343 than 2 ½ years, or be imprisoned in the state prison for not less than 2 ½ years but not more than
344 5 years with a minimum mandatory term of 2 years and fined not less than \$2,000 but not more
345 than \$50,000.

346 (f) Upon a disposition under this section the court shall assess a \$250 fee to the
347 person. The court shall transmit \$125 of the \$250 collected under this assessment to the state
348 treasurer to be deposited into the Head Injury Treatment Services Trust Fund. The remaining
349 \$125 shall be deposited into the General Fund. The assessment may be reduced or waived if the
350 court makes written findings that payment would cause the person severe financial hardship. If
351 the court sentences the person to a correctional facility the outstanding assessment shall be noted
352 on the mittimus.

353 (g) Upon a disposition under this section the court shall assess a \$50 fee to the person.
354 The court shall transmit the \$50 to the state treasurer to be deposited into the Victims of Drunk
355 Driving Trust Fund. The assessment shall not be subject to waiver by the court for any reason.
356 If the court sentences the person to a correctional facility the outstanding assessment shall be
357 noted on the mittimus.

358 (h) In any prosecution commenced pursuant to this section, introduction into evidence
359 of a prior conviction or a prior finding of sufficient facts by either certified attested copies of
360 original court papers, or certified attested copies of the defendant's biographical and

361 informational data from records of the department of probation, any jail or house of correction,
362 the department of correction, or the registry of motor vehicles, shall be prima facie evidence that
363 the defendant before the court has been convicted previously or assigned to an alcohol or
364 controlled substance education, treatment, or rehabilitation program by a court of the
365 commonwealth or of a like offense from any other jurisdiction. Such documentation shall be
366 self-authenticating and admissible, after the commonwealth has established the defendant's guilt
367 on the primary offense, as evidence in any court of the commonwealth to prove the defendant's
368 commission of any prior convictions or assignments to alcohol or controlled substance
369 education, treatment, or rehabilitation programs described therein. The commonwealth shall not
370 be required to introduce any additional corroborative evidence, nor live witness testimony to
371 establish the validity of such prior offenses.

372 (i) No prosecutions under this section shall be continued without a finding except for
373 cases disposed of pursuant to the provisions of subdivision (a) of subsection (3) of this section.
374 No prosecutions under this section shall be placed on file, or subject to the provisions of section
375 87 of chapter 276. At any time before the commencement of a trial or acceptance of a plea on a
376 complaint alleging a violation of this section, the prosecutor may apply for the issuance of a new
377 complaint pursuant to section 35A of chapter 218 alleging a violation of this section and 1 or
378 more prior operating under the influence offenses. If such application is made, upon motion of
379 the prosecutor, the court shall stay further proceedings on the original complaint pending the
380 determination of the application for the new complaint. If a new complaint is issued, the court
381 shall dismiss the original complaint and order that further proceedings on the new complaint be
382 postponed until the defendant has had sufficient time to prepare a defense. Upon any conviction
383 or continuation without a finding under this section, the court shall order that any license issued

384 by the commonwealth be surrendered to the probation department, and disposed of in a manner
385 prescribed by the registrar. The clerk of courts shall notify the registrar forthwith of the
386 disposition.

387 (j) Upon a disposition for an operating under the influence offense as defined in
388 section (1) of this chapter the probation department, in the court in which the finding was
389 entered, shall provide the defendant a copy of the statutory provisions that apply to any further
390 operating under the influence offense. The statement of statutory provisions shall be prepared by
391 the secretary of public safety.

392 (k) Upon a disposition for an operating under the influence offense as defined in
393 section (1) of this chapter the court shall ask the defendant whether he was served alcohol prior
394 to his violation at an establishment licensed to serve alcohol. If the defendant answers in the
395 affirmative, the defendant shall provide the name and address of the establishment. The clerk's
396 office shall provide in writing to the Alcohol Beverage Control Commission the name of the
397 establishment and date of offense given by the defendant. The Alcohol Beverage Control
398 Commission shall inform the named establishment of this incident forthwith. The trial court
399 shall, in conjunction with the Alcohol Beverage Control Commission, promulgate a standard
400 form for reporting and collecting said information. The Alcohol Beverage Control Commission
401 shall provide an annual report including the collected data to the attorney general, each district
402 attorney, and the local liquor licensing authorities.

403 (l) The provisions of section 6A of chapter 279 shall not apply to a person with a
404 prior operating under the influence offense as defined in section 1 of chapter 90.

405 (m) If a defendant waives his right to a jury trial pursuant to section 26A of chapter
406 218 on a complaint under this section he shall be deemed to have waived his right to a jury trial
407 on all elements of the complaint.

