CF HB 416

By: **Senators Kagan and Feldman**

Introduced and read first time: January 19, 2024

Assigned to: Education, Energy, and the Environment

A BILL ENTITLED

1 AN ACT concerning

2 **Public Schools – Active Shooter Safety Drills or Trainings – Requirements**

3 FOR the purpose of requiring the Maryland Center for School Safety to collaborate with an
4 institution of higher education or a designated federal or national research entity to
5 study the effectiveness and psychological impact of active shooter safety drills or
6 trainings by researching and analyzing certain data collected by local school systems;
7 requiring the Center to identify best practices for active shooter safety drills or
8 trainings by a certain date and periodically thereafter; authorizing the State
9 Department of Education to adopt regulations to incorporate active shooter safety
10 drills or trainings in the annual schedule of drills for local school systems; requiring
11 the Department to annually review the best practices identified by the Center
12 regarding active shooter safety drills and update the drills and trainings
13 incorporated into the annual schedule of drills; requiring local school systems to take
14 certain actions regarding active shooter safety drills or trainings, including collecting
15 and reporting certain data to the Center, and providing certain notice to parents,
16 students, and school personnel; requiring the Center to develop model content
17 regarding the State’s laws on safe firearm storage and requiring local school systems
18 to distribute the model content to parents at the beginning of each school year; and
19 generally relating to active shooter safety drills or trainings in public schools.

29 (2022 Replacement Volume and 2023 Supplement)

EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

1 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
2 That the Laws of Maryland read as follows:

3 **Article – Education**

4 7–1502.

5 (a) There is a Maryland Center for School Safety.

6 (g) The Center shall perform the following functions and duties:

7 (1) Provide technical assistance and consultation to local school systems,
8 State and local government, and community organizations on best practices for safe schools
9 and violence prevention;

10 (2) Develop a website containing a searchable database of definitive
11 research, books, videos, white papers, speakers, websites, and other school safety resources;

12 (3) Develop criteria that may be applied consistently and uniformly in local
13 school systems for coding unsafe incidents and serious or violent offenses;

14 (4) Research and recommend the use of common assessment tools to be
15 used to identify specific problems and needs of schools and neighborhoods to facilitate
16 intervention before assessed findings become problematic;

17 (5) Assist local school systems to conduct a thorough assessment of their
18 school safety data, school building layouts, and use of human resources for monitoring
19 purposes to determine the need for:

20 (i) Surveillance and other security technology; and

21 (ii) Innovations to maximize the use of human resources to monitor
22 activity and influence positive relationship building;

23 (6) Maintain and maximize relationships with emergency responders, law
24 enforcement personnel, parents, and other emergency preparedness stakeholders to ensure
25 seamless execution in an emergency event, including:

26 (i) Consolidate resources among stakeholders to maximize support
27 and secure necessary skills to ensure emergency plan implementation;

28 (ii) Conduct collaborative training and preparation exercises; and

29 (iii) Identify improvements and ensure nonduplication of effort in
30 emergency response procedures;

1 (7) Provide safety information on traveling to and from school to parents
2 and students twice a year that includes data related to bus and pedestrian safety, strategies
3 for ensuring personal safety, efforts of the local school system or school to improve safety,
4 and information on the available options for reporting incidents or concerns;

5 (8) Utilize and update an existing clearinghouse of law enforcement
6 resources that are available to support school safety to ensure that it includes information
7 regarding the purpose and process for accessing available funding;

8 (9) Assist local school systems to improve and monitor traffic control
9 measures in the immediate vicinity of schools to reduce the potential for pedestrian and
10 vehicle accidents;

11 (10) Assist the Department to evaluate and update current data systems to
12 ensure they are best suited for providing useful information on school safety issues;

13 (11) Assist local school systems to monitor local school system and
14 individual school behavior data to ensure fairness in the application of consequences for
15 student misbehavior;

16 (12) Assist the Department and local school systems:

17 (i) To prepare an annual report that combines multiple school safety
18 data systems into one format for public review; and

19 (ii) To incorporate new data points into existing data collection
20 systems;

21 (13) Assist in the development of safety and security criteria for the design
22 and operation of school facilities;

23 (14) Assist local school systems to identify resources and implement training
24 for students and parents about relationship violence, identifying the signs of unhealthy
25 relationships, and preventing relationship violence;

26 (15) Provide technical assistance to local school systems in the review of
27 safety and security audits and the implementation of improvements in school facilities;

28 (16) Analyze data on school resource officers and develop guidelines and
29 training for local school systems as required under § 7–1508 of this subtitle;

30 (17) Certify school safety coordinators as required under § 7–1508 of this
31 subtitle;

32 (18) Submit to the General Assembly and the Governor a summary of
33 reports on school resource officer and local law enforcement agency coverage in public
34 schools as required under § 7–1508 of this subtitle;

1 (19) Consult with local school systems on safety evaluations developed
2 under § 7–1510 of this subtitle;

3 (20) Review and comment on school emergency plans developed under §
4 7–1510 of this subtitle; [and]

5 (21) Report to the General Assembly and the Governor on life–threatening
6 incidents as required under § 7–1510 of this subtitle;
