[SIMILAR MATTER FILED IN PREVIOUS SESSION SEE SENATE, NO. 1224 OF 2021-2022.]

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Third General Court (2023-2024)

An Act establishing collective bargaining rights for TNC drivers.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 SECTION 1. Transportation Network Driver Representation and Negotiations of
- 2 Recommended Standards.
- This section shall establish Chapter 150F of the General Laws to create the opportunity
- 4 for workers in the digital transportation marketplace to combine into transportation network
- 5 driver organizations and to negotiate on an industry-wide basis with companies in this industry
- 6 on recommendations to the commonwealth that raise standards for the terms and conditions of
- 7 work in this industry:-
- 8 Section 1. Findings and policy.

(A) The commonwealth of Massachusetts recognizes that the growing rate of technological advancement has fundamentally altered the way that many people are hired and employed, and work within the commonwealth. This technological advancement has generated new "digital marketplaces" in the transportation sector, in which companies connect, through electronic media, customers seeking passenger transportation services to persons willing to supply that transportation service. These persons often suffer poor pay, inadequate health coverage, and irregular or inadequate working hours. In fact, these deleterious conditions have harmed other companies and workers providing passenger transportation services by more traditional means. It is hereby declared that the best interests of the people of this commonwealth are served by stabilizing the workplace conditions and ameliorating the compensation and benefits of persons who supply their labor in the digital transportation marketplaces. This chapter shall be deemed an exercise of the police power of the commonwealth for the protection of the public welfare, prosperity, health and peace of the people of the commonwealth, and shall be liberally construed for the accomplishment of its purposes. It is further declared that the best interests of the people of this commonwealth are served by the prevention or prompt resolution of disputes between rideshare network companies and the persons who supply the labor to effectuate those services through collective bargaining, subject to approval and ongoing supervision by the commonwealth.

(B) For the reasons set forth in subdivision A, it is the public policy of the commonwealth to displace competition with regulation of the terms and conditions of work for transportation network drivers set forth herein; and, consistent with this policy, to exempt from federal and commonwealth antitrust laws, the formation of industry councils and negotiation between transportation network companies and transportation network drivers to negotiate with

one another on an industry-wide basis, and to supervise, evaluate and if approved, implement the resulting negotiated recommendations concerning the terms and conditions of work for all transportation network drivers in an industry when those recommendations are found by the Secretary of Labor to advance the public purposes stated in this section and are then made binding, regardless of the competitive consequences thereof.

- (1) The commonwealth intends that transportation network drivers have the right to form, join, or assist labor organizations, to be represented through representatives of their own choosing, and to engage in other concerted activities for the purpose of working with an industry council to create negotiated recommendations, which shall form the basis for industry regulations;
- (2) The commonwealth intends transportation network companies have the right to form multi-company associations to represent them while working with an industry council;
- (3) The intent and policy of the commonwealth is for the statutory and non-statutory labor exemptions from the federal antitrust laws and analogous commonwealth laws, to apply to transportation network drivers who choose to form, join or assist labor organizations in qualified labor activity in Massachusetts.
- (4) The commonwealth intends in authorizing and regulating transportation network companies and transportation network drivers engaging in qualified labor activity that state action immunity apply to this statute, and that such companies and drivers be immune from the federal and commonwealth antitrust laws to the fullest extent possible in their conduct pursuant to this statute;

(5) The commonwealth will actively supervise the qualified labor activity conducted by transportation network companies and transportation network drivers pursuant to this statute to ensure that the conduct permitted by the statute protects the rights of workers, consumers, and companies, encourages collective negotiation and labor peace, and curtails any practices that may negatively impact the general welfare of workers, consumers, businesses, and the commonwealth economy and otherwise advances the purposes of this Act.

Section 2. Definitions.

- (A) "Active transportation network driver" or "active TND" means a transportation network driver so designated pursuant to the following process: Upon request by the board, each transportation network company ("TNC") shall provide the board with information that identifies all transportation network drivers ("TND") who completed five or more rides that originate in the commonwealth of Massachusetts on the TNC's platform in the previous six months. Such information shall include only the name of the TND, the TND driver's license number, and the number of rides the TND completed through the TNC's platform in the previous six months. The board shall combine the data provided by all TNCs to determine the distribution of the number of rides completed by all TNDs for which data has been submitted, and then shall determine the median number of rides across TNDs for whom data has been submitted in the previous six months. Any TND who completed more than at least the median number of rides shall be considered an active transportation network driver in the rideshare industry.
- 72 (B) "Board" means the commonwealth employment relations board created by section 9R 73 of Chapter 23 of the General Laws.

(C) "Company union" means any committee, employee representation plan, or association of workers or others which exists for the purpose, in whole or in part, of dealing with TNCs concerning grievances or terms and conditions of work for TNDs, which a TNC has initiated or created or whose initiation or creation it has suggested, participated in or in the formulation of whose governing rules or policies or the conducting of whose management, operations or elections the TNC participates in or supervises or which, on or after the effective date of this act, the TNC maintains, finances, controls, dominates, or assists in maintaining or financing unless required to do so by this chapter or any regulations implementing this chapter, whether by compensating anyone for services performed in its behalf or by donating free services, equipment, materials, office or meeting space or anything else of value, or by any other means. A TND organization shall not be deemed a company union only because it has negotiated or been granted the right to designate workers to be released with pay for the purpose of providing representational services in labor-management affairs on behalf of workers or represented by the TND organization, or where, in the course of providing representational services to workers for whom it is the exclusive bargaining representative, a TNC allows agents of the TND organization to meet with workers at the TNC's premises.

- (D) "Exclusive bargaining representative" means a TND organization certified by the board, in accordance with this chapter, as the representative of TNDs in a bargaining unit.
- (E) "Network company" means a TNC, except that a business entity that maintains an online-enabled application or platform that meets all three of the following tests is not a network company: (a) it is used to facilitate primarily non-rideshare services within the commonwealth of Massachusetts, (b) less than seven and one-half percent of service requests fulfilled through the platform on an annual basis are for rideshare services, and (c) fewer than ten thousand service

requests fulfilled through the platform in any year are for rideshare services, is not a network company. For purposes of this paragraph, all applications or platforms that any related corporate entities under common control maintain shall be considered a single application or platform.

