## Analysis

**Current Law:** In Garret County, Sunday sales of alcoholic beverages from 1 p.m. to 10 p.m. are authorized in election districts 11 and 15 and in any other election district in which voters approve a local referendum in favor of Sunday sales. In those authorized districts, holders of Class C service club licenses may sell alcoholic beverages on Sundays. Also in those authorized districts, holders of special 2-day Class C licenses, special 6-day Class C licenses, special 12-day Class C licenses, and Class B licenses may sell alcoholic beverages on Sundays only in conjunction with a meal. For the holder of a Class C service club license or Class B license, the Sunday sales option has a one-time \$250 issuing fee and a \$250 annual fee.

**Local Revenues:** There are 73 alcoholic beverages licenses in Garrett County, of which 35 are Class D licenses. There are seven establishments in a precinct of an election district approved to sell alcoholic beverages on Sunday, of which three are Class D licensees and four are Class B licensees. Additionally, there are three Class D licensees outside of the precinct, which would qualify for Sunday sales. The number of qualified licensees which would seek a license to sell alcoholic beverages on Sunday is unknown. *For purposes of illustration*, if all 10 of the qualified licensees seek the Sunday sales licenses, Garrett County revenues would increase by \$5,000 in fiscal 2014 and by \$2,500 annually thereafter.