408 (3) Alternative Dispositions

409 (a) First Offense: If there is no evidence of a prior operating under the influence
410 offense, a person may consent to being placed on probation for not more than 2 years instead of
411 the disposition specified in subdivision (a) of subsection (2) of this section. Offenders with a
412 single prior operating under the influence offense more than 10 years preceding the date of the
413 most recent offense may also be eligible for a disposition under this subdivision. As a condition
414 of this probation, the person shall be ordered to complete an out patient alcohol, drug, or
415 substance abuse program as specified by the court. Offenders who reside out of state, or are a
416 full time student out of state, may at the court's discretion complete a licensed first offender's
417 program in that other state, as approved by the Department of Public Health.

418 If a person is sentenced to an alternative disposition, notwithstanding the provisions of
419 subsection (5) of this section, the court shall impose a suspension of the defendant's license or
420 right to operate for not less than 45 days nor more than 90 days if said person was over the age of
421 21 at the time of the offense, or 210 days if said person was under the age of 21 at the time of
422 offense. A person may immediately apply for a hardship license following disposition and
423 enrollment into the treatment program required by this subsection. In all cases where a hardship
424 license is sought, the probation office where the offender is or was on probation will, upon
425 request, furnish the registrar with documentation verifying the person's status with probation.
426 Hardship licenses under this subsection shall be issued under such terms and conditions as the

427 registrar may prescribe, after the registry is convinced that the issues that this offense(s) arose
428 from have been dealt with by the operator and brought under control. Said hardship license shall
429 be issued, subject to the agency's discretion, upon a showing of hardship for work, education, or
430 other purpose the registrar deems valid and significant, and shall be for an identical 12 hour
431 period, 7 days a week. Notwithstanding the above, if the records of the registrar contain
432 additional information regarding operating under the influence offenses, the registrar shall
433 suspend the license in accordance with subsection (5) of this section. A person shall be
434 presumed to be a suitable candidate for this disposition after trial unless otherwise prohibited by
435 this section. In cases where an eligible person is not granted such a disposition should he or she
436 seek it, the court shall make written findings supporting its decision.

437 (b) Second Offense: Notwithstanding the provisions of subsection (2) of this section,
438 in cases where a defendant has only one prior operating under the influence offense, the court, in
439 its discretion, may order the defendant to enter and complete a 14 day in patient program in lieu
440 of the required 30 day minimum mandatory term.

441 The provisions of this subsection shall not apply to any person who causes serious bodily injury
442 or death to another person during the events that gave rise to the complaint or indictment.

443 Each person placed in such a program shall pay a program fee as determined by the
444 department of public health. The program fee shall not exceed the cost per client to run the
445 program. The department of public health shall compile a schedule of uniform fees for these
446 programs, which shall be changed only after notice and public hearing. The department shall
447 promulgate rules and regulations regarding the process and methodology of setting these fees.
448 No person shall be denied entry into a program where the court, after review and investigation by

449 the probation department, determines that the defendant is indigent, and has filed such an
450 affidavit with the court. The court may then waive or reduce said fee on a case by case basis.
451 Subject to appropriation, the department of public health shall reimburse each program for the
452 costs of services provided to persons for whom payment of a fee has been waived or reduced on
453 the grounds of indigency.

454 In addition to the program fee, the court shall assess a \$250 fee to each person placed in
455 such a program. The court shall transmit the \$250 to the state treasurer for the support of
456 programs operated by the commissioner of public health for the investigation, enforcement,
457 treatment and rehabilitation of persons charged with or convicted of operating under the
458 influence. The assessment may be reduced or waived if the court makes written findings that
459 payment would cause the person severe financial hardship.

460 The alternative disposition programs utilized under this subsection shall be established,
461 administered or approved by the department of public health, who shall have authority to
462 promulgate such regulations as is necessary to govern the content, conduct, operation or approval
463 of these programs. The department of public health shall prepare and publish annually a list of
464 all accepted alcohol treatment and rehabilitation programs, make this list available upon request
465 to members of the public, and annually furnish the commissioner of probation, the registrar, and
466 the secretary of public safety with a copy of said list.

467 The commissioner of probation shall annually report to the department of public health the
468 number of persons who receive an alternative disposition and the number of persons who have
469 been required by the court to participate in alcohol or controlled substance abuse treatment or
470 rehabilitation programs. In addition, the commissioner of probation, and the chief justice of the

471 district courts and the Boston Municipal Court shall annually report to the department of public
472 health the resources available for alcohol and controlled substance abuse treatment and
473 rehabilitation of alcohol-impaired or controlled substance abuse-impaired drivers. The report
474 shall evaluate the existing resources and shall make recommendations as to any additional
475 resources. The department of public health shall take such reports into consideration in the
476 development, implementation, and review of the state's alcoholism or controlled substance abuse
477 plan and in the preparation of the division's annual budget in a manner consistent with the
478 Alcoholism Treatment and Rehabilitation Law.