- (F) "Transportation network driver" or "TND" means a transportation network driver as described by § 1 of Chapter 159A1/2 of the General Laws. TND shall not include any individual who, with respect to the provision of services through a TNC's online enabled-application or platform, is an employee within the meaning of section 29 U.S.C. § 152(3).
- (G) "Transportation network driver organization" or "TND organization" means any organization in which network drivers participate, and which exists and is constituted for the purpose, in whole or in part, of collective bargaining, or of dealing with network companies concerning grievances, terms or conditions of work, or of other mutual aid or protection and which is not a company union as defined herein.
- (H) "Transportation network company" or "TNC" means a transportation network company as described by § 1 of Chapter 159A1/2 of the General Laws.
- (I) "Unfair work practices" means only those unfair work practices listed in section 4, below.
- section 3. Rights of TNDs. TNDs shall have the right of self-organization, to form, join, or assist TND organizations, to bargain collectively through representatives of their own choosing, and to engage in concerted activities, for the purpose of collective bargaining or other mutual aid or protection, free from interference, restraint, or coercion by TNCs, but nothing contained in this chapter shall be interpreted to prohibit TNDs from exercising the right to confer with TNCs at any time, provided that during such conference there is no attempt by such

company, directly or indirectly, to interfere with, restrain or coerce such workers in the exercise of the rights guaranteed by this section.

Section 4. Unfair work practices.

- (A) It shall be an unfair work practice for a TNC to
- 1. fail or refuse to provide the board with an accurate list of the names, trips or deliveries made, and contact information of TNDs, as required by this chapter;
- 2. refuse to negotiate in good faith with a certified or recognized TND organization representing TNDs engaged with such TNC concerning wages, hours, or terms and conditions of work. Since the obligation to negotiate in good faith includes an obligation to provide requested information that has a bearing on the bargaining process, it is also an unfair work practice for a TNC to refuse to provide a certified or recognized TND organization with relevant information requested by the TND organization for the performance of its duties as the TND's bargaining representative;
- 3. refuse to provide a TND organization with a list of the names, addresses and telephone numbers of TNDs where the provision of such list is required by this chapter;
- 4. refuse to continue all the terms of a determination of terms and conditions of work prescribed by the Secretary of Labor pursuant to this chapter until a new determination is prescribed;
- 5. lockout TNDs. The term "lockout" shall mean, for the purposes of this section, a refusal by a TNC to permit a TND normal access to the TNC's means of connecting TNDs to individuals seeking transportation service as a result of a dispute with such workers or a TND

organization representing such workers that affects wages, hours and other terms and conditions of work of such workers, provided, however, that a lockout shall not include a termination of engagement of a worker for good cause that does not involve such worker exercising any rights guaranteed by this chapter.

- 6. To spy upon or keep under surveillance, whether directly or through agents or any other person, any activities of TNDs or those workers' representatives or any other person, any activities of such workers or those workers' representatives in the exercise of the rights guaranteed by this chapter.
- 7. To dominate or interfere with the formation, existence, or administration of any TND organization, or to contribute financial or other support to any such organization, by any means unless required to by this chapter or by any regulations implementing this chapter, including but not limited to the following:
- (i) by participating or assisting in, supervising, controlling or dominating (1) the initiation or creation of any such organization or (2) the meetings, management, operation, elections, formulation or amendment of constitution, rules or policies, of any such organization
 - (ii) by offering incentives to TNDs to join any such organization;
- (iii) by donating free services, equipment, materials, office or meeting space or anything else of value for the use of any such organization; provided that a TNC shall not be prohibited from permitting workers to perform representational work protected under this chapter during working hours without loss of time or pay or from allowing agents of a TND organization that is the exclusive representative of its network workers from meeting with workers on its premises.

8. To require a TND to join any company union or TND organization or to refrain from forming, or joining or assisting a TND organization of their own choosing.

- 9. To encourage membership in any company union or discourage membership in any TND organization, by discrimination in regard to hire or tenure or in any term or condition of employment or engagement.
- 10. To discharge or otherwise discriminate against a TND because they have signed or filed any affidavit, petition or complaint or given any information or testimony under this chapter.
- 11. To distribute or circulate any blacklist of individuals exercising any right created or confirmed by this chapter or of members of a TND organization, or to inform any person of the exercise by any individual of such right, or of the membership of any individual in a TND organization for the purpose of preventing individuals so blacklisted or so named from obtaining or retaining opportunities for remuneration.
- 12. To do any acts, other than those already enumerated in this section, which interfere with, restrain or coerce TNDs in the exercise of the rights guaranteed by this chapter.
 - (B) It shall be an unfair work practice for a TND organization to
- 1. Refuse to collectively bargain in good faith with a TNC, provided it is the certified or recognized representative of the company's workers. Since the obligation to negotiate in good faith includes an obligation to provide requested information that has a bearing on the bargaining process, it is also an unfair work practice for a certified or recognized TND to refuse to provide information requested by aTNC organization that is relevant to the bargaining process;

- 2. restrain or coerce TNDs in the exercise of the rights guaranteed by this chapter, provided that this paragraph shall not impair the right of a TND organization to prescribe its own rules with respect to the acquisition or retention of membership in the organization;
- 3. fail to fulfill its duty of fair representation toward TNDs where it is the exclusive bargaining representative by acts or omissions that are arbitrary, discriminatory, or in bad faith.
 - (C). Prevention of unfair work practices.

- 1. The board is empowered and directed, as hereinafter provided, to prevent any TNC, and any TND organization from engaging in any unfair work practice described in this chapter. This power shall not be affected or impaired by any means of adjustment, mediation or conciliation in labor disputes that have been or may hereafter be established by law or by the determination provided for in section 7(F), below. In order to prevent unfair work practices, each TNC shall, at least once each year, send a text message and an e-mail to each of its active TNDs in a form determined by the board notifying the TNDs of their rights under this chapter, and the procedure for filing an unfair work practice charge. The board shall also post a copy of this notice on its website.
- 2. Whenever it is charged that any TNC or TND organization has engaged in or is engaging in any such unfair labor practice, the board, or any agent or agency designated by the board for such purposes, shall have power to issue and cause to be served upon such TNC or TND organization a complaint stating the charges in that respect, and containing a notice of hearing before the board or a member thereof, or before a designated agent or agency, at a place therein fixed, not less than five days after the serving of said complaint. Any such complaint may be amended by the member, agent or agency conducting the hearing or the board in its discretion

at any time prior to the issuance of an order based thereon. The TNC or TND organization so complained of shall have the right to file an answer to the original or amended complaint and to appear in person or otherwise and give testimony at the place and time fixed in the complaint. In the discretion of the member, agent or agency conducting the hearing or the board, any other person may be allowed to intervene in the said proceeding and to present testimony. In any such proceeding the rules of evidence prevailing in courts of law or equity shall not be controlling.

