An Act for political party endorsement reform.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. The Massachusetts General Laws are hereby amended by inserting the  
2 following new chapter:-

3 Chapter 57A. Political Party Endorsement

4 Section 1. An Act to permit certain political party organizational reforms, by allowing a  
5 cross-endorsement process, by which more than one political party, may endorse the same  
6 candidate, and all votes cast for that candidate, may be totaled for that particular individual.

7 Section 2. Over many years, significant numbers of individuals have desired a greater  
8 range of choices for electing public officials, during election periods. This legislation seeks to  
9 recognize that an additional choice would be provided, by permitting coalitions of different  
10 political designations, and parties, to support, and/or not support, various candidates.

11 Section 3. Present Massachusetts law requires independent, individual candidates by each  
12 political party, and/or independent persons. Votes presently, cannot be counted for a single

13 individual, summed in total. In so doing, political choices are limited to certain definitions, that  
14 limit the ability of coalitions to form, that would improve voter choices.

15           Section 4. The Massachusetts Secretary of State, being the relevant regulator, and  
16 supervisor of elections in Massachusetts, is hereby empowered to establish appropriate  
17 regulations, by which all recognized political parties, may cross-endorse candidates of other  
18 parties, by their particular legal political process.