479 (4) The following persons shall complete an alcohol and drug assessment conducted by
480 the department of public health or other court approved program as a mandatory condition of any
481 sentence imposed:

482 (a) A person having a percentage, by weight, of alcohol in his blood of .20% or above
483 during an operating under the influence offense; or

484 (b) A person with a second or subsequent operating under the influence offense.

485 The assessment shall include at a minimum an evaluation of the level of the offender's
486 addiction to alcohol and/or drugs and the department's recommended course of treatment. Such
487 assessment and recommendation shall be reported to the offender's probation or parole officer.
488 The commissioner of public health may make such rules and regulations as are necessary to
489 carry out this section.

490 (5) Upon conviction the registrar shall suspend the license or right to operate, based on
491 the number of offenses on the agency's records, as follows:

492 (a) First offense: 1 year except for persons that have properly received dispositions
493 pursuant to subsection 3 of section 24D of this chapter. The operator may apply for a hardship
494 license 90 days from the date of conviction, absent any other suspensions.

495 (b) Second offense: 2 years except for persons that have properly received
496 dispositions pursuant to subsection 3 of section 24D of this chapter. The operator may apply for
497 a hardship license 1 year from the date of conviction, absent any other suspensions.

498 (c) Third offense: 8 years. The operator may apply for a hardship license 2 years
499 from the date of conviction, absent any other suspensions.

500 (d) Fourth offense: 10 years. The operator may apply for a hardship license 5 years
501 from the date of conviction, absent any other suspensions.

502 (e) Fifth or subsequent offense: Lifetime.

503 (f) Notwithstanding subdivisions (a) through (e) of this subsection, the registrar shall
504 suspend for life a person's license or right to operate upon an operating under the influence
505 offense if the person has been previously convicted of motor vehicle homicide while under the
506 influence or manslaughter by motor vehicle.

507 (g) Hardship licenses under this subsection shall be issued under such terms and
508 conditions as the registrar may prescribe, after the registry is convinced that the issues that this
509 offense(s) arose from have been dealt with by the operator and brought under control. Said
510 hardship license shall be issued, subject to the agency's discretion, upon a showing of hardship
511 for work, education, or other purpose the registrar deems valid and significant, and shall be for
512 an identical 12 hour period, 7 days a week.

513 (h) If there are 2 prior operating under the influence offenses, the registrar may
514 suspend the registration of a motor vehicle owned by a person for the duration of the suspension
515 of the license or right to operate. No new registration shall be issued to said person during the
516 suspension period.

517 Chapter 90, § 24E – Implied Consent

518 (1) Whoever operates a motor vehicle on a public way shall be deemed to have consented
519 to a test of his breath or blood in the event he is arrested with operating a motor vehicle while
520 under the influence of intoxicating liquor. A person brought to a police station or place of
521 detention is deemed to have consented to a test of his breath. A valid breath test under this
522 section shall be one adequate breath sample analysis, followed by one calibration standard
523 analysis, and then by a second adequate breath sample analysis. A person is deemed to have
524 consented to a test of his blood only if he has been brought to a medical facility licensed pursuant
525 to the provisions of section 51 of chapter 111, and the blood is drawn by a physician, registered
526 nurse or certified medical technician; provided further that no person inflicted with hemophilia
527 or any other condition requiring the use of anticoagulants shall be deemed to have consented to
528 the withdrawal of blood. Such test shall be administered by or at the direction of a police officer
529 as defined in section 1 of chapter 90C, having reasonable grounds to believe that the defendant
530 was operating under the influence.

531 In any prosecution for an operating under the influence offense, evidence of a defendant's
532 blood alcohol content at the time of offense, shown by breath or blood, is relevant and admissible
533 to determine whether the defendant was under the influence of intoxicating liquor as defined in
534 section 1 of this chapter, if test was conducted by or at the direction of a police officer, with the

535 consent of the defendant. Upon the defendant's request the results of said test shall be made
536 available to him. In any case where a test is given, the defendant shall have the right to have
537 another test done at his own expense, by a physician of his choosing.

538 Evidence that the defendant refused such test shall not be admissible in a criminal or civil
539 proceeding, but shall be admissible in any action by the registrar in any proceeding provided for
540 in under this section. For purposes of this section, a refusal is either a verbal or written refusal to
541 take a test, or a failure to consent to a test required by this section.