3. If upon the record before them such member or agent shall determine that an unfair labor practice has been committed by a TNC or TND organization named in the complaint, they shall issue and cause to be served upon such person an order requiring such person to cease and desist from such unfair labor practice, and to take such further affirmative action as will effectuate the provisions of this chapter including, but not limited to (i) withdrawal of recognition from and refraining from bargaining collectively with any organization or association, agency or plan defined in this chapter as a company union or established, maintained or assisted by any action defined in this chapter as an unfair labor practice; (ii) awarding of back pay or other restoration of compensation without any reduction based on the TND's interim earnings or failure to earn interim earnings, consequential damages, and an additional amount as liquidated damages equal to two times the amount of damages awarded; (iii) requiring reengagement or reestablishment of the TNC's preexisting relationship with an improperly, adversely affected TNDs with or without compensation, or maintenance of a preferential list from which such worker shall be re-engaged or the relationship reestablished, and such order may further require such respondent to make reports from time to time showing the extent to which the order has been complied with; (iv) requiring respondent to provide the complainant with a list of all TNDs, together with those workers' physical and e-mail addresses and known

telephone numbers; and (v) requiring the TNC to recognize and bargain with a TND organization if the board determines that the unfair work practice interfered with the TND's right to form or join a TND organization. If the member or agent determines that an unfair labor practice has not been committed, they shall issue an order dismissing the complaint. An order issued pursuant to this subsection shall become final and binding unless, within ten days after notice thereof, any party requests review by the full board. A review may be made upon a written statement of the case by the member or agent agreed to by the parties, or upon written statements furnished by the parties, or, if any party or the board requests, upon a transcript of the testimony taken at the preliminary hearing, if any, together with such other testimony as the board may require.

If upon the record before it the board determines that an unfair practice has been committed it shall state its findings of fact and issue and cause to be served on the TNC or TND organization an order requiring such company or organization to cease and desist from such unfair labor practice, and to take such further affirmative action as will effectuate the provisions of this chapter. If upon the record before it the board determines that an unfair labor practice has not been committed, it shall state its findings of fact and shall issue an order dismissing this complaint.

- 4. Until the record in a case shall have been filed in a court, as hereinafter provided, the board may at any time, upon reasonable notice and in such manner as it shall deem proper, modify or set aside, in whole or in part, any finding or order made or issued by it.
- 5. The board may institute appropriate proceedings in the appeals court for enforcement of its final orders.

6. Any party aggrieved by a final order of the board may institute proceedings for judicial review in the appeals court within thirty days after receipt of said order. The proceedings in the appeals court shall, insofar as applicable, be governed by the provisions of section fourteen of chapter thirty A.

7. Injunctive relief.

- (i) A party filing an unfair work practice charge under this section may petition the board to obtain injunctive relief, pending a decision on the merits of said charge by an administrative law judge, upon a showing that: (i) there is reasonable cause to believe an unfair work practice has occurred, and (ii) it appears that immediate and irreparable injury, loss or damage will result thereby rendering a resulting judgment on the merits ineffectual necessitating the maintenance of, or return to, the status quo to provide meaningful relief. Such immediate and irreparable harm may include the chilling of workers in the exercise of rights provided by this chapter.
- (ii) Within ten days of the receipt by the board of such petition, if the board determines that a charging party has made a sufficient showing both that there is reasonable cause to believe an unfair work practice has occurred and it appears that immediate and irreparable injury, loss or damage will result thereby rendering a resulting judgment on the merits ineffectual necessitating maintenance of, or return to, the status quo to provide meaningful relief, the board shall petition the supreme court, upon notice to all parties for the necessary injunctive relief or, if the board determines not to seek injunctive relief, the charging party may seek injunctive relief by petition to the supreme court, in which case the board must be joined as a necessary party. The board or, where applicable, the charging party, shall not be required to give any undertakings or bond and shall not be liable for any damages or costs which may have been sustained by reason of any

injunctive relief ordered. If the board fails to act within ten days as provided herein, the board, for purposes of review, shall be deemed to have made a final order determining not to seek injunctive relief. In the case of a TNC's failure to provide an accurate list of names and addresses of TNDs, immediate and irreparable injury, loss, or damage shall be presumed.

- (iii) Injunctive relief may be granted by the court, after hearing all parties, if it determines that there is reasonable cause to believe an unfair work practice has occurred and that it appears that immediate and irreparable injury, loss or damage will result thereby rendering a resulting judgment on the merits ineffectual necessitating maintenance of, or return to, the status quo to provide meaningful relief. Such relief shall expire on decision by an administrative law judge finding no unfair work practice to have occurred, successful appeal of the grant of injunction relief, or motion by respondent to vacate or modify pursuant to the provisions of the rules of civil procedure, or subsequent finding by the board that no unfair work practice has occurred. The administrative law judge shall conclude the hearing process and issue a decision on the merits within sixty days after the imposition of such injunctive relief unless mutually agreed by the respondent and charging party.
- (iv) A decision on the merits of the unfair work practice charge by an administrative law judge finding an unfair work practice to have occurred shall continue the injunctive relief until either: (i) the respondent fails to file exceptions to the decision and implements the remedy, or (ii) the respondent successfully moves in court, upon notice, to vacate or modify the injunctive relief pursuant to provisions of Chapter 30A of the General Laws.
- (v) Any injunctive relief in effect pending a decision by the board on exceptions to administrative law judge's decision: (i) shall expire upon a decision by the board finding no

unfair work practice to have occurred, of which the board shall notify the court immediately, or

(ii) shall remain in effect only to the extent it implements any remedial order issued by the board in its decision, of which the board shall notify the court immediately.

