of any 1 running horse.

586 Each such licensee shall return to the winning patrons wagering on the speed or ability of
587 a combination of more than 1 horse in a single pool, also called an exotic wager, all sums so
588 deposited as an award or dividend, according to the acknowledged and recognized rules and
589 methods under which pari-mutuel or certificate system has been operated, less the breaks and
590 less an amount not to exceed 26 per cent of the total amount so deposited. Each licensee shall:

591 (1) pay to the board on the day following each day of such running horse racing meeting
592 a sum equal to 0.75 per cent of the total amount deposited on the preceding day by patrons
593 wagering at the meeting, the percentage to be paid from the 19 per cent and 26 per cent withheld,
594 as provided under this section, from the total amount wagered on straight wagers and exotic
595 wagers, respectively;

596 (2) allocate from the total amount deposited daily by the patrons wagering at the meeting
597 a sum equal to 8 per cent from each of the respective 19 per cent withheld and 26 per cent

598 withheld as provided in this subsection to be used solely for the payment of purses to the horse
599 owners in accordance with the rules and established customs for the conduct of running horse
600 racing meetings; and

601 (3) pay a sum equal to 1 per cent of the total handle at the end of its racing schedule to
602 the Massachusetts Thoroughbred Breeders Association, Inc.; provided, however, that the
603 Association shall utilize the monies to develop a program to support horse racing at agricultural
604 fairs including, but not limited to, owners' and breeders' awards for Massachusetts-bred
605 thoroughbreds and provisions to supplement the purses of races or to provide the entire purse for
606 the Massachusetts-bred thoroughbred races.

607 Each licensee may retain as its commission on the total of all sums so deposited, a sum
608 not exceeding the balance of the 19 or 26 per cent withheld as provided in this section from the
609 total amounts wagered less the amounts required to be paid under clauses (1) to (3), inclusive.

610 (h) All pari-mutuel taxes paid to the board under this section, together with all pari-
611 mutuel taxes paid to the board under section 2 of chapter 23K ½, and all assessments, association
612 licensing fees, occupational licensing fees, fines, penalties and miscellaneous revenues, other
613 than unclaimed wagers, paid to the board shall be deposited in the race horse development fund
614 established in chapter 23K.

615 (j) 3.5 per cent of all purses at all running horse racing meeting licensees' tracks in the
616 commonwealth shall be paid to the Massachusetts Thoroughbred Breeders' Association, Inc.

617 Section 10. Monies from all unclaimed live wagers made under this chapter and chapter
618 23K ½ shall be deposited with the board. Subject to the rules and regulations established by the
619 board, the board shall deposit the unclaimed live wagers into the purse accounts of the racing

620 meeting licensees that generated those unclaimed live wagers. A notice of the limitation
621 prescribed by this section, in such form as the board shall prescribe, shall be posted by each
622 licensee in a conspicuous place at each window or booth where pari-mutuel tickets are sold.

623 Section 11. Accurate records and books shall at all times be kept and maintained by each
624 licensee, showing the number, nature and amount of all wagers made in connection with such
625 meeting. The board, or its duly authorized representatives, shall at all reasonable times have
626 access to the records and books of any licensee for the purpose of examining and checking the
627 same, and ascertaining whether or not the proper amount has been or is being paid to the
628 commission as herein provided.

629 Within 60 days after the close of a racing meeting, each licensee conducting a horse
630 racing meeting shall submit, on forms prescribed by the board, financial statements certified to
631 the board by a certified public accountant; provided, however, that said licensee with the prior
632 written approval of the board, may submit said statements annually within 60 days after the close
633 of its fiscal year, if any. The board, or its duly authorized representatives, shall at all reasonable
634 times have access to all records and books of the licensee for the purpose of examining and
635 certifying the same.