542 If such evidence is that the blood alcohol content was .05% or less, there shall be a
543 permissible inference that the defendant was not under the influence of intoxicating liquor, and
544 he shall be released from custody forthwith, absent any other arrestable charges. The officer(s)
545 who placed the defendant in custody shall not be liable for false arrest if there were reasonable
546 grounds to believe that he was operating under the influence.

547 If the evidence is that such blood alcohol content was more than .05% but less than
548 .08%, there shall be no permissible inference.

549 If the evidence is that such blood alcohol content was .08% or more, the defendant is
550 deemed to be under the influence as defined in section 1 of this chapter.

551 A certificate, signed and sworn to, by a chemist of the department of the state police or a
552 laboratory certified by the department of public health, which contains the results of an analysis
553 made by such chemist of the blood alcohol content shall be prima facie evidence.

554 (2) Upon any refusal by the person arrested of a test required by this section, after the
555 person has been informed that his license or right to operate a motor vehicle shall be suspended

556 for the refusal, the registrar shall immediately suspend the person's license or right to operate as
557 follows:

558 (a) If the person was age 21 or over at the time of offense, and has no prior operating
559 under the influence convictions, the suspension shall be for 180 days.

560 (b) If the person has 1 prior operating under the influence conviction, or was under
561 age 21 at the time of offense and has no more than 1 prior operating under the influence
562 conviction, the suspension shall be for 3 years.

563 (c) If the person has 2 prior operating under the influence convictions, the suspension
564 shall be for 5 years.

565 (d) If the person has 3 or more prior operating under the influence convictions, the
566 suspension shall be for life.

567 (e) If the person has a prior conviction under sections 24L or 24J of this chapter, the
568 suspension shall be for 10 years.

569 (f) If the person has a prior operating under the influence conviction pursuant to
570 section 24G or 24K of this chapter or a conviction under section 24L of this chapter or section 13
571 ½ of chapter 265, the suspension shall be for life.

572 (g) No hardship licenses on suspensions for test refusals shall be granted, except for
573 candidates that have properly received dispositions pursuant to subsection 3 of section 24D of
574 this chapter. Any suspensions under this section shall be consecutive with any suspension or
575 suspension for the underlying operation under the influence offense. Notwithstanding that, if
576 the charges against the person are dismissed, or the person is found not guilty, the person may

577 immediately file a motion before the judge that heard the case, for the purpose of seeking
578 restoration of the license or right to operate. At said hearing, if the court finds that the charges
579 were resolved in favor of the defendant, that there are no alcohol related charges pending in this
580 or any other court, and that there is no evidence before the court based on a preponderance of the
581 evidence that reinstatement of the license or right to operate would endanger the public, there
582 shall be a presumption that the court shall order that this particular suspension be terminated.

583 (h) Any person refusing a test under this section shall have a right, at his request, to a
584 hearing before the registrar to determine if grounds exist for the suspension. Any hearing request
585 shall be made within 15 days of the incident giving rise to this suspension. The hearing shall be
586 limited to the issues of whether reasonable grounds exist for the officer's belief that the person
587 was operating under the influence at the time of the incident, whether the person was advised of
588 the consequences of the refusal, and did the person refuse or fail to consent to such test. The
589 registrar, upon accepting an appeal, shall have a reasonable period of time to request and gather
590 such evidence as the hearings officer needs in order to rule on the issues raised by the appellant.
591 The registrar shall compile a record of the hearing. If the ruling is in the person's favor, absent
592 any other reason for suspension, the registrar shall restore the person's license or right to operate.
593 The registrar may promulgate such rules and regulations as is necessary regarding the conduct of
594 these hearings.

595 (i) If the registrar rules that the suspension for refusal was proper, the appellant may
596 file a petition for judicial review in the district court having jurisdiction over the underlying
597 operation under the influence charge within 30 days of the registrar's decision. The court must
598 then schedule a hearing within 30 days of the appellant's application, unless the appellant has
599 waived this time requirement. The petition shall be filed in the nature of a civil action

600 challenging the action of an administrative agency, and shall be an administrative review limited
601 to the record, including the evidence and arguments, compiled at the hearing. Along with the
602 submission of the record, the registrar shall prepare written findings supporting the reasons for
603 denying the petition for the court to review. If the court rules in the appellant's favor, the court
604 shall prepare specific findings indicating the reasons for reversing the registrar's determination,
605 and send the findings to the registrar forthwith. The registrar shall restore the license, absent
606 any other reasons for suspension. In cases where other suspensions exist, the registrar shall then
607 terminate this suspension for refusal, but maintain any other valid suspensions.

608 If a test indicates that a person was operating with a blood alcohol content of .08% or
609 above, the registrar shall immediately suspend the person's license or right to operate for 30
610 days, or until the conclusion of the court case, whichever is shorter.