- (vi) The appeal of any order granting, denying, modifying or vacating injunctive relief ordered by the court pursuant to this subdivision shall be made in accordance with the rules of appellate procedure.
- (vii) Except as provided in this section, judicial review of the orders of the board shall be as provided for section 9, below.

Section 5. Representatives.

- (A) At the conclusion of each calendar quarter (March 31, June 30, September 30, December 31), each TNC shall have 30 days to submit to the board in an electronic format to be determined by the board, the names, phone numbers, mailing addresses, and email addresses for each active TND. These records shall not be subject to disclosure pursuant to Chapter 66 of the General Laws.
- (B) Bargaining units. For purposes of this chapter, each TND shall be included in an industry-wide bargaining unit of all TNDs.
- (C) Showing of designation of representative. A TND organization may demonstrate that it has been designated as a bargaining representative by presenting to the board cards, or petitions, or other evidence, which may be in electronic form, sufficient to show the TND has authorized the TND organization to act as the worker's exclusive bargaining representative. In order to be valid, such card, petition, or other evidence must have been executed by the worker

within one year of the date the TND organization submits the evidence to the board. Execution may be electronic.

(D) Representative status.

- 1. Upon the request of a TND organization, the board shall make a determination that such organization has been designated as bargaining representative by at least five percent of active TNDs in an appropriate bargaining unit.
- 2. Once the board determines that the TND organization has been designated as the bargaining representative of at least five percent of active TNDs in an appropriate bargaining unit, the board shall (1) require each TNC to send a notice, in a form determined by the board, that the TND organization is seeking to represent TNDs for the purpose of initiating a bargaining process in order to establish terms and conditions for the industry; and (2) provide the TND organization with a complete list of names, phone numbers, mailing address, and electronic mail address for all active TNDs in the bargaining unit. The board will provide the TND organization with an updated list each quarter for the next year. For six months from the date of the board's determination that a TND organization has met the five percent threshold in a bargaining unit, no other TND organization may be certified as the exclusive bargaining representative of those workers without an election.
- 3. Exclusive representative status. A TND organization that provides evidence to the board that it has been designated as bargaining representative by twenty-five percent of active TNDs in the bargaining unit shall be certified as the exclusive bargaining representative of all TNDs in the bargaining unit. In the alternative, a TND organization that has been designated as the bargaining representative of at least five percent of active TNDs in the bargaining unit may

petition the board to conduct an election. The election shall be conducted as expeditiously as possible, and if the TND organization receives a majority of valid votes cast it shall be certified as the exclusive bargaining representative.

4. Determination of Exclusive Representative Status in the Event of a Dispute among TND organizations.

(i) If a TND organization seeking certification as the exclusive bargaining representative provides evidence that shows that less than a majority of active TNDs have designated the TND organization as their bargaining representative, the board shall wait seven days before certifying the TND organization as exclusive bargaining representative, and if, during those seven days, another TND organization provides evidence that at least 25 percent of active TNDs in the bargaining unit have designated it as their bargaining representative, or a TND provides evidence that at least 25 percent of active TNDs in the bargaining unit do not wish to be represented by any TND organization, then the board shall hold an election among all active TNDs in the bargaining unit. Such election shall be conducted as expeditiously as possible. A TND organization receiving a majority of the valid votes cast shall be certified as the exclusive bargaining representative of all TNDs in the bargaining unit. When two or more TND organizations are on the ballot and none of the choices (the TND organizations or "no worker organization") receives a majority of the valid votes cast, there shall be a run-off election between the two choices receiving the largest and second largest number of votes. A TND organization receiving a majority of the valid votes cast in the run-off shall be certified as the exclusive bargaining representative of all TNDs in the bargaining unit, and it shall owe a duty to fairly represent all such workers. For purposes of this provision, the operative list of active

TNDs shall be based on the most recent quarterly list provided by the TNCs in accordance with section 5(1).

- (ii) A TND organization certified as the exclusive bargaining representative shall have the exclusive authority to represent the TNDs in the bargaining unit, without challenge by another TND organization, for the greater of (i) one year following certification; or (ii) the length of time that a final determination rendered by the Secretary of Labor under section 7(F) is in effect, provided that such period shall not be longer than three years following the date of issuance of such final determination. During the times when an exclusive bargaining representative is subject to challenge, TNDs may file for a decertification election upon a showing that at least twenty-five percent of the active TNDs in the bargaining unit have demonstrated support for the decertification. The board will then schedule an election to determine whether the TND organization has retained its status as exclusive bargaining representative. The TND organization shall retain its status as exclusive bargaining representative if it receives a majority of valid votes cast by active TNDs in the bargaining unit.
- (iii) In the event that a TND organization has been designated the exclusive bargaining representative with respect to a bargaining unit, only that TND organization shall be entitled to (i) receive from the TNCs with workers covered by the bargaining unit a list of all of their TNDs, together with phone numbers, mailing addresses, and electronic mail addresses; and (ii) shall be entitled to engage in bargaining with such TNCs for recommendations to the Secretary of Labor concerning wages, benefits and terms and conditions of work of such workers.
- (iv) Dues Deduction. A TND organization that has been designated as the exclusive bargaining representative with respect to a bargaining unit shall have a right to membership dues

deduction upon presentation of dues deduction authorization cards signed by individual TNDs, which may be in electronic form. A TNC shall commence making such deductions as soon as practicable, but in no case later than thirty days after receiving proof of a signed dues deduction authorization card, and such dues shall be submitted to the TND organization within thirty days of the deduction. A TNC shall accept a signed authorization to deduct dues in any format permitted by Title XV, Chapter 110G. The right to such membership dues deduction shall remain in full force and effect until an individual revokes membership in the TND organization in writing in accordance with the terms of the signed authorization.

Section 6. Employment Relations Board Administrative Fees. Beginning on the date that a TND organization is certified as the exclusive bargaining representative, each TNC shall impose a fee of ten cents per trip, which the board shall collect. The board shall use such fees to issue grants to the exclusive bargaining representative to educate TNDs regarding the TND bill of rights, to provide assistance in enforcing those rights, and to enforce the terms of an agreement or determination approved by the Secretary of Labor under this Chapter.

