A BILL ENTITLED

1 AN ACT concerning

2 **Child Support – Guidelines**

3 FOR the purpose of authorizing a court, in determining whether the application of the child
4 support guidelines would be unjust or inappropriate in a particular case, to consider
5 whether an obligor's monthly obligation would leave the obligor with a monthly
6 actual income below the 2019 federal poverty level for an individual; authorizing the
7 court to decline to establish a child support order under certain circumstances;
8 specifying that the fact that a parent meets or ceases to meet certain criteria shall
9 constitute a material change of circumstance for the purpose of a modification of a
10 child support award; requiring the court to take certain actions if there is a dispute
11 as to whether a parent is voluntarily impoverished; revising the schedule of basic
12 child support obligations used to calculate the amount of a child support award under
13 the child support guidelines; altering certain definitions; defining certain terms;
14 providing for the application of this Act; providing for a delayed effective date; and

11 adjusted actual incomes.

12 (2) (i) If one or both parents have made a request for alimony or
13 maintenance in the proceeding in which a child support award is sought, the court shall
14 decide the issue and amount of alimony or maintenance before determining the child
15 support obligation under these guidelines.

16 (ii) If the court awards alimony or maintenance, the amount of
17 alimony or maintenance awarded shall be considered actual income for the recipient of the
18 alimony or maintenance and shall be subtracted from the income of the payor of the alimony

20 of a child support award.