611 (j) A person whose license or right to operate is suspended under this subsection may
612 appeal the suspension within 10 days of the arraignment to the court where the charges are
613 pending. The appeal shall be limited to the issues of whether a blood test, taken within a
614 reasonable period of time after the arrest, shows a result of less than .08%, or that the test results
615 were not consistent with the requirements of subsection (1) of this section.

616 If the charges against the person are dismissed, or the person is found not guilty, the
617 person may immediately file a motion before the judge that heard the case, for the purpose of
618 seeking restoration of the license or right to operate. At said hearing, if the court finds that the
619 charges were resolved in favor of the defendant, that there are no alcohol related charges pending
620 in this or any other court, and that there is no evidence before the court based on a preponderance
621 of the evidence that reinstatement of the license or right to operate would endanger the public,

622 there shall be a presumption that the court shall order that this particular suspension be
623 terminated.

624 (3) Chemical analysis of the breath of a person charged with a violation of this chapter
625 shall not be considered valid under the provisions of this chapter, unless such analysis has been
626 performed by a certified operator, using infrared breath-testing devices according to methods
627 approved by the secretary of public safety. The secretary of public safety shall promulgate rules
628 and regulations regarding satisfactory methods, techniques and criteria for the conduct of such
629 tests, and shall establish a statewide training and certification program for all operators of such
630 devices and a periodic certification program for such breath testing devices; provided, however,
631 that the secretary may terminate or suspend such certification at his discretion.

632 Said regulations shall include, but shall not be limited to the following:

633 (a) The chemical analysis of the breath of a person charged be performed by a
634 certified operator using a certified infrared breath-testing device in the following sequence:

- 635 (1) one adequate breath sample analysis
- 636 (2) one calibration standard analysis
- 637 (3) a second adequate breath sample analysis

638 (b) No person shall perform such a test unless certified by the secretary of public
639 safety

640 (c) No breath testing device, mouthpiece or tube shall be cleaned with any substance
641 containing alcohol.

642 The secretary of public safety shall prescribe uniform formats, electronic or otherwise,
643 for reports of such chemical analysis to be used by law enforcement officers and others acting in
644 accordance with the provisions of this chapter. The reports generated in these formats shall be
645 sequentially numbered. Each chief of police or other officer or official having charge or control
646 of a law enforcement agency shall be responsible for the proper availability of these formats.
647 Each party so responsible shall prepare or cause to be prepared such records and reports relating
648 to such uniform formats and their disposition in such manner and at such times as the secretary
649 of public safety shall prescribe.

650 Upon any failed or refused test under this section the police shall confiscate any license
651 or permit issued by the commonwealth in the possession of the defendant, serve the defendant
652 with a notice of suspension on behalf of the registrar, and impound the operator's vehicle for a
653 12 hour period following the incident. The operator shall be responsible for all costs associated
654 with towing, storage and maintenance of the vehicle. In addition, in each case, the police shall
655 prepare a report to the registrar, indicating the following:

656 (1) the grounds the arresting officer had to believe that the defendant was operating under
657 the influence;

658 (2) the defendant was advised of the consequences of refusing the test;

659 (3) the results of any failed test;

660 (4) whether or not the operator refused or failed to consent to the test;

661 (5) the identity of the officer who advised the defendant of his rights;

662 (6) the identity and certification of the officer who conducted the breath test;

663 (7) the identity of any witness to the test or refusal;

664 (8) that the test was administered in accordance with the regulations and standards
665 promulgated by the secretary of safety; and

666 (9) the equipment used was regularly serviced and maintained and believed to be in
667 proper working order.

668 The reports specified in this subsection shall be reported to the registrar forthwith in order
669 to expedite the suspension of the license or right to operate, and shall be admissible as prima
670 facie evidence in any administrative action before the registrar.

671 If a test is an analysis of blood rather than breath, in cases where a test indicates a blood alcohol
672 content of .08% or above, or .02% or above if the operator is under age 21 at the time of offense,
673 the police shall report said result to the registrar, who shall suspend the license consistent with
674 the provisions of this section.

675 (4) Notwithstanding the findings of any charge, the following additional provisions shall
676 apply to persons under age 21 after having been arrested for an operating under the influence
677 offense:

678 (a) Upon evidence that a person under the age of 21 had a blood alcohol content of
679 .02% or above or refused to submit to a chemical test or analysis of his breath or blood under this
680 section, shall have his license or right to operate a motor vehicle suspended by the registrar for a
681 period of an additional 180 days. Any person who is less than 18 years of age at the time of such
682 offense shall have his license suspended by the registrar for an additional 1 year.