- (A) The fee shall be ten cents per ride on each trip originating in the State performed by a TND. Beginning in 2024, the fee shall be adjusted annually to reflect any increase in inflation as measured by the Consumer Price Index for All Urban Consumers (CPI-U) published by the United States Bureau of Labor Statistics. The board shall calculate and publish the adjustments required by this subparagraph.
- (B) The fee shall be displayed to customers as a "Employment Relations Board Administrative Fee."

(C) The board shall by regulation adopt an exclusive bargaining representative grant application and criteria for evaluating such grant applications, including criteria to ensure that the exclusive bargaining representative has the capacity and expertise to provide education and enforcement support to TNDs. If the exclusive bargaining representative meets the criteria established by the board, the board shall approve the grant application and remit the fees to the exclusive collective bargaining representative on a monthly basis, with each payment occurring no more than thirty days following the end of the month. The fees shall be used by the TND organization solely to educate TNDs regarding this bill of rights, to provide assistance in enforcing those rights, and to enforce the terms of any agreement or determination approved by the Secretary of Labor under this Chapter. No portion of such fees shall be used for political contributions or lobbying. In the event no such grant is awarded or if the fees collected exceed the grant awarded, the board shall use such fees for educational activities regarding the provisions of this Chapter.

(D) Each exclusive bargaining representative shall submit an annual report to the board in a form to be determined by the board setting forth how the fees have been utilized. The board shall review each annual report and certify whether the exclusive bargaining representative is utilizing the fees for appropriate activities and continues to meet the grant application criteria. The board shall by regulation adopt a process by which it may suspend or revoke grants based on the failure to utilize the fees for educational or enforcement activities or the failure to meet the grant application criteria. If the board finds that the exclusive bargaining representative does not meet the grant application criteria, the board may utilize the fees for its own educational and enforcement activities, and the exclusive bargaining representative may reapply for a grant in the following year.

Section 7. Bargaining, Impasse resolution procedures, and final determination by the Secretary of Labor

- (A) Once the board determines that a TND organization is the exclusive bargaining representative for a bargaining unit, the board shall notify all TNCs in that industry, and all such TNCs shall be required to bargain with the exclusive bargaining representative concerning wages, benefits, and terms and conditions of work. The terms and conditions to be bargained include, but are not limited to, the criteria for deactivating a TND and a dispute resolution procedure for resolving claims alleging unjust deactivation. To facilitate negotiations, the TNCs may form an industry association to negotiate on their behalf. If the TNCs choose not to form an association, any recommended agreement must be approved by (i) at least two industry member TNCs and (ii) member TNCs representing at least eighty percent of the market share of that industry in Massachusetts, with votes determined in proportion to the number of rides completed by TNDs contracting directly with the TNC in the two quarters preceding the recognition of the certified representative.
- (B) Once the TND organization and the TNCs have reached a set of negotiated recommendations for the industry, the negotiated recommendations shall be submitted by the TND organization to a vote by all TNDs in the industry who have completed at least one hundred trips in the previous quarter. If approved by a majority of TNDs who vote, the negotiated recommendations shall be submitted to the Secretary of Labor for approval. If a majority of valid votes cast by the TNDs are not in favor of the negotiated recommendations, the transportation network worker organization and the TNCs will resume bargaining.

(C) For purposes of this section, an impasse may be deemed to exist if the TNCs and exclusive bargaining representative have failed to achieve agreement by the end of a one hundred eighty-day period from the date a TND organization has been designated as the exclusive bargaining representative or from the expiration date of a prior determination by the Secretary of Labor as provided for in paragraph F, below.

- (D) Upon impasse, any of the affected TNCs or the exclusive bargaining representative may request the board to render assistance as provided in this section.
- (E) Upon receiving a timely request from an exclusive bargaining representative for commencement of an impasse proceeding, the board shall aid the parties as follows:
- 1. To assist the parties to effect a voluntary resolution of the dispute, the board shall appoint a mediator from a list of qualified persons maintained by the board; the parties shall be free to select a mediator satisfactory to them or to decline such selection.
- 2. If the mediator is unable to achieve agreement between the parties concerning an appropriate resolution within thirty days after the board has provided the parties the list of mediators, any party may petition the board to refer the dispute to an arbitrator.
- 3. Upon timely petition of either party, the board shall refer the dispute to an arbitrator as hereinafter provided.
- (i) Prior to submitting the dispute to an arbitrator, the board shall conduct an election among all TNDs in the industry who have completed at least one hundred trips in the previous quarter. The TNDs will choose between submitting the dispute to the arbitrator or decertifying the exclusive bargaining representative. If the majority of eligible votes cast are for

decertification the exclusive bargaining representative shall be decertified and any existing regulations shall remain in place until they expire as provided in paragraph F below.

- (ii). If a majority of TNDs who vote choose to have an arbitrator appointed, the exclusive bargaining representative shall notify the board of the need to appoint an arbitrator, and the board shall notify the TNCs of this request. Each of the two groups of affected parties (affected TNCs being one group, and the exclusive bargaining representative being the other group) shall have an equal say in the selection of the arbitrator and each of the two groups shall share equally the cost of the arbitrator. If the parties are unable to agree upon the arbitrator within seven days after the board notifies the TNCs of the need to appoint an arbitrator, the board shall submit to the parties a list of qualified, disinterested persons for the selection of an arbitrator. A representative of each of the two groups shall alternately strike from the list one of the names with the order of striking determined by lot, until the remaining one person shall be designated as the arbitrator. Each group shall select its representative for this purpose as it sees fit. A group's failure to agree upon the designation of its representative shall result in the failure of the striking procedure, but shall not impede the board's appointment of the arbitrator upon such failure. The striking process shall be completed within five days of receipt of the board's list. The representatives who undertake the striking shall notify the board of the designated arbitrator. In the event the parties are unable to select the arbitrator within five days following receipt of this list, the board shall appoint the arbitrator.
- (iii) The arbitrator shall hold hearings on all matters related to the dispute. The parties may be heard either in person, by counsel, or by other representatives, as they may respectively designate. The arbitrator shall determine the order of presentation by the parties, and shall have discretion and authority to decide all procedural issues that may be raised;

(vi) The parties, including all TNCs engaging at least fifty TNDs in the bargaining unit and the exclusive bargaining representative affected, may present, either orally or in writing, or both, statements of fact, supporting witnesses and other evidence, and argument of their respective positions with respect to each case. The arbitrator shall have authority to require the production of such additional evidence, either oral or written as she or he may desire from the parties and shall provide at the request of either group of parties that a full and complete record be kept of any such hearings, the cost of such record to be borne by the requesting party. If such record is created, it shall be shared with all parties regardless of which party paid for it.