636 The board may also from time to time require sworn statements of such wagers and may
637 prescribe blanks upon which such reports shall be made. Any licensee failing or refusing to make
638 such report as herein provided, or failing or refusing to pay the amount found to be due as
639 provided in this chapter, shall be deemed guilty of larceny and upon conviction shall be punished
640 by a fine of not less than \$1,000 nor more than \$10,000.

641 Section 12. The board shall appoint two stewards to each track licensed to conduct racing
642 meetings, who shall not be subject to chapter 31 or section 9A of chapter 30. The board shall
643 assign, by regulation, duties to be performed by him. The compensation of the board-appointed
644 steward shall be fixed by the board.

645 The board may also appoint one or more other representatives to attend each racing
646 meeting held or conducted under a license issued under this chapter, and the appointment of said
647 representatives shall not be subject to chapter 31 or section 9A of chapter 30. The compensation
648 and duties of each such representative shall be fixed by the board.

649 Each such representative appointed by the board to attend a racing meeting shall have full
650 and free access to the space or enclosure where the pari-mutuel or certificate system of wagering
651 is conducted or supervised for the purpose only of ascertaining whether or not the provisions of
652 this chapter are being properly observed. They shall also, for the same purpose only, have full
653 and free access to the books, records and papers pertaining to such pari-mutuel or certificate
654 system of wagering. All employees of the board assigned to the tracks for security purposes and
655 all police officers assigned to the board shall be under the control and authority of one of the
656 representatives of the board at each track. Said representative shall have full and free access to
657 any other areas used in connection with the conduct of racing. They shall investigate, ascertain
658 and report to the board in writing under oath as to whether or not he has discovered any violation
659 at such meeting of any of the provisions of this chapter, and, if so, the nature and character of
660 such violations. Such report shall be made within 10 days after the termination of the duties of
661 such representative at any racing meeting.

662 If any such report shows any violation of this chapter, the board shall transmit a copy of
663 such report to the attorney general for such action as they shall deem proper.

664 Section 13. The board shall apply to the department of public safety for the assignment of
665 a complement of police officers to the board on a regular basis and said department shall assign
666 such complement to the board. The board shall assign such police officers to guard and protect
667 the lives and safety of the public, property and the animals to be raced at any such meeting, and
668 to perform any such other duties which may be required by said board in order to maintain fair
669 and honest pari-mutuel racing at any such meeting. The police officers so assigned shall, except
670 in the case of an emergency, and while on duty at any such racing meeting, be subject to the
671 operational authority of the board; provided, however, that such assignment or reassignment
672 shall not in any way impair any rights to which any officer may be entitled.

673 The board shall from funds available pay to the department of public safety the cost of
674 the salaries of the police officers so assigned from funds appropriated to the board.

675 All assignments and reassignments to the board, except as the commissioner of public
676 safety shall determine that an emergency exists or is threatened, shall be subject to the approval
677 of the chair of the board. Nothing herein shall prevent licensees from applying to the state police
678 if they have jurisdiction in the area where a racing meeting is to be held, or to the police
679 department of a city or town wherein a racing meeting is to be held, in order that such police
680 agency may furnish a police detail for safety or traffic purposes at any racing meeting authorized
681 by this chapter. The total cost for any such police detail shall be a sum equal to the salaries of the
682 police officers comprising such detail, plus a sum to cover the administrative expenses incurred
683 by the department of each such police officer.

684 The board shall employ as many veterinarians, chemists and laboratory technicians as it
685 deems necessary to insure the legitimate performance of the animals to be raced at any racing
686 meetings authorized by this chapter and to protect the health of such animals and the department
687 of public safety shall provide that such veterinarians, chemists and laboratory technicians shall
688 have access to the department's laboratory facilities.

689 Section 14. The board shall make periodic inspections of all of the installations and
690 facilities operated by its licensees, including stable areas and the office of the racing secretary
691 during the time that entries are being filed. Each member shall from time to time personally visit
692 the jockeys' room to observe the activity of the custodians and valets, and the operation of the