683 If a person has not been previously arrested for or charged with operating under the
684 influence, such person shall, if he consents, be assigned to a program specifically designed by the
685 department of public health for the treatment of underage drinking drivers. Upon entry into a
686 program, authorized by this subsection, or a program required by section 24D of this chapter, the
687 suspension of a license or right to operate as required by this subsection shall be waived by the
688 registrar for a person under 21 years of age and over 18 years of age. The suspension shall be
689 reduced to 180 days for a person who was under the age of 18 at the time of such offense. Upon
690 the failure of a person who, at the time of offense was under the age of 21, to successfully
691 complete such program, the registrar shall forthwith suspend such license or permit to operate for
692 180 days, or for 1 year if the person was under age 18 at the time of offense.

693 (b) The license, permit, or right to operate of a person convicted of any violation
694 under section 24, 24A, 24B, 24C, 24I or 24J of this chapter, who was under the age of 18 at the
695 time of such violation and whose license or permit to operate was not already suspended under
696 this section for failing or refusing a test, shall have such license or right to operate suspended for
697 an additional period of 180 days for a first offense and for a period of 1 year for a second or
698 subsequent offense.

699 (5) When a complaint is issued alleging a person has violated section 24D, 24J, or 24K of
700 this chapter, or violated section 8(1) (a), 8A, or 8B of chapter 90B, upon the failure of a police
701 officer to suspend or take custody of the defendant's license or permit, the judge shall
702 immediately suspend and take custody of the defendant's license or right to operate in the
703 following instances:

704 (a) If the prosecutor makes a prima facie showing at arraignment that the defendant
705 was operating a motor vehicle with a blood alcohol content of .08 or greater, or if the defendant
706 is under 21 years of age a blood alcohol content of .02 or greater, as shown by a test of his breath
707 or blood; and the prosecutor presents written certification of oral testimony from the person who
708 administered the test that:

709 (1) the defendant was given a test;

710 (2) the person administering the test was trained and certified in the administration of the
711 test;

712 (3) the test was performed in accordance with regulations and standards promulgated by
713 the secretary of public safety;

714 (4) the equipment used for the test was regularly serviced and maintained; and

715 (5) the person administering the test had every reason to believe the equipment was
716 functioning properly at the time the test was administered.

717 The written certification shall be prima facie evidence of the facts contained therein.

718 Upon a showing of the above facts, the judge shall take immediate physical possession of
719 the license or permit and shall direct the prosecuting officer to immediately notify the criminal
720 history systems board and the registrar of such suspension. The defendant's license or right to
721 operate shall be suspended for a period not to exceed 30 days; or

722 (b) If the prosecutor makes a prima facie showing at arraignment that the defendant
723 was arrested for operating on any such way or place while under the influence of intoxicating
724 liquor and refused a test of his breath or blood, the judge shall take immediate physical

725 possession of the license or permit and shall direct the prosecuting officer to immediately notify
726 the criminal history systems board and the registrar of such suspension. The defendant's license
727 or right to operate shall be suspended as follows:

728 (1) If the person was age 21 or over at the time of offense, and has no prior operating
729 under the influence offenses, the suspension shall be for 180 days.

730 (2) If the person has one prior operating under the influence offense, or was under the age
731 of 21 at the time of offense and has no more than 1 prior operating under the influence offenses,
732 the suspension shall be for 1 year.

733 (3) If the person has 2 prior operating under the influence offenses, the suspension shall
734 be for 18 months.

735 (c) No license shall be restored under any circumstances and no restricted or hardship
736 permits shall be issued during the suspension period imposed by this paragraph. If the charges
737 against the person are dismissed, or the person is found not guilty, the person may immediately
738 file a motion before the judge that heard the case, for the purpose of seeking restoration of the
739 license or right to operate. At said hearing, if the court finds that the charges were resolved in
740 favor of the defendant, that there are no alcohol related charges pending in this or any other
741 court, and that there is no evidence before the court based on a preponderance of the evidence
742 that reinstatement of the license or right to operate would endanger the public, there shall be a
743 presumption that the court shall order that this particular suspension be terminated.

744 (1) Any person refusing a test under this section shall have a right, at his request, to a
745 hearing before the registrar to determine if grounds exist for the suspension. Any hearing request
746 shall be made within 10 days of the incident giving rise to this suspension. The hearing shall be

747 limited to the issues of whether or not a blood test administered pursuant to section 24E of this
748 chapter, within a reasonable period of time after a test of his breath, shows that that the blood
749 alcohol content was less than .08% or less than .02% if the person was under the age of 21 at the
750 time of the offense.