- (v) Any TNC engaging less than fifty TNDs in the bargaining unit shall have the opportunity to make a written submission to the arbitrator.
- (vi) The arbitrator shall make a just and reasonable determination of the matters in dispute, and shall issue a determination that shall apply to all TNCs in the bargaining unit and the exclusive bargaining representative. In arriving at such determination, the arbitrator shall specify the basis for their findings, taking into consideration, in addition to any factors recommended by the parties that the arbitrator finds to be consistent with this chapter, the following:
- (a) whether the wages, benefits, hours and conditions of work of the TNDs are sufficient to provide those individuals a standard of living that permits them to rent or own housing in the community, and to sustain themselves and their families in good health, and reasonable prosperity, including money set aside for emergencies and retirement. This amount must take into account the real cost of living, it may substantially exceed any statutory minimum wage, and should be a sufficient amount such that the TNDs and their dependents do not need to rely upon any public benefits;

(b) whether the most efficient way to provide benefits is through a portable benefits fund, and if so, how to best assess each TNC a portion of the costs of providing those benefits;

- (c) the financial ability of the affected TNCs to pay for the compensation and benefits in question and the impact on the delivery of services provided by the companies;
- (d) the establishment of reasonable dispute resolution mechanisms that will allow TNDs a reasonable expectation of uninterrupted work and permit TNCs to alter or terminate their relationships with workers if there is just cause for such; and
- (e) comparison of peculiarities in regard to other trades or professions, including specifically, (i) hazards of work; (ii) physical qualifications; (iii) educational qualifications; (iv) mental qualifications; (v) job training and skills.
- (F) Any recommendations agreed upon between TNCs and a TND organization acting as exclusive bargaining representative of TNDs in the bargaining unit and/or any determination reached by an arbitrator under this chapter shall be subject to review and approval by the Secretary of Labor. In deciding whether to grant approval to the arbitrator's recommendations, the Secretary of Labor's decision shall be based on the factors specified in paragraph C (3)(d), above, and the policies set forth in section 1. In deciding whether to approve such agreement or determination, the Secretary of Labor shall afford the exclusive representative, all TNCs, and TNDs the opportunity to submit comments and arguments concerning whether approval is warranted, the Secretary of Labor shall be entitled to approve or disapprove the agreement or determination. In the event of disapproval, the Secretary of Labor may make recommendations for amendments to the agreement or determination that would cause the Secretary of Labor to approve and afford the parties an opportunity to respond to those recommendations. The final

determination by the Secretary of Labor shall include a date following which new terms may be set for the bargaining unit which date shall not be more than three years following the date of the issuance of the determination. If during the three year period (or any lesser period that the Secretary of Labor sets as a duration for the final determination), the Secretary of Labor determines that market conditions have changed, the Secretary of Labor shall give the exclusive bargaining representative, all TNCs, and TNDs the opportunity to submit comments and arguments concerning whether the final determination should be modified, and after receiving those comments, the Secretary of Labor may modify the final determination.

Section 8. No agreement or determination made pursuant to this chapter shall diminish or erode a minimum labor standard that would otherwise apply to a TND.

Section 9. This law shall not preempt any commonwealth enactment which provides greater benefits or protection to a TND.

Section 10. Judicial Review.

(A) Final orders of the board made pursuant to this chapter shall be conclusive against all parties to its proceedings and persons who have had an opportunity to be parties to its proceedings unless reversed or modified in proceedings for enforcement or judicial review as herein provided. Final orders of the board shall be subject to review as provided in section 6 of Chapter 150A of the General Laws, provided that a final order of the board under section 5 of this chapter concerning the scope of bargaining units or the designation of a TND organization as an exclusive bargaining representative or as entitled to the production of lists of TNDs shall only be overturned if it is found to be arbitrary and capricious.

553	(B) Final orders of the Secretary of Labor pursuant to section 7(F) of this chapter shall be
554	conclusive against all affected TND organizations and all TNCs in the industry unless reversed
555	or modified in proceedings for enforcement or judicial review as herein provided. Such final
556	orders shall be subject to review in accordance with the provisions of section fourteen of chapter
557	30A of the General Laws, provided, however, that the determination of the Secretary of Labor
558	shall only be overturned if it is found to be arbitrary and capricious.
559	(C) Except in a proceeding brought to challenge a final order of the Secretary of Labor,
560	the determination of an arbitrator shall not be subject to judicial review.
561	Section 11. Rules and Regulations.
562	The board shall make such rules and regulations as may be appropriate to effectuate the
563	purposes and provisions of this chapter.
564	SECTION 2. Regulation of Transportation Network Companies, Minimum
565	Compensation, and Earned Sick Time.

(b) The division may obtain additional ride data from a transportation network company for the purposes of: (A) congestion management, which may include, but shall not be limited to: (i) the total number of transportation network drivers that utilized the transportation network vehicle's digital network within specified geographic areas and time periods as determined by the division; and (ii) the total time spent and total miles driven by transportation network drivers in such geographic areas or time periods as determined by the division while (A) on the way to pick up a rider or (B) engaged in a pre-arranged ride: Or (B) Any additional information required by the division to conduct the study required by subsection 3(f) of Chapter 159A1/2 of the

General Laws as amended; or (C) to make any of the determinations required under 3(g) of Chapter 159A1/2 of the General Laws as amended or the issuance of permits authorized to be regulated by subsection 3(c) of Chapter 159A1/2 of the General Laws as amended; The division shall promulgate regulations relative to data collection pursuant to this subsection prior to obtaining the data. Each data submission to the division pursuant to this section and any rules promulgated hereunder shall be accompanied by an attestation, made under penalty of perjury, that the data submitted is accurate and complete. The failure to maintain or furnish information to the division within a timeline to be determined by the division may, at the discretion of the division, constitute cause to not issue, suspend or revoke a transportation network company permit pursuant to section 6 of chapter 159A1/2 of the general laws.