751 If, after a hearing, the court finds the defendant's blood alcohol content was less than
752 .08% or less than .02% if the person was under the age of 21 at the time of offense, the court
753 shall restore the defendant's license or right to operate and shall direct the prosecuting officer to
754 immediately notify the criminal history systems board and the registrar of such restoration.

755 (2) Any person whose license or right to operate has been suspended because the person
756 refused to submit to a test of his breath or blood under this section shall have the right, at his
757 request, to a hearing before the court in which the underlying charges are pending to determine if
758 grounds exist for the suspension. Any hearing request shall be made within 10 days of the
759 hearing giving rise to this suspension. The hearing shall be limited to the following issues:

760 (a) whether or not the police officer had reasonable grounds to believe that the person
761 had been operating a motor vehicle while under the influence of intoxicating liquor on a public
762 way;

763 (b) whether or not the person was placed under arrest; and

764 (c) whether or not the person refused to submit to a test of his breath or blood.

765 If, after a hearing, the court finds in the negative on any one of the issues, the court shall
766 restore the defendant's license or right to operate and shall direct the prosecuting officer to
767 immediately notify the criminal history systems board and the registrar of such restoration.

768 Chapter 90, § 24F – Ignition Interlock Devices

769 (1) Any person whose license or right to operate is suspended for 2 or more operating
770 under the influence offenses, or who is operating on a restricted license for such offenses, shall
771 be required to have an ignition interlock device installed on each vehicle that he may own, lease,
772 or operate as a mandatory condition of issuance of a new license or right to operate. The
773 restriction shall remain on the license during the hardship license period and an additional 2
774 years upon the full restoration of the license. In cases where the person has not been granted a
775 hardship license, the ignition interlock requirement shall be for a 2 year period following the
776 reinstatement of the license or right to operate.

777 Each device shall be subject to inspection, maintenance, and monitoring as the registrar
778 may prescribe. No ignition interlock device utilized under this section shall allow a vehicle to
779 start if a person's blood alcohol content exceeds .02%. The registrar shall promulgate such rules
780 and regulations as deemed necessary regarding this section.

781 The registrar may, after hearing, suspend the license or right to operate of any person
782 who:

783 (a) removes an ignition interlock device without the written consent of the registrar;

784 or

785 (b) who fails to have it inspected, maintained or monitored on at least 2 occasions
786 during the requirement period,

787 if the licensee has:

788 (a) operated a vehicle with a blood alcohol content that caused the certified ignition
789 interlock device to prevent the vehicle from starting on at least 2 occasions; or

790 (b) recorded a blood alcohol content in excess of .02% on at least 2 occasions.

791 The suspension shall be for an extended period or for life. A person aggrieved by the
792 decision of the registrar pursuant to this section may file an appeal in the superior court. If the
793 court determines that the registrar abused his discretion, the court may vacate the suspension or
794 reduce the period ordered by the registrar.

795 (2) No person required to have an ignition interlock device shall operate a motor vehicle
796 without such a device on a public way.

797 (a) A person convicted under this subsection shall be imprisoned in a jail or house of
798 correction for not less than 6 months but not more than 2 ½ years, or the state prison for not less
799 than 2 ½ years but not more than 5 years with a minimum mandatory term of 6 months and fined
800 not less than \$1,000 but not more than \$15,000.

801 The provisions of this subsection shall not apply when the person is operating a vehicle
802 with a police officer or employee or agent of the registrar present for the sole purpose of
803 conducting a road test as a condition of license reinstatement.

804 (3) No person shall interfere with or tamper with an ignition interlock device with the
805 intent to disable such device.

806 (a) A person convicted under this subsection shall be punished by imprisonment in a
807 jail or house of correction for not less than 6 months but not more than 2 ½ years, or state prison
808 for not less than 3 years but not more than 5 years.

809 (4) No person shall knowingly breathe into an ignition interlock device, or start a motor
810 vehicle equipped with an ignition interlock device, for the purpose of providing an operable
811 motor vehicle to a person under a license restriction requiring an ignition interlock device.

812 (a) A person convicted under this subsection shall be punished as follows:

813 (1) First offense: The defendant shall be imprisoned in a jail or house of correction for
814 not less than 6 months but not more than 2 ½ years or punished by a fine of not less than \$1,000
815 but not more than \$5,000.

816 (2) Second or subsequent offense: The defendant shall be imprisoned in state prison for
817 not less than 3 years but not more than 5 years.

818 (5) A certified copy of a signed acknowledgement of the terms and existence of an
819 ignition interlock device restriction, executed by a person alleged to have violated this section,
820 shall be admissible as prima facie evidence to prove the knowledge of the person who executed
821 the document.