- (c) Annually, not later than June 30, the division shall post on its website, in aggregate form, the total number of rides provided by all transportation network companies that originated in each city or town, each city or town where the rides originating in each city or town terminated and the average miles and minutes of the rides that originated in each city or town and terminated in each other respective city or town.
- (d) For the purposes of congestion management, transportation planning or emissions tracking, the division may enter into confidential data-sharing agreements to share de-identified trip-level data received by the division pursuant to this section with the executive office of technology services and security, the executive office of energy and environmental affairs, the Massachusetts Department of Transportation, the Massachusetts Port Authority, the Massachusetts Bay Transportation Authority, the department of environmental protection, a regional transit authority established under section 3 of chapter 161B, a regional planning agency in the commonwealth and a metropolitan planning organization in the commonwealth. The

division shall prescribe the form and content of a confidential data-sharing agreement under this subsection, the manner of transmitting the information and the information security measures that shall be employed by an entity receiving the data under any such datasharing agreement. A confidential data-sharing agreement shall specify that the information provided by the division shall be aggregated and de-identified and may be used only for the purposes set forth in the agreement. Any data received by an entity from the division through a confidential data-sharing agreement under this subsection shall not be considered a public record under clause Twenty-sixth of section 7 of chapter 4 or chapter 66 and shall not be disclosed to any person or entity other than those listed or described in the confidential data-sharing agreement; provided, however, that a state or municipal government agency or transportation planning entity may disclose conclusions and analyses derived from the information and from the data received pursuant to a confidential data-sharing agreement.

(e) A violation of the terms of a confidential data-sharing agreement by an entity listed in subsection (d) may result in the division declining to enter into future confidential data-sharing agreements with the violating entity and in the termination of any existing data-sharing agreement with the entity. The division shall notify each transportation network company whose data was shared in violation of the terms of a confidential data-sharing agreement of the violation, the violating entity and what data was shared. An entity listed in subsection (d) that violates the terms of a confidential data-sharing agreement shall destroy all data received as a result of the confidential data-sharing agreement.

Section 5. Chapter 151 of the General Laws is hereby amended by striking out section 1 and inserting in place thereof the following section:-

Section 1. Oppressive and unreasonable wages; validity of contracts

[Text of section as amended by 2018, 121, Sec. 21 effective January 1, 2023. See 2018, 121, Sec. 36. For text effective until January 1, 2023, see above.]

Section 1. It is hereby declared to be against public policy for any employer to employ any person or any TNC to rely on a TND for the provision of rides in an occupation in this commonwealth at an oppressive and unreasonable wage as defined in section two, and any contract, agreement or understanding for or in relation to such employment shall be null and void. A wage of less than \$15.00 per hour, in any occupation, as defined in this chapter, shall conclusively be presumed to be oppressive and unreasonable, wherever the term "minimum wage" is used in this chapter, unless the commissioner has expressly approved or shall expressly approve the establishment and payment of a lesser wage under the provisions of sections seven and nine. Notwithstanding the provisions of this section, in no case shall the minimum wage rate be less than \$.50 higher than the effective federal minimum rate.

Section 6. Chapter 151 of the General Laws is hereby amended by striking out Section 2 and inserting in place thereof the following Section:-

Section 2. The following words and phrases as used in this chapter shall have the following meanings, unless the context clearly requires otherwise:

"A fair wage", a wage fairly and reasonably commensurate with the value of the service or class of service rendered. In establishing a minimum fair wage for any service or class of service under this chapter the commissioner without being bound by any technical rules of evidence or procedure (1) may take into account the cost of living and all other relevant circumstances affecting the value of the service or class of service rendered, (2) may be guided

by like considerations as would guide a court in a suit for the reasonable value of services rendered where services are rendered at the request of an employer in the absence of an express contract as to the amount of the wage to be paid, and (3) may consider the wages paid in the commonwealth for work of like or comparable character by employers who voluntarily maintain minimum fair wage standards.

"A mandatory order", an order the violation of which is subject to the penalties prescribed in subsection (2) of section nineteen.

"An oppressive and unreasonable wage", a wage which is both less than the fair and reasonable value of the services rendered and less than sufficient to meet the minimum cost of living necessary for health.

"Commissioner", the director of the department of labor standards.

"Department", the department of labor standards.

"Occupation", an industry, trade or business or branch thereof or class of work therein, whether operated for profit or otherwise, and any other class of work in which persons are gainfully employed, but shall not include professional service, agricultural and farm work, work by persons being rehabilitated or trained under rehabilitation or training programs in charitable, educational or religious institutions, work by seasonal camp counselors and counselor trainees or work by members of religious orders. Occupation shall also not include outside sales work regularly performed by outside salesmen who regularly sell a product or products away from their employer's place of business and who do not make daily reports or visits to the office or plant of their employer.

"Agricultural and farm work", labor on a farm and the growing and harvesting of agricultural, floricultural and horticultural commodities.

"Trip," a transportation service that involves picking up a passenger at a location, and taking and depositing such passenger at a different location requested by such passenger.

"Transportation network driver" or "TND" shall be defined as described in § 1 of Chapter 159A1/2 of the General Laws.

"Transportation network company" or "TNC" shall be defined as described in § 1 of Chapter 159A1/2 of the General Laws.

- Section 7. Chapter 151 of the General Laws is hereby amended by striking out section 3 and inserting in place thereof the following section:-
- Section 3. The commissioner or the attorney general, or their authorized representatives, shall have full power and authority:
- 1. To investigate and ascertain the wages of persons employed in any occupation in the commonwealth, including TNDs;
- 2. To enter the place of business or employment of any employer of persons in any occupation, and any TNC, other than domestic service in the home of the employer, for the purpose of examining, inspecting and making a transcript of any and all books, registers, payrolls, and other records of any employer of persons and any TND that in any way appertain to or have a bearing upon the question of wages of any such persons and for the purpose of ascertaining whether the orders of the commissioner or the attorney general have been and are being complied with; and

- 3. To require from such employer or TND full and correct statements in writing when the commissioner or the attorney general, or their authorized representatives, deem necessary, of the wages paid to all persons in his employ or all TNDs, such statements to be under oath or accompanied by a written declaration that they are made under the penalties of perjury.
 - 4. To carry out the provisions of this chapter.