822 Chapter 90, § 24G – Motor Vehicle Forfeitures

823 (1) A motor vehicle or vessel owned by a person who has at least 3 prior operating under
824 the influence offenses, as defined in section 1 of chapter 90, may be forfeited to the
825 commonwealth.

826 (2) A district attorney or the attorney general may petition the superior or district court, in
827 the name of the commonwealth in the nature of a proceeding in rem to order forfeiture of such
828 motor vehicle or vessel. The petition shall be filed in the court having jurisdiction over the
829 criminal proceeding brought under this chapter or chapter 90B. The proceeding shall be deemed

830 a civil suit in equity. In all such actions where the motor vehicle or vessel is jointly owned by
831 either a parent, spouse, child, grandparent, brother, sister, or parent of the spouse living in the
832 defendant's household, before the date of the second or subsequent operating under the influence
833 offense committed by the defendant, the commonwealth shall have the burden of proving the
834 existence of probable cause to institute the action. The claimant shall have the burden of proving
835 that the property is not forfeitable because the claimant is dependent on the motor vehicle or
836 vessel for his livelihood or the maintenance of his family.

837 The court shall order the commonwealth to give notice, by certified or registered mail, to the
838 owners of the motor vehicle or vessel and, to such other persons or entities who appear to have
839 an interest therein. The court shall promptly, but not less than 2 weeks after notice, hold a
840 hearing on the petition. Upon the motion of an owner of the motor vehicle or vessel, the court
841 may continue the hearing on the petition pending the outcome of a criminal trial related to a
842 charge of operating under the influence in violation of this chapter or chapter 90B. During the
843 pendency of the proceedings, the court may issue, at the request of the commonwealth, ex parte,
844 any preliminary order or process necessary to seize and secure the property for which forfeiture
845 is sought. Process for seizure of the property shall issue only upon a showing of probable cause.
846 The application, issuance, execution, and return thereof shall be subject to the provisions of
847 chapter 276, as applicable.

848 (3) At a hearing under this section, the court shall hear evidence and make findings of
849 fact and conclusions of law, and shall issue a final order. The parties shall have a right of appeal
850 as from a decree in equity. No forfeiture under this section shall extinguish a perfected security
851 interest held by a creditor in the property at the time of the filing of the forfeiture action. In all
852 actions where a proceeding results in forfeiture, the final order shall provide for disposition of

853 the property by the commonwealth in any manner not prohibited by law, including official use
854 by an authorized law enforcement or other agency, or at sale at public auction or by competitive
855 bidding, with such sale being conducted by the office of the district attorney or the attorney
856 general that obtained the final order of forfeiture.

857 (4) The final order of the court shall provide that the proceeds of any such sale shall be
858 used to pay the reasonable expenses of the forfeiture proceedings, seizure, storage, maintenance
859 of custody, advertising and notice, and the balance of any such sale shall be distributed equally
860 among the prosecuting district attorney or attorney general, the city, town or state police
861 department involved in the forfeiture and the Victims of Drunk Driving Trust Fund established in
862 section 66 of chapter 10. If more than 1 department was substantially involved in the seizure, the
863 court having jurisdiction over the forfeiture proceeding shall distribute the portion for law
864 enforcement equitably among the departments.

865 (5) There shall be established within the office of the state treasurer a separate Operating
866 Under the Influence Deterrent Trust Fund for each district attorney and for the attorney general.
867 All monies and proceeds received by a prosecuting district attorney or attorney general pursuant
868 to this section shall be deposited in the fund and shall be expended without further appropriation
869 to defray the costs of investigations, to provide additional technical equipment or expertise, to
870 provide matching funds to obtain federal grants, or for such other law enforcement purposes as
871 the district attorney or attorney general deems appropriate. Any program seeking to be an
872 eligible recipient of the funds shall file an annual audit report with the local district attorney and
873 attorney general. Such report shall include, but not be limited to, a listing of the assets,
874 liabilities, itemized expenditures and board of directors of the program. Within 90 days of the
875 close of the fiscal year, each district attorney and the attorney general shall file an annual report

876 with the house and senate committees on ways and means on the use of the monies in the trust
877 fund for the purposes of deterring operating under the influence programs.

878 (6) All moneys and proceeds received by a police department shall be deposited into the
879 fund and shall be expended without further appropriation to defray the costs of investigations, to
880 provide additional technical equipment or expertise, to provide matching funds to obtain federal
881 grants, or to accomplish such other law enforcement purposes as the chief of police of such city
882 or town, or the colonel of state police deem appropriate, but such funds shall not be considered a

1135 immediately file a motion before the judge that heard the case, for the purpose of seeking

1142 the person convicted is the owner of the motor vehicle or has exclusive control of any motor
1143 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
1144 registration of any or all motor vehicles owned or exclusively controlled by the person.