- Section 8. Chapter 151 of the General Laws is hereby amended by inserting a new Section 7b:-
 - Section 7b. Minimum payments to transportation network workers and minimum fares.
- (a) It is hereby declared to be against public policy for any TND to be paid an oppressive and unreasonable wage. In order to ensure that TNDs are not paid an oppressive or unreasonable wage, by DATE, the commissioner (of the department of labor standards) in consultation with the department of public utilities shall issue: i) a rule establishing the minimum payment that must be made to a TND for a trip pre-arranged through the TNC's digital network, and ii) a rule establishing the minimum rate of compensation for TND expenses. The goal for the minimum payment rule is to establish a rate of payment for each trip, that ensures that the aggregate average hourly compensation to TNDs, for both engaged time and time spent waiting for an offer, during the period of time beginning when the TND has activated a mode in a TNC's internet-enabled application or digital platform, signaling the driver's readiness to receive and respond to trip requests and ending when the TND deactivates the mode and is no longer able to receive and respond to trip requests, is no less than the equivalent of the minimum wage established under section 1 of this chapter. The rule establishing the minimum compensation to cover TND expenses shall be in addition to the minimum payment, and shall be calculated based

on industry averages relating to TND expenses. The goal for this rule is to establish a per-mile rate of reimbursement per trip that ensures that the aggregate average reimbursement for expenses to TNDs reflects actual average TND expenses for miles driven during engaged time as well miles driven on average during time spent waiting for an offer in the period beginning when a transportation network driver has activated a mode in the licensee's Internet-enabled application or digital platform, signaling the driver's readiness to receive and respond to trip requests and ending when the TND deactivates the mode and is no longer able to receive and respond to trip requests. In establishing the minimum compensation to cover TND expenses, the commissioner shall refer to the average proportion of miles driven by TNDs during engaged time to average total miles driven as determined by the director of the division of public utilities pursuant to subsection 3(h)(ii) of Chapter 159A1/2 of the General Laws.

- (b) Any minimum payment determined by the commissioner of the department of labor standards pursuant to this section shall not include gratuities, tolls, or surcharges, nor shall it include fees charged by the transportation network company. A transportation network company shall not retain any portion of any gratuity or use gratuities to offset or cover any portion of minimum payments required by this section.
- (c) The Commissioner shall examine relevant data and revise the rules establishing minimum payment and minimum compensation for expenses as necessary to further the goals of this section.

An employer shall allow an employee and a TNC shall show a TND at reasonable times and places to inspect the records kept under this section and pertaining to that employee.

Section 11. Chapter 151 of the General Laws is hereby amended by striking out Section 16 and inserting in place thereof the following Section:-

Employers and TNCs shall be furnished copies of orders or notices on request without charge. - (i) It shall be unlawful for any employer or TNC to take any adverse action against an employee or TND because the employee or TND opposes practices which the employee or TND believes to be in violation of this section, or because the employee or TND supports the exercise of rights of another employee or TND under this section. Exercising rights under this section shall include but not be limited to filing an action, or instituting or causing to be instituted any proceeding, under or related to this section; providing or intending to provide any information in connection with any inquiry or proceeding relating to any right provided under this section; or testifying or intending to testify in any inquiry or proceeding relating to any right provided under this section.

(k) Employers or TNCs required to provide earned paid sick time who provide their employees or TNDs paid time off under a paid time off, vacation or other paid leave policy who make available an amount of paid time off sufficient to meet the accrual requirements of this section that may be used for the same purposes and under the same conditions as earned paid sick time under this section are not required by this section to provide additional earned paid sick time.

- (1) The attorney general shall enforce this section, and may obtain injunctive or declaratory relief for this purpose. Violation of this section shall be subject to paragraphs (1), (2), (4), (6) and (7) of subsection (b) of section 27C and to section 150.
- (m) The attorney general shall prescribe by regulation the employer's or TNC's obligation to make, keep, and preserve records pertaining to this section consistent with the requirements of section 15 of chapter 151.
- (n) The attorney general may adopt rules and regulations necessary to carry out the purpose and provisions of this section, including the manner in which an employee or TND who does not have a health care provider shall provide certification, and the manner in which employer size shall be determined for purposes of subsection (d)(4).
- (o) Notice of this section shall be prepared by the attorney general, in English and in other languages required under clause (iii) of subsection (d) of section 62A of chapter 151A.

 Employers or TNCs shall post this notice in a conspicuous location accessible to employees or TNDs in every establishment where employees with rights under this section work, and shall provide a copy to their employees or TNDs. This notice shall include the following information:

The defendant shall not set up as a defence a payment of wages after the bringing of the complaint. An assignment of future wages payable weekly under section one hundred and forty-eight shall not be valid if made to the person from whom such wages are to become due or to any person on his behalf, or if made or procured to be made to another person for the purpose of relieving the employer from the obligation to pay weekly. A loan made by an

employee to his employer of wages which are payable weekly under section one hundred and forty-eight, whether made directly to the employer or to another person or persons on his behalf, shall not be valid as a defense on the trial of a complaint for failure to pay such wages weekly, unless such loan shall have been made with the approval of the attorney general.

An employee claiming to be aggrieved by a violation of sections 33E, 52E, 148, 148A, 148B, 148C, 150C, 152, 152A, 159C or 190 or section 19, or section 7b of chapter 151 may, 90 days after the filing of a complaint with the attorney general, or sooner if the attorney general assents in writing, and within 3 years after the violation, institute and prosecute in his own name and on his own behalf, or for himself and for others similarly situated, a civil action for injunctive relief, for any damages incurred, and for any lost wages and other benefits; provided, however, that the 3 year limitation period shall be tolled from the date that the employee or a similarly situated employee files a complaint with the attorney general alleging a violation of any of these sections until the date that the attorney general issues a letter authorizing a private right of action or the date that an enforcement action by the attorney general becomes final.
